Roberts,2020-09-24 Due to government secrecy the public never learned of the numerous UFO incursions at strategic nuclear weapons installations where they disabled ICBM missiles and even activated their launch codes They never heard about UFO encounters reported by police officers civilian and military pilots and astronauts and they were never told the real facts of the Roswell event The volume of evidence suggesting we are not alone and probably never have been is overwhelming It suggests an alien agenda to accelerate the evolution of the human race To understand what is happening requires knowledge of what is going on today as well as the past particularly during the biblical era Much has been learned through the Freedom of Information Act from whistleblowers and government and military officials This book connects the dots suggesting what aliens have been doing for the past several thousand years **Accessories After the Fact** Sylvia Meagher,2013-09-01 Originally published in 1967 Meagher s masterful dissection of the Warren Report based on the Warren Commission s own evidence has stood the test of time In some cases declassifications of government records have corroborated the author s suspicions and analyses such as her amazing assertion that Oswald had never actually been charged with Kennedy s murder despite sworn testimony to the contrary Meagher s book raises serious questions not only about Oswald s guilt in the JFK assassination and related crimes such as the Tippit murder and the Walker shooting but also about the methods and honesty of the Warren Commission the FBI and various Dallas police and other officials When the Church Committee first began to re examine the Warren Commission and its relationship with intelligence agencies in 1975 investigators were shocked by what they discovered In *Accessories After the Fact* Sylvia Meagher delivers a blistering blow to the credibility of the Warren Report and decades after its original publication researchers and readers are still discovering what made her work so important *Drowning and Other Undetermined Factors The Death of Natalie Wood* Pamela Lillian Valemont,2013-03-29 What happened to beautiful 43 year old Natalie Wood on the night of 29th November 1981 when she drowned in the dark waters off Santa Catalina Island California Almost thirty three years later we are no nearer solving the mystery Pamela Lillian Valemont a crime research numerologist of more than thirty five years standing decided to look into this mysterious case Delving further using a completely different set of diagnostic detective tools she is able to furnish us with some astounding clues in answer to the question Whatever happened to Natalie Wood *Dead Docket* Mitchell Graham,2010-04-27 Katherine Adams and John

Contested Records Michael Leong, 2020-05-01 Why have so many contemporary poets turned to source material from newspapers to governmental records as inspiration for their poetry How can citational poems offer a means of social engagement Contested Records analyzes how some of the most well known twenty first century North American poets work with fraught documents Whether it s the legal paperwork detailing the murder of 132 African captives state transcriptions of the last words of death row inmates or testimony from miners and

rescue workers about a fatal mine disaster author Michael Leong reveals that much of the power of contemporary poetry rests in its potential to select adapt evaluate and extend public documentation Examining the use of documents in the works of Kenneth Goldsmith Vanessa Place Amiri Baraka Claudia Rankine M NourbeSe Philip and others Leong reveals how official records can evoke a wide range of emotions from hatred to veneration from indifference to empathy from desire to disgust He looks at techniques such as collage plagiarism re reporting and textual outsourcing and evaluates some of the most loved and reviled contemporary North American poems Ultimately Leong finds that if bureaucracy and documentation have the power to police and traumatize through the exercise of state power then so too can document based poetry function as an unofficial counterhegemonic and popular practice that authenticates marginalized experiences at the fringes of our cultural memory
