UNITED  
STATES

# Acts Of Congress

**George Washington, Mount Vernon  
Ladies' Association**

## Acts Of Congress:

**The Laws That Shaped America** Dennis W. Johnson,2009-05-31 Dennis W Johnson tells the story of fifteen major laws enacted over the course of two centuries of American democracy for each looking at the forces and circumstances that led to its enactment the often tempestuous political struggles the political players who were key in proposing or enacting the legislation and the impact of the legislation and its place in American history Major Acts of Congress: F-M Brian K. Landsberg,2004 An illustrated encyclopedia of congressional acts from the earliest days of the American republic up through recent years **Major Acts of Congress: A-E** Brian K. Landsberg,2004 An illustrated encyclopedia of congressional acts from the earliest days of the American republic up through recent years *Acts of Congress 1789* George Washington,Mount Vernon Ladies' Association,2013-10-15 Mount Vernon introduces replica of Acts of Congress exquisite copy of history making volume unveiled for library opening It was a book that made history owned and treasured by the man whose ideas and values shaped the founding of a nation Purchased for 9 8 million by the Mount Vernon Ladies Association George Washington s personal copy of the Acts of Congress captured headlines around the globe in 2012 when it set a new auction record returning to the hands of the organization that safeguards his life and legacy This fascinating volume is now back home at Washington s Virginia estate and the Mount Vernon Ladies Association has designed a stunning reproduction a must have for history lovers who were captivated by the story of the book s remarkable rescue and return In his own personal copy of the Constitution included in the Acts George Washington carefully took note of the roles and responsibilities he would undertake as the first democratically elected leader of a republican government It was not an office he sought but one that he accepted bending to his country s voice with veneration and love He received the vote of all sixty nine electors making him the only unanimously elected president The precedents that Washington established as the leader of a new nation have endured for more than 225 years and so too has his personal copy of the document that served as his guide First published in September 1789 the original volume is in remarkable condition On the cover still shiny gilt letters spell out the title of the book s owner President of the United States while a decorative gold pattern adorns its spine The inside cover bears Washington s bookplate a personal touch that he reserved for his most cherished volumes and the title page bears his signature He brought the book back to his Mount Vernon estate upon retiring from the presidency in 1797 and it remained there until his death Since its purchase by the Mount Vernon Ladies Association tens of thousands of Washington admirers have viewed the Acts in temporary exhibitions at Mount Vernon and at all thirteen presidential libraries Marveling at the book s significance to the founding of the United States and at the insights it offers into the mind of its first leader they have expressed a desire to thumb through its fragile pages to read more of Washington s notes This new reproduction book will enable them to do so and to discuss and reflect upon the significance of the words with friends family students and colleagues To replicate the original volume in an authentic manner each component of the 106 page book is painstakingly

designed to match the original The pages are yellowed slightly to show the effects of passing centuries Ink smudges and flourishes mimic the imperfect printing processes of the 18th century The leather cover is aged to appear slightly worn and the variations in its gold accents mirror the ones found on Washington s volume The replica also copies line for line Washington s margin notes the penciled words and neat bracket drawings that point to the duties that he considered most important The book s release coincides with the opening of The Fred W Smith National Library for the Study of George Washington at Mount Vernon in fall 2013

**Acts of ... Philippine Legislature ...** Philippines,1926    General Public Acts of Congress United States,1838    *Internal Revenue Acts of the United States, 1909-1950* Bernard D. Reams (Jr.),1979
