George Melville Baker, 1876 **Quit Like a Woman** Holly Whitaker, 2019-12-31 NEW YORK TIMES BESTSELLER An unflinching examination of how our drinking culture hurts women and a gorgeous memoir of how one woman healed herself Glennon Doyle 1 New York Times bestselling author of Untamed You don't know how much you need this book or maybe you do Either way it will save your life Melissa Hartwig Urban Whole30 co founder and CEO The founder of the first female focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety We live in a world obsessed with drinking We drink at baby showers and work events brunch and book club graduations and funerals Yet no one ever questions alcohol's ubiquity in fact the only thing ever questioned is why someone doesn't drink It is a qualifier for belonging and if you don't imbibe you are considered an anomaly As a society we are obsessed with health and wellness yet we uphold alcohol as some kind of magic elixir though it is anything but When Holly Whitaker decided to seek help after one too many benders she embarked on a journey that led not only to her own sobriety but revealed the insidious role alcohol plays in our society and in the lives of women in particular What's more she could not ignore the ways that alcohol companies were targeting women just as the tobacco industry had successfully done generations before Fueled by her own emerging feminism she also realized that the predominant systems of recovery are archaic patriarchal and ineffective for the unique needs of women and other historically oppressed people who don't need to lose their egos and surrender to a male concept of God as the tenets of Alcoholics Anonymous state but

who need to cultivate a deeper understanding of their own identities and take control of their lives When Holly found an alternate way out of her own addiction she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking so that they might find their way as well Her resultant feminine centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction showing us what is possible when we remove alcohol and destroy our belief system around it Written in a relatable voice that is honest and witty *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication You will never look at drinking the same way again *Chasing Abby* Cassia Leo, 2014-09-29 The heart stopping conclusion to the New York Times and USA Today best selling *Shattered Hearts* series Five years six months eight days It's been eighteen years since Abigail was born with a hole in her heart Five years since she collapsed on the soccer field Five years six months eight days since she found out she was adopted Abby has spent five years wondering about the family she never knew and waiting for her eighteenth birthday When Abby shows up on the doorstep of Chris and Claire Knight her birth parents are overjoyed to see the little girl they lost eighteen years ago One summer is all they have to make up for the years they lost But when opposing ideals collide a summer of love soon turns into a summer of heartache *The Way We Rise* Cassia Leo, 2015-08-19 The highly anticipated conclusion to the USA Today bestselling *Story of Us* series With Liam's fate no longer in the balance Rory and Houston are poised on the precipice of a life altering decision When Rory's father arrives in California to comfort Rory and make amends Houston finds the decision becomes much easier to make When Houston suggests they take a break Rory thinks he must be joking But he's not And his timing couldn't be worse With Houston and Rory vowing to keep their new friendship strictly outside of the bedroom their friends and family seize the opportunity to draw out the torture and surprises Ensuring that Houston and Rory's story has an ending they'll never forget *King* Cassia Leo, 2019-03-22 She stole a suitcase full of cash and secrets from a king of the Las Vegas underworld Then she stole his heart It was too tempting to pass up A suitcase full of cash A new identity already burning a hole in my wallet So I did it I took the money and ran I had no idea the money belonged to a king of the Las Vegas underworld And I definitely wasn't prepared for what he would do to get it back I knew I shouldn't have let a drug addict ex grunt pick up that suitcase even if he was my best friend I should never have agreed to be the one to get the suitcase back Then I wouldn't have met Izzy Lake and fallen for her bad fake accent her beauty and her raw vulnerability If I don't get that suitcase back in eight days I'll be spending the rest of my life behind bars I need that suitcase But I need her more *Savage Love* Cassia Leo, 2021-05-25 Some secrets are too savage to be spoken When I walked into the bar across from the hospital all I wanted was a drink to help me forget the worst day of my life What I got was sexy mysterious Jake Maxwell and the most amazing one night stand of my life Months later we get a second chance when he seeks me out with an unconventional offer He'd like to take me and my dog for a walk My lazy dog could use the

exercise and I could use something to distract me from the pain of my sister's death Jake's bad puns gorgeous smile and protective nature turn out to be the perfect medicine for my injured soul But just like the day we met that one date turns into so much more And as Jake and I grow closer it becomes difficult to separate his pain from my own All I want is to share the burden of his secret But some secrets are too savage to be spoken Savage Love is a steamy angsty stand alone new adult romance about secrets and second chances from New York Times bestselling author Cassia Leo
