**Nandini Das, Tim Youngs**

## **Abdullah Gul And The Making Of The New Turkey:**

*Abdullah Gül and the Making of the New Turkey* Gerald MacLean, 2014-10-02 Drawing on original research including personal interviews with President Abdullah Gül as well as his wife and close circle of colleagues and friends this fascinating account offers readers a portrait of a man who has been at the heart of the political economic and cultural developments that have brought Turkey to international prominence in recent years In 2002 Abdullah Gül's democratically elected party gained power and challenged Turkey's republican and secular legacy and shortly after Gül led Turkey's attempts to receive an accession date for the European Union In 2007 he became the first president of Turkey with a background in Islamic politics causing political commentators to hail his victory as a new era in Turkish politics and he has ever since been a major figure in Turkey's diplomatic relationships in the Middle East and international political arena Gerald MacLean's absorbing biography of this significant politician throws light on important episodes of Turkey's recent history

**The Gülen Movement in Turkey** Caroline Tee, 2016-09-06 What is the Gulen Movement and why is Turkey's President Erdogan so convinced that the organisation and its charismatic leader were behind the failed military coup of 15th July 2016 The Gulen or Hizmet movement in Turkey was until recently the country's most powerful and affluent religious organisation At its head is the exiled Muslim preacher Fethullah Gulen who leads from a gated compound in the Pocono Mountains of the USA The movement's central tenet is that Muslims should engage positively with modernity especially through mastering the sciences At hundreds of Gulen run schools and universities not only in Turkey but also worldwide and particularly in the United States instructors have cultivated the next generation of Muslim bankers biologists software engineers and entrepreneurs In this groundbreaking study Caroline Tee an expert on the Gulen Movement analyses the complex attitudes of Gulen and his followers towards secular modernity Considered against the backdrop of Turkish politics Gulenist engagement with modern science is revealed as a key source of the influence the movement has exerted

**Turkey and the West** Kemal Kirisci, 2017-12-12 Turkey A necessary ally in a troubled region With the new administration in office it is not clear whether the U S will continue to lead and sustain a global liberal order that was already confronted by daunting challenges These range from a fragile European Union rocked by the United Kingdom's exit and rising populism to a cold war like rivalry with Russia and instability in the Middle East A long standing member of NATO Turkey stands as a front line state in the midst of many of these challenges Yet Turkey is failing to play a more constructive role in supporting this order beyond caring for nearly 3 million refugees mostly coming from the fighting in Syria and its current leadership is in frequent disagreement with its Western allies This tension has been compounded by a failed Turkish foreign policy that aspired to establish its own alternative regional order in the Middle East As a result many in the West now question whether Turkey functions as a dependable ally for the United States and other NATO members Kemal Kirisci's new book argues that despite these problems the domestic and regional realities are now edging Turkey toward improving its relations with the West A better

understanding of these developments will be critical in devising a new and realistic U S strategy toward a transformed Turkey and its neighborhood Western policymakers must keep in mind three on the ground realities that might help improve the relationship with Turkey First Turkey remains deeply integrated within the transatlantic community a fact that once imbued it with prestige in its neighborhood It is this prestige that the recent trajectory of Turkish domestic politics and foreign policy has squandered for it to be regained Turkey needs to rebuild cooperation with the West The second reality is that chaos in the neighborhood has resulted in the loss of lucrative markets for Turkish exports which in return increases the value to Turkey of Western markets Third Turkish national security is threatened by developments in Syria and an increasingly assertive Russia enhancing the strategic value of Turkey s troubled alliance with the West The big question however is whether rising authoritarianism in Turkey and the government s anti Western rhetoric will cease and Turkey s democracy restored before the current fault lines can be overcome and constructive re engagement between the two sides can occur In light of these realities this book discusses the challenges and opportunities for the new U S administration as well as the EU of re engaging with a sometimes troublesome yet long time ally

