Fanfare ,1995 Tracing Tangueros Kacey Link, Kristin Wendland, 2016-01-29 Tracing Tangueros offers an inside view of Argentine tango music in the context of the growth and development of the art form s instrumental and stylistic innovations Rather than perpetuating the glamorous worldwide conceptions that often only reflect the tango that left Argentina nearly 100 years ago authors Kacey Link and Kristin Wendland trace tango s historical and stylistic musical trajectory in Argentina beginning with the guardia nueva s crystallization of the genre in the 1920s moving through tango s Golden Age 1932 1955 and culminating with the Music of Buenos Aires today Through the transmission discussion examination and analysis of primary sources currently unavailable outside of Argentina including scores manuals of style archival audio video recordings and live video footage of performances and demonstrations Link and Wendland frame and define Argentine tango music as a distinct expression possessing its own musical legacy and characteristic musical elements Beginning by establishing a broad framework of the tango art form the book proceeds to move through twelve in depth profiles of representative tangueros tango musicians within the genre s historical and stylistic trajectory Through this focused examination of tangueros and their music Link and Wendland show how the dynamic Argentine tango grows from one tanguero linked to another and how the composition techniques and performance practices of each generation are informed by that of the past **Hilda Hurricane** Roberto Drummond, 2011-07-15 Eighteen year old Hilda known as the girl in the gold bikini when she swam at her country club in Belo Horizonte Brazil abruptly leaves the gilded life to take up residence in room 304 of the Hotel Marvelous as a prostitute There she becomes Hilda Hurricane an erotic force of nature no man can resist The exception is reporter narrator Roberto Drummond who attempts to unravel the mystery of why the girl in the gold bikini would forego a comfortable life to join the world s oldest profession While some in Belo Horizonte cheer Hilda s liberated lifestyle others seek to have her moved outside the city limits and a would be saint cannot seem to finish the

exorcism he began outside the Hotel Marvelous Set against the social and political upheaval of the 1960s Hilda's story seduces even as Drummond becomes aware of more ominous forces approaching Belo Horizonte Hilda Hurricane was both a critical and a commercial success in Brazil with more than 200 000 copies sold The DVD of the television adaptation has sold more than a million copies Admirers of Kurt Vonnegut will revel in Drummond's similarly sharp satire and playful digressions particularly about left wing politics which blur the boundary between fiction and autobiography Yet the real genius of the author's interventions may be that they never slow the story long enough to lose sight of this mysterious beauty swept up in the turmoil of the times *Schwann Opus Vol. 10* Becky Barnhart, 1999-12 The Gramophone Classical Catalogue, 1995
