Marcy,2017-07-05 Comprehensive yet succinct and readable Literacy in Grades 4 8 Third Edition offers a wealth of practical ideas to help preservice and practicing teachers create a balanced and comprehensive literacy program while exploring the core topics and issues of literacy in grades 4 through 8 It addresses teaching to standards differentiating instruction for readers and writers motivating students using assessment to inform instruction integrating technology into the classroom working with English learners and struggling readers and connecting with caregivers Selected classroom strategies procedures and activities represent the most effective practices according to research and the many outstanding classroom teachers who were observed and interviewed for the book The Third Edition includes added material connecting the Common Core State Standards to the instruction and assessment of literacy skills a combined word study and vocabulary chapter to help readers integrate these important topics in their teaching more on technology including comprehension of multimodal texts enhancing writing instruction with technology tools and teaching activities with an added technology component added discussion of teacher techniques during text discussions strategic moves that help students become more strategic readers Key features In the Classroom vignettes more than 50 activities

some with a technology component questions for journal writing and for projects and field based activities troubleshooting sections offering alternative suggestions and activities for those middle grade students who may find a particular literacy focus challenging

Using Children's Literature Across the Curriculum Catherine M. O'Callaghan,2011 This resource uniquely offers preservice and inservice teachers templates for using quality children s literature to implement six themes across grades K 8 The themes are based on national curriculum standards and text sets are carefully selected to facilitate discussion analysis and problem solving across the grades Using Children s Literature Across the Curriculum provides teachers with a guide to using multilayered texts to facilitate students attainment of critical literacy It is designed to be a supplemental text to guide teachers in designing literacy instruction The instructional sequence includes collaborative inquiry activities across the curriculum to extend each theme to math science technology and social studies Teachers are shown how to incorporate family literacy with a component entitled Home School Connections and to differentiate instruction for individual learners with a section entitled On Your Own Activities The theme concludes with a critical literacy activity that applies the content knowledge of the theme with collaborative inquiry A unique feature of the handbook is the emphasis on performance based assessment with each instructional sequence containing two rubrics for the teacher to implement The instructional sequences are meant as models for teachers to use in developing their own themes in order to facilitate critical literacy These models can be adjusted to fit the reading level of the students as teachers become more familiar with the text s structure and their students needs
