understand the Bible better and draw closer to God on a daily basis This is the volume on Acts New Testament Theology Thomas R. Schreiner, 2008-06-01 In this substantial volume Thomas Schreiner takes up the study of New Testament theology looking for the themes that emerge from a detailed reading of the whole rather than considering the individual writings separately Two themes in particular emerge The first concerns redemptive history and the kingdom of God The New Testament writers adopt the Old Testament vision of God's reign and affirm that it has come in Jesus Christ although final fulfillment is yet to come Second the ultimate goal of the kingdom is God's glory Schreiner goes on to relate these themes to the life of the believer and the community of faith Pastors and students will find this a comprehensive and illuminating survey of the unifying themes found throughout the New Testament The Christian Advocate, 1909 **The Place of the Dead** Bruce Gordon, Peter Marshall, 2000-01-28 This volume of essays provides a comprehensive treatment of a very significant component of the societies of late medieval and early modern Europe the dead It argues that to contemporaries the placing of the dead in physical spiritual and social terms was a vitally important exercise and one which often involved conflict and complex negotiation The contributions range widely geographically from Scotland to Transylvania and address a spectrum of themes attitudes towards the corpse patterns of burial forms of commemoration the treatment of dead infants the nature of the afterlife and ghosts Individually the essays help to illuminate several current historiographical concerns the significance of the Black Death the impact of the protestant and catholic Reformations and interactions between elite and popular culture Collectively by exploring the social and cultural meanings of attitudes towards the dead they provide insight into the way these past societies understood themselves **Making Sense of Speaking in Tongues** Brian W. Lidbeck, 2025-02-05 Many believers struggle with both practical and theological questions about the baptism in the Spirit and speaking in tongues Church members and college students alike often ask questions such as Are you less of a Christian if you don't speak in tongues Is there something wrong with you if you have not received the baptism in the Spirit Why is the sign of Spirit baptism speaking in tongues Doesn't Paul say that not everyone speaks in tongues Brian W Lidbeck who frequently speaks in churches and holds seminars on the Holy Spirit answers these questions and many more in this book which includes discussion questions at the end of each chapter The author observes that while speaking in tongues seems like a mysterious and strange practice to many people Christ is at the center of this gift As you read you'll dispel erroneous ideas about tongues and discover how taking a Christ-centered approach can relieve fears about seeking a baptism in the Spirit **Race and Rhyme** Love Lazarus Sechrest, 2022-08-23 A leading womanist biblical scholar reads passages from the New Testament in dialogue with modern day issues of racial justice The narratives and letters of the New Testament emerged from a particular set of historical contexts that differ from today's but they resonate with us because of how the issues they raise rhyme with subjects of contemporary relevance Listening for these echoes of the present in the past Love Sechrest utilizes her cultural experience and her perspective as a Black woman scholar to reassess passages in the New Testament that deal

with intergroup conflict ethnoracial tension and power dynamics between dominant and minoritized groups After providing an overview of womanist biblical interpretation and related terminology Sechrest utilizes an approach she calls associative hermeneutics to place select New Testament texts in dialogue with modern day issues of racial justice Topics include antiracist allyship and Jesus's interaction with marginalized individuals in the Gospel of Matthew cultural assimilation and Jesus's teachings about family and acceptance in the Gospel of Luke gendered stereotypes and the story of the Samaritan woman in the Gospel of John the experience of Black women and girls in the American criminal justice system and the woman accused of adultery in the Gospel of John group identity and the incorporation of Gentiles into the early Jesus movement in Acts privilege and Paul's claims to apostolic authority in 2 Corinthians coalition building between diverse groups and the discussion of unity in Ephesians government's role in providing social welfare and early Christians' relationship to the Roman Empire in Romans and Revelation Through these creative and illuminating connections Sechrest offers a rich bounty of new insights from Scripture drawing out matters of justice and human dignity that spoke to early Christians and can speak still to Christians willing to listen today
