[Grades K-3](#) Cindy S. Hansen, 1991 **Parent/Teacher Handbooks** Dr Edward Buchanan, Edward A. Buchanan, 2005 Growing out of a conviction that we need to provide older children with a greater understanding of their Christian heritage and the Bible Dr Edward Buchanan has authored two resources that are both educational and biblically sound Parent Teacher Handbook Teaching Older Children Everything They Need to Know About the Bible volume 3 uses a chronological Bible story approach giving leaders and teachers the core content and information needed to teach children about the Bible Parent Teacher Handbook Teaching Older Children Everything They Need to Know About Their Christian Heritage volume 4 covers the basics of our Christian heritage and faith including Jewish traditions missions hymnody art science and ethics

**Working Mother** , 2001-09 The magazine that helps career moms balance their personal and professional lives

*Project Self-Esteem* Wendy Cullum, 2014-05-01 Shyness bullying and depression can be a sad part of every child's school experience. Each of these problems can be traced back to a single source: a lack of self-esteem. In my many years of working with children, I have found that the key to helping our kids succeed in life is building up their self-esteem at an early age. In this book are valuable life lessons that have been tried and tested for more than fifteen years by myself and other parents and teachers in their homes and classrooms. The subjects that are taught range from courage to forgiveness. The lessons are fun and uplifting and have profound effects on children and their self-esteem. When children feel they have value, they are happier and do better in school and in life. I taught the lesson for PSE on Joy. Thank you so much for such a great lesson. I went to teach it to the kids at their level and left the classroom so encouraged and full of joy because I couldn't help but to understand the topic. The kids enjoyed all the activities and we had such a fun time. Again, thank you so much for all the work you do to put this program together. It doesn't just impact the children; it was an amazing and timely reminder for me today. Cristina Sands, stay-at-home mom. PSE is a wonderful program at our school. The valuable lessons and discussion points are age appropriate and engaging. We appreciate how they are grade specific. Our students, teachers, and volunteers look forward to the activities and relatable topics each month. Marlo Guerra, PTA member and grounds supervisor.

*What Do You Stand For? For Teens* Barbara A. Lewis, 2005-11-15 Young people need guidance from caring adults to build strong positive character traits, but they can also build their own. This book by the best-selling author of *The Kid's Guide to Social Action* invites children and teens to explore and practice honesty, kindness, empathy, integrity, tolerance, patience, respect, and more. Quotations and background information set the stage. Dilemmas challenge readers to think about, discuss, and debate positive traits. Activities invite them to explore what they stand for at school, at home, and in their communities. True stories profile real kids who exemplify positive traits. Resources point the way toward character-building books, organizations, programs, and Web sites.

*Soft Skills for Kids* Nancy Armstrong Melser, 2022-05-11 Children today are going through a lot; they are busy with school, involved in extracurricular activities, and trying to navigate the world of COVID and other concerns. Teachers and parents are busy too with work, school, and parenting activities. How will they have the time to teach valuable skills such as manners and respect to children? These are soft skills, the skills necessary to work with others and be a respected and valuable citizen in the workplace of tomorrow. *Soft Skills for Kids: In Schools, at Home, and Online*, 2nd Edition, focuses on ways that teachers and parents can work together to teach soft skills to the children in their lives. This book is not a curriculum program or set of lessons to help children, but rather a series of teachable moments in which adults teach strategies to children as they happen. Finally, as the education of children has changed recently due to the pandemic, with an increased number of children learning online, this book will be a great resource for how adults can work together to help children learn soft skills in schools, at home, and online.

*Sitting Together* Sumi Loundon Kim, 2017-06-13 An all-in-one set to implement a family meditation course regardless of your tradition or level of experience. This three-volume set provides a complete

curriculum for adults and children to learn about mindfulness meditation and Buddhist teachings together either in the home in partnership with other families or with a local center The Adult Study Guide 280 pages offers thirty six lesson plans including meditation practices homework readings and reflection questions for group study The Children s Lesson Plans 296 pages used in conjunction with the Adult Study Guide provides step by step instructions for teachers on meditation exercises stories crafts songs and games The Activity Book 136 pages is a perfect companion to enhance the children s education with over 50 coloring pages puzzles and other fun activities This comprehensive curriculum for adults and children ages 3 12 has five units on meditation kindness ethics character and service It is perfect for any family Dharma center yoga studio or religious educational or community organization that wants to incorporate a mindfulness program for children and their families To fully implement the Children s Lesson Plans some additional materials will be needed such as inexpensive arts and craft supplies download of children s songs and children s storybooks often available in libraries Visit [mindfulfamilies.net](http://mindfulfamilies.net) for more resources
