**Michala Meiselles, Hugo Wharton**

## **Adams A Manual Of Style:**

A Manual of Style for Contract Drafting Kenneth A. Adams, 2004 The focus of this manual is not what provisions to include in a given contract but instead how to express those provisions in prose that is free of the problems that often afflict contracts     The Adams State College Manual of Style Adams State College. Institutional Studies Committee, 195?

**Uncommon Law of Learned Writing 2.0** Chinua Asuzu, 2023-09-10 As lawyers we must not in hot pursuit of common law outrun common sense The dread of that eventuality prompted this book Uncommon Law of Learned Writing 2.0 promotes common sense in legal language Plain language which is commonsensical broadens access to legal documents thus democratizing the law If democracy is government of the people by the people and for the people law is the language in which government interacts with the people it is the language of democracy The people whose government speaks through law must understand what is said No democratic society should brook legalese a dense verbose dialect known only to lawyers What then should society do to redress the lawyer induced obscurity A Shakespearean character had an alarming proposal The first thing we do let's kill all the lawyers Apparently that proposal was not enthusiastically endorsed which explains why we're still here A milder remedy enrolling lawyers in language classes has been mooted which explains why this book is in your hands Uncommon Law of Learned Writing 2.0 motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries This book is as sweeping and authoritative a treatment of its subject as you can find anywhere     Research Handbook on Contract Design Corrales Compagnucci, Marcelo, Haapio, Helena, Fenwick, Mark, 2022-05-03 Weaving together theoretical historical and legal approaches this book offers a fresh perspective on the modern revival of the concept of allegiance identifying and contextualising its evolving association with theories of citizenship     **The Best in Business Law 2007 Publications ,     Drafting Legal Documents in Plain English** Barbara J. Steadman, 2013     **Contract Drafting** Lenné Eidson Espenschied, 2010 Contract Drafting Powerful Prose in Transactional Practice presents an overview of the stages in the contract process and offers a comprehensive introduction to the substantive areas addressed in transactional documents In fourteen lessons readers will learn how to work from prior documents to produce effective and complete legal documents that protect the client's interests     **The Impact of Plain Language on Legal English in the United Kingdom** Christopher Williams, 2022-08-23 This volume offers insights into the ways in which plain language has influenced the language of the law in the United Kingdom critically reflecting on its historical development and future directions The book opens with an overview of the theoretical frameworks underpinning plain language and a brief history of plain language initiatives as a foundation from which to outline ongoing debates on the opportunities and challenges of using plain language in the legal domain The volume details strands where plain language has had considerable impact thus far on legal English in the UK notably in legislative drafting but it also explores areas in which plain language has made fewer inroads such as the language of court judgments and that of online terms and

conditions The book looks ahead to unpack highly topical areas within the plain language debate including the question of design and visualisation and the ramifications of digitalisation contributing to ongoing conversations on the importance of plain language both in the UK and beyond This book will be of particular interest to students and scholars interested in the intersection of language and the law as well as related disciplinary areas such as applied linguistics and English for Specific Purposes

*LEXICAL LUMINARY* Chinua Asuzu, 2025-07-16 This book is a bold incisive companion for the reader who loves language and wants to wield it with precision force and grace Drawing from the author's lifetime of lexical inquiry and legal practice this book blends erudition with clarity and instruction with delight The book invites you to sharpen your vocabulary appreciate the fine distinctions between deceptively similar words and discover the compelling and evocative origins of selected terms Along the way you will explore the meanings that matter not the obscure or ornamental but the vital and often misunderstood Written for lawyers law students writers judges teachers editors and anyone whose work or passion depends on the exact use of language *Lexical Luminary* champions clarity over confusion and precision over pretension It refuses encyclopedic overload and instead curates insight what you most need to know and why it matters

*International Licensing Agreements* Michala Meiselles, Hugo Wharton, 2018-10-02 Like any contract an international licensing agreement spells out the rights and obligations of the contracting parties manages potential risks and supplies a contingency plan for each party in the event the contractual relationship breaks down However international licensing of intellectual property software or technology confronts the contracting parties with its own distinct challenges When planning drafting and negotiating such agreements it is imperative to know exactly what core issues need to be addressed This book provides this know how in an easy to use clear and concise fashion This expert guide to the complex world of international licensing agreements brings together all the essential materials needed when dealing with such agreements and covers the following business models that may be used by the contracting parties standard provisions encountered in an array of international licensing agreements analysis of the key clauses in various international licensing agreements inter alia trademark software franchise and technology licences with provisions as affected by jurisdiction effect of competition law in a variety of jurisdictions ensuring trademark protection at both national and international levels clear explanation of key franchising terminology and disclosure rules and effect of international dispute resolution rules in a range of jurisdictions Alongside detailed contract analysis the book details numerous case studies from an array of industries with detailed commentary Practitioners operating within or representing medium to large firms who normally have to prepare or provide advice on international licence arrangements will quickly find this reference material indispensable The book's thorough analysis of this complex area will also be welcomed by professionals working for universities industry interest groups government departments and international organisations

**Handbook of Communication in the Legal Sphere** Jacqueline Visconti, 2018-09-24 This volume explores communication and its implications on interpretation vagueness multilingualism

and multiculturalism It investigates cross cultural perspectives with original methods models and arguments emphasizing national EU and international perspectives Both traditional fields of investigations along with an emerging new field Legal Visual Studies are discussed Communication addresses the necessity of an ongoing interaction between jurilinguists and legal professionals This interaction requires persuasive convincing and acceptable reasons in justifying transparency visual analyses and dialogue with the relevant audience The book is divided into five complementary sections Professional Legal Communication Legal Language in a Multilingual and Multicultural Context Legal Communication in the Courtroom Laws on Language and Language Rights and Visualizing Legal Communication The book shows the diversity in the understanding and practicing of legal communication and paves the way to an interdisciplinary and cross cultural operation in our common understanding of legal communication This book is suitable for advanced students in Linguistics and Law and for academics and researchers working in the field of Language and Law and jurilinguists *The American Catalog* ,1884
