any valley Even though you may not know how you got into the valley in the first place you do know deep inside yourself how to get through and out and free You just need a little faith in yourself and a little guidance to find that faith within yourself When you are at your wit s end take this little book and let it guide you toward the ever present but often elusive light at the end of the tunnel Faith in the Valley is designed to help you find the light when you need it most when you re in that damn tunnel When you re most confused and in the dark and clueless as to how you got there again and when you re trying to figure out not just how to get out but stay out For good Faith in the Valley has helped so many through so much that we felt it only fitting to issue this lovely gift edition to acknowledge the special place it holds in many hearts Please share it with a friend who has served as your beacon in the past or offer it to yourself as a reminder of the strength and wisdom you possess and can offer to others Iyanla **Acts of Faith 1997** Iyanla Vanzant,1996-08 **Every Day I Pray** Iyanla Vanzant,2001

SOUL JUST OPENED UP is a message of empowerment both for women and men encouraging us to tap into our strengths and make our dreams come true Through a forty day and forty night programme of exercises and readings Iyanla guides us through our daily obstacles towards greater emotional and spiritual health *Love Thy Self - Adult Version* Author Kharisma/DiSheka Miller,2011-12-01 Love Thy Self is a self help book addressing the self esteem and confidence of women specifically Women of Color and focusing on the great need for these women to celebrate self love and self preservation

Love Thy Self - Teen Version Author Kharisma/D.L. Miller,2009-12-01 Many readers who happen to pick up this book may ask why I would choose to write this with an already large array of other self help materials collecting dust on the bookshelves Well with my perusal of the bookstores and libraries I have found very few books written to address the self esteem of people of color and the great need for them to celebrate self love and self preservation The mission of this book is to allow African American Latin American and young people of color the opportunity to embrace their individuality above societal norms cultural expectations gender roles or any other forms of classism Though we all fit into specific groups according to race culture and class we people of color all collectively have something special which makes us uniquely beautiful One may also ask why I would target pre teens teens of color as opposed to speaking to all pre teens teens One good reason to mention is the fact that I am an African American woman who has enjoyed the journey of self discovery its twist and turns ups and downs and all of its ins and outs Despite all the obvious obstacles I have had as an African American woman I have learned to love who I am and achieve success with great pride Secondly I write to hopefully encourage and empower pre teens teens of color to love themselves from the depths of their souls to the surface of their mahogany honey brown or caramel skin As beautiful as we are collectively we have some serious issues with self esteem and confidence Thirdly I pray that this book will help young girls and boys to love who they are denying themselves for no one *Value in the Valley* Iyanla Vanzant,2002-05-23 The most powerful spiritual healer fixer teacher on the planet Oprah Winfrey Is it the job you hate but need in order to pay the rent Is it that relationship that you gave your all to only to end up with a broken heart again Perhaps it s your children a family member or a life long friend doing you in dragging you down pushing you to the brink If you are an honorary member of the Black Woman s Suffering Society you have probably been told that it s all your fault Or that struggling and suffering is your lot in life Iyanla Vanzant says No Life is an Act of Faith and suffering is optional Those everyday challenges obstacles and dilemmas are what Iyanla calls valleys As bad as they may seem there is a purpose or as Iyanla says There is so much value in the valley If you ve ever been disappointed betrayed rejected abandoned or just plain old scared to let go then you ve been or may still be in a valley Iyanla knows she s been there and on a bad day she s still there but now she shares the way out with you **The DEVIL'S ADVOCATE: A Spiritual Man's Case Against the LORD God** Dr. Alonzo Richard Fleming Jr.,2008-01-31 The Serpent Told the Truth But he is called the Devil And though LORD God admitted to the truth he still cursed all mankind plus GOD s creation Though he is the evil one he is worshipped