*Turkey and the Politics of National Identity* Shane Brennan, Marc Herzog, 2014-09-19 In the first decade of the twenty first century Turkey experienced an extraordinary set of transformations In 2001 in the midst of financial difficulties the country was under IMF stewardship yet it has recently emerged as one of the fastest growing economies in the world And on the international stage Turkey has managed to enhance its position from being a backseat NATO member and outside candidate for EU membership to being an influential regional power determining and developing its own individual foreign policy Shane Brennan and Marc Herzog explore how these and other changes have shaped the way people in Turkey perceive themselves and how the country s self image shapes its actions In the modern age the sovereign nation state still continues to be one of the basic building blocks of social or political identity The Turkish Republic founded in 1923 is a good example In weaving together and selecting certain elements of memory myth tradition and symbols the narratives of national identity in Turkey have been to a large extent socially constructed This volume offers analysis of the ways in which these narratives have been created maintained and negotiated and how current economic and political interests have been incorporated into the construction of a modern identity External forces such as those of cultural and economic globalisation have also been influential agents in this process As a result the space and opportunity for social and cultural expression has increasingly widened while alternative identities and life style choices at both the collective and individual levels have also become more visible Bearing this in mind this book examines issues such as those of alternative gender identity and sexual orientation formerly taboo issues Through different approaches engaging with politics economy society culture and history *Turkey and the Politics of National Identity* offers new perspectives on the transformation of national identity in this increasingly influential country in the Middle East

*The New Sultan* Soner Cagaptay, 2017-04-30 In a world of rising tensions between Russia and the United States the Middle East and

Europe Sunnis and Shiites Islamism and liberalism Turkey is at the epicentre And at the heart of Turkey is its right wing populist president Recep Tayyip Erdoğan Since 2002 Erdoğan has consolidated his hold on domestic politics while using military and diplomatic means to solidify Turkey as a regional power His crackdown has been brutal and consistent scores of journalists arrested academics officially banned from leaving the country university deans fired and many of the highest ranking military officers arrested In some senses the nefarious and failed 2016 coup has given Erdoğan the licence to make good on his repeated promise to bring order and stability under a strongman Here leading Turkish expert Soner Cagaptay will look at Erdoğan's roots in Turkish history what he believes in and how he has cemented his rule as well as what this means for the world The book will also unpick the threats Erdoğan has worked to combat from the liberal Turks to the Gulen movement from coup plotters to Kurdish nationalists all of which have culminated in the crisis of modern Turkey *Regime Change in Contemporary Turkey* Necati Polat, 2016-10-27 Turkey has undergone a series of upheavals in its political regime from the mid 19th century This book details the most recent change locating it in its broader historical setting Beginning with the Justice and Development Party's rule from late 2002 supported by a broad informal coalition that included liberals the book shows how the former Islamists gradually acquired full power between 2007 and 2011 It then describes the subsequent phase looking at politics and rights under the amorphous new order This is the first scholarly yet accessible assessment of this historic change placing it in the larger context of political modernisation in the country over the past 150 years *Historical Dictionary of Turkey* Metin Heper, Duygu Öztürk, Nur Bilge Criss, 2018-05-23 The fourth edition of *Historical Dictionary of Turkey* covers Ottoman Empire and the Republic of Turkey through a time span of more than six centuries It presents the basic characteristics of the two periods and traces the developments from an empire to a state nation from tradition to modernity from a sultanate to a republic and from modest country to a country that is already a regional power and further aspiring becoming a country to be reckoned with This is done through a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Turkey *The New Turkey and Its Discontents* Simon A. Waldman, Emre Caliskan, 2017 Assesses social religious and political polarisation under the AKP of Recep Erdoğan and the likely consequences for Turkey's evolution **The Cambridge History of Travel Writing** Nandini Das, Tim Youngs, 2019-01-24 Bringing together original contributions from scholars across the world this volume traces the history of travel writing from antiquity to the Internet age It examines travel texts of several national or linguistic traditions introducing readers to the global contexts of the genre From wilderness to the urban from Nigeria to the polar regions from mountains to rivers and the desert this book explores some of the key places and physical features represented in travel writing Chapters also consider the employment in travel writing of the diary the letter visual images maps and poetry as well

as the relationship of travel writing to fiction science translation and tourism Gender based and ecocritical approaches are among those surveyed Together the thirty seven chapters here underline the richness and complexity of this genre

