Introduction

Abraham Lincoln was born on February 12 1809 in a log cabin near Hodgenville, Kentucky. His father Thomas Lincoln was a carpenter and a farmer and his mother was Nancy Hanks who died shortly after giving birth to his sister Sarah¹. He was brought up in Indiana and Illinois. He was born in a very humble family that struggled to survive. Owing to the poverty that bestowed his family, Lincoln did not get any formal education and he put a lot of effort and struggled to educate himself while working on a farm, splitting rails of fences and attended a store at Illinois. He was very sincere and his character won him a lot of respect that led to his appointment as the captain of a volunteer company that gathered for the Black Hawk war in 1832. His sincerer character earned him the nickname, "Honest Abe."² In 1836 he qualified as a lawyer and started practicing in Springfield, Illinois. He worked with the legislature until 1842. In 1846, he ran for the United States House of Representatives and he was elected to the congress to represent the Whig party for a term. He became very famous because of his opposition to the US-Mexican war that occurred between 1846 and 1848 following the Mexican objection of Texas becoming a US state. This war was the first foreign war in the United States and the soldiers from all the states took part. He spoke against the war and stated that God had forgotten to defend the weak and the innocent and permitted the strong band of murderers and demons from hell to kill men, women and children and lay waste and pillage the land of the unjust³. This particular speech destroyed his political career and he decided not to re-run for the post since people could not easily forget his words. Lincoln saw the war as an extension of slavery and therefore he was very disappointed with politics and decided to uphold his career in law.

Lincoln against slavery

In 1854, the Kansas-Nebraska Act that allowed people to decide whether they wanted slavery to continue was passed. Stephen A. Douglas proposed a popular sovereignty as the solution to the slavery by incorporating the act⁴. He supported the
