[Space 1999 and Critical Theory](#) John K. Balor, 2017-11-11 The television series SPACE 1999 was in its first series shaped by the late sixties and early seventies counterculture movements making SPACE 1999 into an example of how certain SF scholars see a natural alignment between science fiction and critical theory

However due to changes in the political climate SPACE 1999 went through an ideological reversal in its second series As a result the schizophrenic nature of the series has ever since caused debate This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **Vibe**,2008 The Penguin Guide to Compact Discs and Dvds Yearbook 2004/5 Ivan March,Edward Greenfield,Paul Czajkowski,Robert Layton,2004 More than an essential companion to the complete Penguin Guide to Compact Discs 1999 the Yearbook 2000 1 reviews hundreds of brand new CDs and takes a closer look at some of the more unusual areas of the classical music repertoire Dug Down Deep Joshua Harris,2010-01-19 What will you build your life on With startling transparency Joshua Harris shares how we can rediscover the relevance and power of Christian truth This is book shows a young man who rose quickly to success in the Christian evangelical world before he realized his spirituality lacked a foundation it rested more on tradition and morality than on an informed knowledge of God For the indifferent or spiritually numb Harris s humorous and engaging reflections on Christian beliefs show that orthodoxy isn t just for scholars it is for anyone who longs to know the living Jesus Christ As Harris writes I ve come to learn that theology matters It matters not because we want to impress people but because what we know about God shapes the way we think and live Theology matters because if we get it wrong then our whole life will be wrong Whether you are just exploring Christianity or you are a veteran believer finding yourself overly familiar and cold hearted Dug Down Deep will help you rediscover the timeless truths of Scripture As Harris challenges you to root your faith and feelings about God in the person work and words of Jesus he answers questions such as What is God like and how does he speak to me What difference does it make that Jesus was both human and divine How does Jesus s death on the cross pay for my sins Who is the Holy Spirit and how does he work in my life With grace and wisdom Harris will inspire you to revel in the truth that has captured his own mind and heart He will ask you to dig deep into a faith so solid you can build your life on it He will point you to something to believe in again Lost Cosmonaut Daniel Kalder,2006-08-29 Daniel Kalder belongs to a unique group the anti tourists Sworn to uphold the mysterious tenets of The Shymkent Declarations the anti tourist seeks out the dark lost zones of our planet eschewing comfort embracing hunger and hallucinations and always traveling at the wrong time of year In Lost Cosmonaut Kalder visits locations that most of us don t even know exist Tatarstan Kalmykia Mari El and Udmurtia He loves these places because no one else does because everyone else passes them by A tale of adventure conversation boredom and observation occasionally enhanced by an overactive imagination Kalder reveals a world of hidden cities lost rites mail order brides machine guns mutants and cold cold emptiness In the desert wastelands of Kalmykia he stumbles upon New Vasyuki the only city in the world dedicated to chess In Mari El home to Europe s last pagan nation he meets the chief Druid and participates in an ancient rite while in the bleak industrial badlands of Udmurtia Kalder searches for Mikhail Kalashnikov inventor of the AK 47 and inadvertently becomes a TV star An unorthodox mix of extraordinary stories woven together with fascinating history