**Reenactment Case Studies** Vanessa Agnew,Juliane Tomann,Sabine Stach,2022-12-16 Reenactment Case Studies Global Perspectives on Experiential History examines reenactment s challenge to traditional modes of understanding the past asking how experience based historical knowledge making relates to memory making and politics Reenactment is a global phenomenon that ncompasses living history historical reality television performance art theater historically informed music performance experimental archeology pilgrimage battle reenactment live action role play and other forms These share a concern with simulating the past via authenticity embodiment affect the performative and subjective As such reenactment constitutes a global form of popular historical knowledge making representation and commemoration Yet in terms of its historical subject matter styles and subcultures reenactment is often nationally or locally inflected he book thus asks how domestic reenactment practices relate to global ones as well as to the spread of new populisms and postcolonial and decolonizing movements he book is the first to address these questions through reenactment case studies drawn from various world regions Forming a companion volume to the Reenactment Studies Handbook Key Terms in the Field 2020 Reenactment Case Studies s aimed at a wide academic readership especially in the fields of istory film studies memory studies performance studies museum and heritage studies cultural and literary studies and anthropology *Turkish Foreign Policy* Zenonas Tziarras,2022-01-27 In the context of rapid developments in Turkey and its broader geopolitical environment over the past decade this book examines and conceptualises Turkey s changing foreign policy towards a more assertive and revisionist paradigm More specifically it details the rhetorical and practical political content of what is termed Lausanne Syndrome namely Turkey s efforts in recent years under the AKP government to revise the geopolitical status quo brought about by the Treaty of Lausanne 1923 in its broader neighbourhood By employing a Neoclassical Realist theoretical framework and paying particular attention to ideational factors the book argues that contrary to the more widely known S vres Syndrome which predicts a more cautious brand of Turkish foreign policy the Lausanne Syndrome is associated with a different political ideological current and predicts a more revisionist type of foreign policy behaviour even though it has emerged out of the same historical circumstances and been triggered by the same external geopolitical factors The impact of the Lausanne Syndrome on Turkey s foreign policy behaviour is subsequently tested in four case studies from the Eastern Mediterranean and the Middle East Cyprus Libya Syria and Iraq *New Turkey and the Far Right* Selim Koru,2025-02-20 Turkey is among a league of revisionist powers who are challenging the world order Erdogan and his Islamist movement have aimed to create the New Turkey preparing for a future that is less dependent on Western treaty allies and with an alliance structure of its own This book is about the political ideas driving Turkey s regime change and foreign policy It de exceptionalizes Turkish politics arguing that the New Turkey is part of a global trend of far right nationalist movements like

that of Donald Trump in the United States or Narendra Modi in India In particular the book reveals how far right nationalist strands in Turkey have been nurtured by an existential resentment of the West similar to those we are seeing in Russia In tracing this resentment and its historical roots the book invites policymakers and experts to better understand the new relationships Turkey is building with fellow revisionists including China and Russia as well as Turkey's involvement in the wars in Syria and Ukraine and Erdogan's grand strategy for expansion The book is based on interviews with senior politicians and civil servants from across the country's political spectrum It also benefits from the author's personal knowledge of Turkey's far right and Islamist traditions

