Day and Night Jeffrey Strickland,2017-04-09 I have been behind enemy lines Once in a city in the middle of East Germany
Berlin was divided by a wall that to cross meant certain death Now it is one thing to be behind enemy lines but to live there is
another matter Working behind enemy lines at least brings the hope of returning to friendly territory or overcoming the
enemy completely But the world we live in even in America we are smack dead center of enemy territory and the enemy isn't
going anywhere at least not until the Lord comes back and kicks Lucifer's tail That's right when your Christian children are
at home school daycare or VBS they are in enemy territory belonging to Lucifer But Israel was in the same boat especially
after Nehemiah returned to rebuild the destroyed vulnerable city of Jerusalem And they all plotted together to come and fight
against Jerusalem and to cause confusion in it And we prayed to our God and set a guard as a protection against them day
