## **Addington Hospital Nursing College:**

Mental Health Nursing L. R. Uys, Lyn Middleton, 2004 The essentials of mental health nursing are presented in this fourth edition of a landmark nursing textbook on psychiatric nursing in South African primary health care and community health care settings

ANY WAY THE WIND BLOWS Eben Beukes, 2015-03-08 Mrs Charlotte De Granville wanted a quiet unobtrusive not too clever private detective for a very discreet little job The nature of the assignment dictated a certain economy of truth when it came to briefing said detective He would detect and she would take care of the rest with extreme prejudice Anthony M Moretti failed golf pro onetime Miami nightclub hustler and more recently PI specializing in divorce work fitted the bill rather nicely So Tony got the job and the kind of trip that would take him from the glitter of Cape Town s jet set to the rotten underbelly of pulsating Durban to the tropical paradise of the Comoros Islands Somewhere along the way things become complicated Things like a black eyed beauty with a voice like Nina Simone or a woman who could stomach a revolution but not a man s betrayal A young mercenary with hope in his heart and technicolor illusions of an Africa long faded to dusty decay And an ageing soldier of fortune who really should have known better

**Maternal and Newborn Care** Joanita De Kock, Christa Van der Walt, 2004 The midwife s role is examined in the community and family health context in this handbook on effective maternal and newborn care for midwives and other healthcare providers The skills competencies and knowledge required to make informed decisions about neo and postnatal care are covered including anatomy and the physiology of reproduction high risk pregnancies and labor and birth Theoretical and practical issues illuminate a midwife s role in the prevention of illness in mothers and babies with attention to the unique challenges of midwifery in developing nations Insights from current research studies and critical questions about midwife practice will help those new to health care understand the unique challenges of this form of health service delivery