**Nostalgia for the Empire** M. Hakan Yavuz, 2020-07-23 Making a country great again is a theme for nationalist authoritarians Across countries with past experience as great powers nationalist politicians typically harken back to a golden age In *Nostalgia for Empire* Hakan Yavuz focuses on how this trend is playing out in Turkey a nation that lost its empire a century ago and which is now ruled by a nationalist authoritarian who invokes nostalgia for the Ottoman era to buttress his power Yavuz delves into the social and political origins of expressions of nostalgia for the Ottoman Empire among various groups in Turkey Exploring why and how certain segments of Turkish society has selectively brought the Ottoman Empire back into public consciousness Yavuz traces how memory of the Ottoman period has changed He draws from Turkish literature mainstream history books and other cultural products from the 1940s to the twenty first century to illustrate the transformation He finds that two key aspects of Turkish literature are on the one hand its criticism of the Jacobin modernization of Turkey under Ataturk and on the other a desire to search the Ottoman past for an alternative political language Yavuz goes on to explain how major political actors including President Erdogan utilize the concept of empire to craft distinctive conceptualizations of nationalism Islam and Ottomanism that exploit national nostalgia As remembered today the Ottoman past seems to be grounded in contemporary conservative Islamic values The combination of these memories and values generates a portrait of Turkey as a victim of major powers besieged by imagined enemies both internal and external In mapping out how nostalgia is crafted and spread this book not only sheds light on Turkey's unique case but also deepens our understanding of nationalism religion and modernity

*The Closed Circle* Lorenzo Vidino, 2020-03-31 The Muslim Brotherhood in the West remains a mysterious entity In *The Closed Circle* Lorenzo Vidino offers an unprecedented inside view into how one of the world's most influential Islamist groups operates He marshals unique interviews with prominent former members and associates from Europe the United Kingdom and North America shedding light on why and how people join and leave Western outfits of the Muslim Brotherhood Drawing on these striking personal accounts Vidino weaves together the experiences of individuals who participated in and later renounced Brotherhood groups Their perspectives provide a wealth of new information about the Brotherhood's secretive inner workings and the networks that connecting the small yet highly organized cluster of Brotherhood influenced groups *The Closed Circle* examines the tactics the Brotherhood uses to recruit and retain participants as well as how and why individuals

make the difficult decision to leave Through the stories of diverse former members Vidino paints a portrait of a highly structured tight knit movement His unprecedented access and understanding of the group s activities and motivations has significant policy implications concerning Western Brotherhood organizations and also illuminates the underlying mechanisms found in a range of extremist groups

*EU Influence Beyond Conditionality* Mario Zucconi,2019-09-03 This book presents an in depth analysis of the role played by the EU accession process in Turkey s democratic evolution and in the empowerment of the Justice and Development Party AKP in the early 2000s Often moving against the grain of consolidated analytical positions the author finds that the accession process can have a critical impact on the political evolution and institutional setting of an aspiring member state that goes well beyond the simple Europeanization process or EU accession conditionality In the case of Turkey that process created the essential conditions and environment for the country s political modernization by helping the emergence of a periphery including Kurds conservative Muslims and non Muslims that secularism had pushed into a marginal secondary status in Turkish society Turkey s gradual evolution in an authoritarian direction following the stalling of the EU accession process offers further proof of the decisive role that the EU accession can play in a country s democratic advancement The book additionally indicates how Turkey s EU driven democratic evolution for a number of years had important implications in terms of regional and global order

*Harmonizing Foreign Policy* Mesut Özcan,2016-12-05 The change in Turkish foreign policy towards the Middle East in the post Cold War era is a highly debated issue with most experts believing that Europeanization has become the driving force behind this change This book takes the cases of Iraq and the Palestinian Israeli conflict as two important illustrations Both cases present dynamic issues of conflict in the region and are high on Turkey s agenda in terms of its policies towards the region Focusing on issues related to EU integration the study examines the formation of a common foreign policy in general and a common policy towards the Middle East in particular It also investigates decision making in Turkish foreign policy and foreign policy towards the Middle East before and after EU candidature As such it provides valuable insights into how parties interact with each other and the way in which foreign policies can be harmonized

