Farris, 2014-08-01 Whether glamorised or stigmatised teenage parenthood is all too often used to stand for a host of social problems and empirical research results ignored Identifying core controversies surrounding teen pregnancy and parenting this book resolves misperceptions using findings from large scale longitudinal and qualitative research studies from the US and other Western countries Summarising the evidence and integrating it with a systems perspective the authors explore ten prevalent myths about teenage parents including Teen pregnancy is associated with other behavior problems Children of teen parents will experience cognitive delay adjustment problems and will themselves become teen parents Better outcomes are achieved when teen mothers live with their own mothers Teen pregnancy costs tax payers lots of money Abstinence education is the best way to prevent teen pregnancy Teen Pregnancy and Parenting ends by highlighting the prevention and intervention implications for families practitioners and policymakers It will be of interest to academics and advanced students from a range of disciplines and professions including psychology public policy nursing social work and sociology

**Evaluation Management in South Africa and Africa** Fanie Cloete, 2014-12-01 This blind peer reviewed book systematically records analyses and assesses for the first time in a single volume the implications of the global development and management of professional evaluation for the African continent The book deals with the most strategic contemporary evaluation themes Each of these themes contains discussions of theoretical issues illustrated with one or more short case studies while selected longer case studies and other relevant documentation are also taken up in annexures at the end of the book The book therefore comprises a guide to best M E practices for purposes of systematic policy programme and project evaluations It is suitable for both professional M E institutionalisation and capacity building projects as well as for evaluation information dissemination and education at different levels in the public private and voluntary sectors in society especially in a developmental context

Research Handbook on Shareholder Inspection Rights Randall S. Thomas, Paolo Giudici, Umakanth Varottil, 2023-05-09 Shareholder inspection rights form an important tool for shareholder protection They offer shareholders seeking information private access to specific books and records of the company that are otherwise not publicly available While there has been a discourse on the topic in some jurisdictions such as Delaware USA it has not received scholarly treatment at an international level This Research Handbook seeks to alter that and signifies the first endeavor to engage in a comprehensive and comparative analysis of shareholder inspection

*Smithsonian: Spaceflight, 2nd Edition* Giles Sparrow, 2019-04-02 This compelling story of exploration charts and celebrates humankind in space from Sputnik s launch in 1957 through the Apollo Moon landings and the International Space Station to future missions to Mars and beyond Spaceflight chronicles how in the half century that followed Sputnik the world was revolutionized by space travel and exploration The opening up of Earth s orbit to satellites led to a revolution in communications monitoring of the environment and materials science For the human

imagination the impact has been even greater the voyages of robotic space probes have transformed our view of the Solar System while Earth orbiting satellites and missions to the Moon have forever changed our view of ourselves This book is a celebration of human ingenuity and imagination From the work of pioneers like Wernher von Braun Yuri Gagarin and Neil Armstrong to the triumphs and tragedies that followed it reveals the people science and technology that have propelled us into the Space Age Canadian Journal of Forest Research ,2013

**Public Participation in Health Care: Exploring the Co-Production of Knowledge** Gill Green,Annette Louise Boaz,Maria Clasina Stuttford,2020-01-28 **Dealing with Bioethical Issues in a Globalized World** Joris Gielen,2020-01-09 This book addresses the complexity of talking about normativity in bioethics within the context of contemporary multicultural and multi religious society It offers original contributions by specialists in bioethics exploring new ways of understanding normativity in bioethics In bioethical publications and debates the concept of normativity is often used without consideration of the difficulties surrounding it whereas there are many competing claims for normativity within bioethics Examples of such competing normative bioethical discourses can be perceived in variations and differences in bioethical arguments within individual religions and the opposition between bioethical arguments from specific religions and arguments from bioethicists who do not claim religious allegiance We also cannot merely assume that a Western understanding of normative bioethics will be unproblematic in bioethics in non Western cultures and religions Through an analysis of normativity in Christian Hindu Buddhist Islamic and Jewish bioethics the book creates awareness of the complexity of normativity in bioethics The book also covers normative bioethics outside an explicitly religiously committed context and specific attention is paid to bioethics as an interdisciplinary endeavor It reveals how normativity relates to empirical and global bioethics which challenges it faces in bioethics in secular pluralistic society and how to overcome these By doing that this book fills an important gap in bioethics literature

Evaluating Interreligious Peacebuilding and Dialogue Mohammed Abu-Nimer,Renáta Katalin Nelson,2021-09-20 In the emerging fields of religious and interreligious peacebuilding the question of monitoring and evaluation is a challenging yet necessary process The need to develop comprehensive yet fitting evaluation models for religious and interreligious peacebuilding is not only important for donor interests but also critical as a means of documenting and learning for peacebuilders themselves Theories and best practices in monitoring and evaluation have become prevalent in many fields yet the amount of literature on evaluating intercultural and especially religious and interreligious projects remains scant in comparison This volume offers a unique contribution that not only looks at several of the challenges and implications faced by religious and interreligious peacebuilders but also provides concrete examples of new models and tools for monitoring and evaluating religious and interreligious peacebuilding projects In doing so this volume serves as a tool and point of reference for individuals and organizations developing and implementing interreligious dialogue and peacebuilding projects

**Psychology** Daniel L. Schacter,Daniel T. Gilbert,Daniel M. Wegner,2014-01-02 Students rarely look at a psychology

textbook after leaving college but they will continue to encounter psychology throughout their lives With that in mind renowned authors and researchers Schacter Gilbert Wegner and now Matthew Nock introduce students to today s research with a focus on the critical thinking skills that will stay with them beyond the course term Quirky examples of thinking gone awry and scenarios based on common psychological misconceptions are just some of the tools the authors use to get students to question what they think they know about psychological science
