Rough & Dirty Nicole Edwards, 2024-06-11 One night Rough dirty and so hot it was a wonder the barn didn't burn down from the heat they generated If Stone Jameson were writing a letter to his younger self it would go something like this Don't waste time leaving You have everything you'll ever want already Unfortunately Stone didn't have the ability to warn his younger self nor could he get the last fifteen years of his life back He could however return to the last place he'd experienced real happiness his hometown of Coyote Ridge It takes mere days for him to realize that all the years he spent trying to forget the night that had altered his perception of himself were in vain It takes a single glimpse of what he left behind to bring it all back the potent attraction the intense connection and the longing permanently etched in his soul Getting absolution for his mistakes might be impossible but when a second chance presents itself Stone knows that determination and persistence are the only tools he needs to build the solid foundation he's seeking

Missing Pieces Nicole Edwards, 2025-08-19 Brantley Walker and Reese Tavoularis are plunging headfirst into the satisfying chaos of married life Although their preference would be to sit on a beach enjoying umbrella drinks for a week the honeymoon will have to wait With Jessica James treating her hospital stay like an all inclusive spa getaway complete with bed rest and boredom Brantley Reese Baz and the rest of the team are bracing themselves for the inevitable twists and turns ahead Meanwhile Atticus James shares not only the same last name with JJ but also the irritation that comes with monotony He's spending his days sifting through partner applications waiting for the day he'll see some of the action Just when he thinks his excitement levels have hit rock bottom Brantley hands him his first case assignment Only he's not sure he wants it once he learns what it is But if suffering is the name of the game he can think of no better partner in misery and mayhem than Slade Elliott While Atticus and Slade are busy with their detective shenanigans the rest of the team isn't just tuning in to their favorite podcast they're about to dive headfirst into a live episode of Havoc Your Way when the podcast's host stops by But Simon Jennings isn't there to sign autographs He's dropping in with a case that veers dangerously close to home blending the bizarre with the familiar as he seeks their expertise to untangle a web that's both outside their skill set and uncomfortably personal

Brantley Walker has dedicated his life to serving his country Having given seventeen years to the US Navy the last ten as a SEAL the mission was the only thing he knew the only thing that mattered He never even considered what life would look like after the mission was over Until he s forced to After months of recovering from career ending injuries Brantley finds himself back in his hometown of Coyote Ridge Texas Once again a permanent resident with the full support of his family and friends he embarks on a journey to start over forced to figure out what to do with the rest of his life a task that is far easier said than done Then the unthinkable happens When his cousin Travis s daughter is kidnapped Brantley puts himself right back in the action partnering up with Reese Tavoularis to find the little girl and bring her home where she belongs As events unfold Brantley and Reese find themselves undertaking another mission Only this one results in a journey that takes them in a direction neither of them expected to go **Violet** Nicole Edwards,2024-10-22

Curses To believe or not to believe Violet Anderson believed How could she not when the proof was right in front of her And her curse well it meant that like her mother and older sisters she was doomed to spend her life pining for a man who would undervalue her Not that she would allow that to happen She d never met a man worth pining for Then Simon Jennings walked into her bookstore Aside from being hot enough to put her brain on the fritz the man was not her type He was one of those nice guys the kind who opened doors and didn t try to cop a feel during a simple goodnight kiss Since the curse ensured nice guys would never fall in love with her Violet knew her best bet was to stay as far from him as she could Too bad Simon didn t get the memo When Simon s charm proves too powerful to resist Violet gives in to the undeniable chemistry After all it s not like she would fall in love with a handsome stranger after one night right *Fearless* Nicole Edwards,2016-04-11

Nicole Edwards,2022-04-19 Knox Montgomery My obsession with Emily Campbell started when she was fifteen years old Her age made her completely off limits to me The fact that her father was married to my mother only made it socially frowned upon That was then This is now Emily s a woman now and our parents are no longer married However there are still complications Like the fact my mother stole seventy million dollars from me and her father was complicit in the crime When the time comes for them to repay that debt her father offers Emily up on a silver platter I turned him down because I m many things but certainly not a clich Instead I gave him an additional three years to get his affairs in order He didn t know it at the time but that was more for me than for him Not enough drama Good because I ve got another obsession His name is Kieran O Rourke It started the day the Irishman introduced himself to me although I ve never admitted that to anyone Certainly not him Nor did I give in right away because that would ve been too easy Complications are compounded when Emily believes I betrayed her and her family by taking back what was rightfully mine which only delays my plans Being one of the wealthiest men in the world I have an endless supply of resources a long list of things to keep me busy and an abundance of patience No

matter what I will introduce Emily and Kieran to one another and when I do life as we know it will be irrevocably changed This is my story of obsession betrayal and surrender Some might say I have my work cut out for me Good thing I enjoy a challenge This is a standalone novel