**Islamization of Turkey under the AKP Rule** Birol Yesilada,Barry Rubin,2013-09-13 This book examines the decade in office of the Justice and Development Party AKP and its efforts to transform the Turkish republic toward a more Islamist oriented system If it succeeds Turkey s dramatic shift will be the most important change in the Middle East power balance since the 1979 Iranian revolution and will have equally devastating effects on Western interests For more than 80 years Turkey has been ruled by the secular democratic structures created by Kemal Ataturk Now however the rise of the Justice and Development Party AKP and its series of electoral victories are creating a new system Whilst portraying itself as a centre right reform party the AKP has been accused of having an Islamist agenda After almost a decade in power there is serious evidence that this claim is true At home the AKP has been changing basic Turkish attitudes and institutions from buying up a large portion of the country s media to revising its laws and even

taking the lead in the writing of a new constitution Internationally Turkey has moved away from the West and Israel toward Iran and radical Islamist groups While its intentions and ability to fulfil them are still unclear the AKP has been leading the most important transformation of Turkey since the formation of the republic after World War I This book systematically examines the AKP s ideology support base actions in office and goals This book was published as a special issue of the Turkish Studies **Turkey between Nationalism and Globalization** Riva Kastoryano,2013-02-11 Turkish society has been going through institutional and ideological change that has affected its social cultural and political practices This book examines these contemporary tensions which have led to a re appraisal of Turkey as a nation and Turkish nationalism as it tries to situate itself as a regional and global power Analysing the internal and external dynamics of Turkey and the role played by nationalism this book considers how the understanding of the nation and nationalism has changed since the creation of the Republic of Turkey and how it has now become central to its desire to become a global power Despite on going negotiations about entry into the EU an ambition for Turkey to be a regional power feeds nationalist feeling that contradicts institutional discursive and cultural changes Presenting interdisciplinary perspectives from experts in history sociology political sciences and economics the contributors offer new perspectives on contemporary Turkey and its future Turkey between Nationalism and Globalization will be of interest to students and scholars of Turkish studies globalization studies nationalism studies Middle Eastern and Mediterranean studies international relations political science and sociology Political Islam in Turkey ,2007 *The Report: Turkey 2009* Oxford Business Group,2009

### **Abdullah Gul And The Making Of The New Turkey Introduction**

Abdullah Gul And The Making Of The New Turkey Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Abdullah Gul And The Making Of The New Turkey Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Abdullah Gul And The Making Of The New Turkey : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Abdullah Gul And The Making Of The New Turkey : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Abdullah Gul And The Making Of The New Turkey Offers a diverse range of free eBooks across various genres. Abdullah Gul And The Making Of The New Turkey Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Abdullah Gul And The Making Of The New Turkey Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Abdullah Gul And The Making Of The New Turkey, especially related to Abdullah Gul And The Making Of The New Turkey, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Abdullah Gul And The Making Of The New Turkey, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Abdullah Gul And The Making Of The New Turkey books or magazines might include. Look for these in online stores or libraries. Remember that while Abdullah Gul And The Making Of The New Turkey, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Abdullah Gul And The Making Of The New Turkey eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Abdullah Gul And The Making Of The New Turkey full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Abdullah Gul And The Making Of The New Turkey eBooks, including some popular titles.

## **FAQs About Abdullah Gul And The Making Of The New Turkey Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Abdullah Gul And The Making Of The New Turkey is one of the best book in our library for free trial. We provide copy of Abdullah Gul And The Making Of The New Turkey in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Abdullah Gul And The Making Of The New Turkey. Where to download Abdullah Gul And The Making Of The New Turkey online for free? Are you looking for Abdullah Gul And The Making Of The New Turkey PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Abdullah Gul And The Making Of The New Turkey. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Abdullah Gul And The Making Of The New Turkey are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Abdullah Gul And The Making Of The New Turkey. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Abdullah Gul And The Making Of The New Turkey To get started finding Abdullah Gul And The Making Of The New Turkey, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of

different products represented. You will also see that there are specific sites catered to different categories or niches related with Abdullah Gul And The Making Of The New Turkey So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Abdullah Gul And The Making Of The New Turkey. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Abdullah Gul And The Making Of The New Turkey, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Abdullah Gul And The Making Of The New Turkey is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Abdullah Gul And The Making Of The New Turkey is universally compatible with any devices to read.