as a loving God And his children act out of his evil nature universally Dr Alonzo Fleming Jr presents a compelling case against LORD God He is willing to say what everyone is thinking For centuries man has resisted and quieted the voice inside his own head that asks the obvious questions How could God curse his own children and creation then call it love How could he tell everyone else to love their enemies yet he gladly kills his own How could he instruct us to bless and not curse yet he curses Why would God set his children up to die in the first place We challenge the reader to consider what we say in the light of the world s present condition Who is controlling the present world He that blessed or he that cursed Be instructed *The Big Book of Faith* Iyanla Vanzant,1997-11-01 Presents the complete texts of two collections of spiritual anecdotes and reflections for African Americans Acts of Faith and Faith in the Valley **Wisdom for the Soul of Black Folk** Roderick Terry,2007 Another book of quotations Indeed there are numerous excellent extant anthologies of quotations but these tend to be very broad with a bias toward classical and well known authors those works which document the contributions of Black authors have tended to focus on African Americans considerable as their output is Undeniable recognition of this prevalence is reflected in the title of the present volume which pays homage to W E B Du Bois classic work and in the preponderance of entries from American sources Nevertheless effort has been made to cast a wider net to capture under represented and unfamiliar voices Khemetic texts preserved in papyri and stelae are the earliest literature to have survived followed by the writings of North African Romans and Ethiopian philosophers and clerics and the lately recovered Timbuktu manuscripts from their repositories in the desert sands of Mali The Transatlantic slave experience gave rise to the slave narratives and abolitionist literature from both sides of the Atlantic which remained predominant right up to the 20th century Post Emancipation under colonial rule and white domination Black poetry and prose emerged adhering to prevailing standards evidenced typically in the work of Phillis Wheatley and the sonnets of Claude McKay With the Civil Rights and Black Power movements would come iconoclastic expressions of protest and identity There is a sizeable body of literature by Black authors from Africa and the diaspora who speak to universal values and eternal verities This anthology of their work focuses on the inner life on personal development and self actualization 3000 quotations have been selected to inspire enlightenand encourage they have been arranged in 200 psycho spiritual categories and in chronological order The resulting timeline of thought in itself is useful and instructive as it demonstrates very clearly the evolution of consciousness evident in the contemporary thinking on particular subjects Like its predecessor *Wisdom for the Soul Five Millennia of Prescriptions for Spiritual Healing* this volume contains a full biographical index and bibliographical references Much of the material is anthologized here for the first time Prime Time Marilyn Hughes Gaston,Gayle K. When Reality Hits Teresa A. Allen, 2011-02-24 When reality hits is a self strengthening and relationship guide for women who are just too in love to see past love and just need that push towards reality I cant express enough how we women can become our own enemy in how we are being treated in relationships Where are we going wrong I am sharing stories of how I have been caught up in relationships that gotten me nowhere and just felt the need to express my struggles advise and how it allowed me to become stronger I do not call myself a relationship specialist However I am a woman that has been hurt used and abused by men By the grace of God I have learned a lot along the way which have shaped my woman hood into the woman I am today I am not expressing my experiences to you all for anyone to judge me but more so to learn from my mistakes I decided to name this book When

reality hits because I have made the mistake of loving the wrong men I have allowed myself to become too vulnerable I put up with men bullshit out of loneliness and gave too much of myself when most did not even deserve what I had to offer At one point I started to notice I just could not become the women I needed to be because I was too focus on becoming the woman they needed me to be However when reality had finally hit thats when I became stronger I have written this book not to beat men down or have us women to power trip However to empower you all to start utilizing and committing to the strength God instilled in us and stop looking for love to be our every purposelove can see you through but strength will get you through

Women of Spirit Katherine Martin,2010-10-06 These stories reveal the way the world has always been made better by individuals who courageously follow their heart s inner wisdom At a moment in history when the tide of events seems determined by faceless governments and corporations we need these examples of individual action more than ever **Black Woman Redefined** Sophia Nelson,2012-11-20 It s time for a REDEFINITION among black women in America In its 2011 hardcover release *Black Woman Redefined* was a top selling book and took home a 2011 Best Non Fiction Book of the Year Award from the African American Literary Awards Author Sophia A Nelson won the 2012 Champions of Diversity Award given each year by diversity business executives in Fortune 100 companies *Black Woman Redefined* was inspired in part by what Nelson calls open season on accomplished black women from Don Imus s name calling of black female basketball players in 2007 and a 2009 Yale University study titled Marriage Eludes High Achieving Black Women to the more recent revelation that First Lady Michelle Obama is concerned about being painted as an angry black woman In *Black Woman Redefined* Nelson sets out to change this cultural perception taking readers on a no holds barred journey into the hearts and minds of accomplished black women to reveal truths tribulations and insights like never before This groundbreaking book provides black women of a new generation with essential career and life coaching advice Based on never before done research on college educated career driven black women Nelson offers her fellow sisters and those who know love and work with them a feel good volume for personal and professional success that empowers them without tearing others down
