My Dearest Billionaire Stepbrother Romance Marian Middleton, 2015-10-31 After my divorce I doubted I could ever find love again I felt broken and lost but that changed into a whirlwind romance that I hadn't been expecting A man came into my life and changed all of that He spoiled me showed me attention and showed me attention These were all the things my ex husband didn't do in our relationship There was one small catch I couldn't tell my family about the new man in my life that brought me so much love happiness and joy My family wouldn't understand about my new relationship and would disown me in a heartbeat if they ever found out I held the picture frame with us in Paris I traced my own on his face I wasn't expecting to fall in love with him and definitely not so soon but we did The only problem was the fact he was my stepbrother Society didn't see it the same way we did We weren't related and it was perfectly legal to get married We weren't blood related We were only classified we were related because my mother was married to his father People that both worked for the firm and lived around here didn't know we were half siblings We didn't have to hide it but we had to both be at my parents this week for our Thanksgiving holiday

I'm in Love with My Stepbrother Rickhya Ware, 2014-07-29 *Cross Country* Stacey Darling, 2014-01 Jessica and Jeremy have a great brother and sister relationship They would do anything for each other and their cross country trip will soon test the boundaries of their relationship as step brother sister

Spicy Bites Lola Gray, 2025-06-02 Three short steamy stepbrother romance novels full of spice and all the forbidden feels your little heart desires A scorching hot box set full of obsessive filthy talking heroes and the women they can't keep their hands off of even if they really should Camping With My Stepbrother Ethan I'm gonna burn in hell for all the filthy things I'm thinking about doing to my innocent little stepsister but I can't help it Haven't been able to for the last couple of years and constantly pushing her away is wearing on my last nerve Claiming her might tear our family apart but she's always been my Bookworm ever since my dad started dating her mom and they finally decided to get married I've always been protective of Lily Years ago she was a cute kid who needed a big brother to look out for her Now

she's not so little but just as adorable and I still want to look out for her. Want to do a whole lot more than that. I came home from college the Thanksgiving right after she turned eighteen and spent the whole week hiding an inconvenient boner. I should be ashamed of my feelings but it's not like we're really related. God, I wish I didn't feel this way. But it's too late now. Those long long legs haunt my dreams. I want to feel them wrapped around my waist while she reads to me from one of those filthy books she reads on the sly. My little Bookworm has her secrets just like I have mine. Tricked By My Stepbrother Hayes. My stepsister called not an hour ago begging me to pick her up from some Halloween frat party. Her friends dragged her to and then promptly ditched her and would I pretty please not tell anyone where she was. Our little secret. One of dozens between us after all these years. I've been back in town from my final deployment for less than a day but the brat knew I'd never tell her no. I swear she put herself into a bad situation on purpose just to get my attention. The thing she doesn't know is she's always had my attention. She's my Shortcake. Mine to protect. Mine to love. Mine to teach a lesson. Should've known she'd find a way to turn this around on me and it would come back to bite me in the ass. This Halloween romance is full of delicious tricks and treats with no cheating, no sharing, no cliffhanger and no other woman/man drama. It has a sticky sweet guaranteed happily ever after. Kiss It Better. Wyatt Sadie is going to murder me if she finds out I'm faking my injury and I wouldn't even blame her. I've been a gigantic pain for days now. It wasn't intentional, not at first but the minute she got railroaded into being my nurse, my mind filled with dirty images of her giving me a sponge bath. Fluffing my pillows. Running her fingers through my hair as she checks for a temperature, kissing it better. I'm usually not sneaky like this but I've been in love with the girl since we were kids and she's been avoiding me for months. Ever since she made her drunken confession. The next day I got a short text message with an apology and a promise to never bring up the incident again. Never bring up the fact she's crazy about me too. I think not. She can't run away this time. She's trapped alone with me for two whole weeks. Anything could happen. Anything will happen if I get my way. Dear Reader, this is a short extra steamy romance with no cheating, no sharing, no other man/woman drama and a guaranteed sticky sweet happily ever after. Obsessed cinnamon roll hero. Mutual pining. Innocent sassy heroine. Football romance. Sleeping Beauty vibes. Possessive hero. Small town. **Falling for the Forbidden** Tracy Lorraine, 2024-02-28. Rules were made to be broken and we were about to break all of them. My heart can't deny what I feel for him and my body won't ignore his touch. He's my step brother and what we have might be real but it's also forbidden. We disregard the warnings and follow our hearts forgetting one thing. Love isn't meant to be easy but a love like ours was never meant to exist. Dear Reader, Falling for the Forbidden is the first part of Ben and Lauren's story. It's emotional, full of angst, has plenty of steam and will leave you wanting more. This is also the first book in my new Forbidden series which is a spin off from my Falling series but can be read independently from that series. xo **Monster Stepbrother** Harlow Grace, 2015-03-29.
