Fiser, 2012-03-28 Now in its Third Edition The ABSITE Review is one of the most popular study guides for the American Board of Surgery In Training Examination ABSITE which residents in general surgery must take each year and residents going into surgical subspecialties must take during the year of their general surgery training This easy to use book presents concise digestible chunks of information in lists and outlines that facilitate quick memorization Every component of the exam is covered basic science and clinical knowledge in all areas tested This edition incorporates common decision making algorithms and covers the material that has appeared in the most recent exams **The Comprehensive Absite Review**

Steven M. Fiser, 2009 The Comprehensive ABSITE Review is arguably the best single review source for the ABSITE This review is completely updated with detailed information reflecting recent exams *The Practice Absite Question Book*

Steven Mark Fiser, 2006-07 From the author of The ABSITE Review Contains over 500 essential practice questions for the ABSITE Exam Detailed explanations for each answer Covers all major topic areas *The Senior ABSITE Review* Steven M. Fiser, 2006-07 From the author of The ABSITE Review Expands on clinically oriented information and introduces new topics in preparation for the Senior ABSITE Exam Similar format as The ABSITE Review *The ABSITE Review* Steven

Fiser, 2016-06-20 The first outline style ABSITE review book and still the best For years general surgery residents have relied on The ABSITE Review for a comprehensive memory prompting approach to exam preparation The Fifth Edition continues to use a streamlined outline and list format to effectively prepare you for certification or recertification with the American Board of Surgery In Training Examination The proven time saving format allows you to spend more time studying important facts and less time searching for them Thoroughly revised comprehensive content ensures that you'll be up to date on every topic found on the exam from basic science to clinical knowledge in general surgery as well as surgical subspecialties

General Surgery Residency Survival Guide Asanthi Ratnasekera, Marc Neff, Kahyun Yoon-Flannery, Alec Beekley, 2023-03-27 There are over 250 surgical residencies in the United States Most residents experience some degree of

shock once they start on the very first day and the demands of residency are high The current overall dropout rate is 16% and there is evidence for higher burnout rates suicide rates addiction rates and divorce rates among all surgeons compared to other careers There is therefore a critical need for the education of resiliency during surgical residency and guidance on surviving this challenging portion of their career Unfortunately the experiences of trial and error are the basis for survival and resiliency training is often overlooked as part of the traditional surgical training This practical guide is founded on many conversations with struggling general surgery residents and will have wide appeal utilizing these experiences via interviews with current residents at different residency programs and covering an even wider variety of topics with variable experiences based on differing ages races sexes and marital statuses Each chapter begins with a topic and a brief introduction expansion on the topic based on their unique experiences and then a concluding list of pearls to remember and use in daily residency The topics are broken down thematically into five main sections covering the breadth of residency experience and work life balance academics clinical duties life outside of work leadership and ethics and basic survival skills and self care Written by current residents for current residents General Surgery Residency Survival Guide will be a valuable resource for everyone navigating this challenging portion of their medical career

The Absite Review Steven M. Fiser, 2012-01-01 Containing material repeatedly found on the ABSITE in addition to subjects from recent exams this edition is set up for a quick and easy review of the high yield information found on site

The Absite Review: Practice Questions, Second Edition Steven M. Fiser, 2015-05-05 The ABSITE Review Practice Questions Second Edition includes over 1100 essential questions covering material found on the ABSITE This book focuses on all aspects of general surgery and current standard of care recommendations Topics covered include new recommendations for morbid obesity surgery breast cancer management hemostatic resuscitation management of anti platelet and anticoagulation agents damage control surgery surgery in pregnancy angiography in trauma and other pertinent issues Chapters on basic science and surgical subspecialties are also included All aspects of general surgery are covered and this book can be used as a sole resource for the exam

The Absite Review Steven Mark Fiser, 2011-04-01 The ABSITE Review Practice Questions provides a comprehensive review for the ABSITE exam This book covers the same subject material as the ABSITE in a question based format It is excellent for testing your knowledge base as well as introducing new material found on the ABSITE

Absite Review Fiser: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Absite Review Fiser : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Absite Review Fiser : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
