Issues in General Economic Research and Application: 2011 Edition ,2012-01-09 *Issues in General Economic Research and Application 2011 Edition* is a ScholarlyEditions eBook that delivers timely authoritative and comprehensive information about General Economic Research and Application The editors have built *Issues in General Economic Research and Application 2011 Edition* on the vast information databases of ScholarlyNews You can expect the information about General Economic Research and Application in this eBook to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of *Issues in General Economic Research and Application 2011 Edition* has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More

information is available at <http://www.ScholarlyEditions.com> **Application and Mechanism of Plant Biostimulants, Biochar, Fertilizer Products, and Other Nutrition-related Agrochemicals** Rabia Nazir,Roberto Ruggeri,Joao Antonangelo,Meng Xu,2025-06-17 Since the invention of synthetic ammonia through the Haber Bosch process a significant amount of chemical fertilizer has been utilized to enhance plant productivity However the low efficiency of common fertilizers used for plant nutrition not only leads to the wastage of valuable resources but also contributes to environmental pollution and ecological imbalance Overall health encompassing soil health environmental health and human health calls for new more efficient and environmentally friendly agrochemicals The innovation in plant nutrition related agrochemicals including new fertilizer products is an essential method to improve the efficiency of plant nutrient use addressing the challenges posed by global population growth resource shortage and environmental crisis The updated and upgraded agrochemicals including plant biostimulants biochar fertilizer products plant nutrition regulators and other nutrition related agrochemicals play a crucial role in enhancing plant productivity and promoting agricultural sustainability This article collection aims to bridge the gap between potential advancements in both listed and unlisted agrochemical products while advancing plant product interrelation mechanisms behind their application effects Recent advancements could offer significant opportunities for more scientific management of plant nutrition through application effects and innovative mechanisms Products of biostimulants have emerged in an endless stream and have been used more widely in horticultural crops Value added fertilizers produced by incorporating bioactive substances into conventional fertilizers are on the rise in China Organic substances applied to plant production also enrich the theory of plant organic nutrition Furthermore innovative agricultural inputs like coated fertilizers nano fertilizers fertilizer additives biochar and microbial preparation have the potential to enhance crop production while reducing reliance on traditional chemical inputs **Public Vices, Private Virtues?: Assessing the Effects of Marketization in Higher Education** Pedro N. Teixeira,David D.

Dill,2011-11-13 Recent years have seen the strengthening of a discourse that emphasises the virtues of markets competition and private initiative vis vis the vices of public intervention in higher education This volume presents a timely reflection about the effects this increasing marketization has been producing in many higher education systems worldwide The various chapters of this volume analyse the impact of markets at the system level with significant attention being devoted to the changes in modes of regulation the strengthening of aspects such as privatization and inter institutional competition in higher education systems and the closer interaction between higher education and its economic environment Several of the contributors devote attention as well to the implications of market forces for institutional change notably regarding issues such as mission organizational structure and governance and the way marketization is affecting the internal distribution of power and the definition of priorities Finally the volume includes several chapters focusing on the different markets of higher education such as the academic labour market undergraduate and postgraduate education and research markets Altogether these chapters provide important insights concerning the many national and institutional contexts in which the marketization of higher education has been taking place around the world *Funding Higher Education in Sub-Saharan Africa* D.

Teferra,2013-10-08 Virtually all countries in the world are struggling to provide the necessary resources to Higher Education The challenges are particularly complex for economically poor countries in Africa which have recorded massive expansion in the past decade This book analyzes the state of funding and financing higher education in Sub Saharan Africa **Kenya**

National Assembly Official Record (Hansard) ,2010-06-29 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya Promoting Gender Equity in Selected Public Universities of Kenya Jane Onsongo,2011

The purpose of this study was to examine sustainable gender equity interventions in selected public universities The study used descriptive survey and case study research methods to carry out an in depth analysis of the gender equity interventions in selected public universities in Kenya The sample consisted of four public universities that were selected because they had established gender centers institutes that were assumed to be coordinating gender equity intervention The study has the following objectives To establish the existing gender inequalities in the formal organisational structure of the selected universities To identify and assess sustainability of gender equity interventions in the selected public universities To analyse the national regional international and organisational culture and policy contexts that have influenced and supported the introduction of the identified gender equity interventions To investigate the attitudes of staff students and management towards the gender equity interventions and to recommend appropriate institutional strategies to address existing gender inequities *Kenya National Assembly Official Record (Hansard)* ,1996-04-23 The official records of the proceedings of the

Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya Borderless Higher Education for Refugees Wenona Giles,Lorrie

Miller,2021-08-26 Winner of the 2022 CIES Jackie Kirk Outstanding Book Award Higher education is increasingly recognized as crucial for the livelihoods of refugees and displaced populations caught in emergencies and protracted crises to enable them to engage in contemporary knowledge based global society This book tells the story of the Borderless Higher Education for Refugees BHER project which delivers tuition free university degree programs into two of the largest protracted refugee camps in the world Dadaab and Kakuma in Kenya Combining a human rights approaches critical humanitarianism and a concern with gender relations and intersecting inequalities the book proposes that higher education can provide refugees with the possibility of staying put or returning home with dignity Written by academics based in Canada Kenya Somalia and the USA as well as NGO workers and students from the camps the book demonstrates how North South and South South collaborations are possible and indeed productive

Kenya National Assembly Official Record (Hansard) ,1994-11-01 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya

Kenya Charles Hornsby,2013-03-01 Since independence from Great Britain in 1963 Kenya has survived five decades as a functioning nation state holding regular elections its borders and political system intact and avoiding open war with its neighbours and military rule internally It has been a favoured site for Western aid trade investment and tourism and has remained a close security partner for Western governments However Kenya s successive governments have failed to achieve adequate living conditions for most of its citizens violence corruption and tribalism have been ever present and its politics have failed to transcend its history The decisions of the early years of independence and the acts of its leaders in the decades since have changed the country s path in unpredictable ways but key themes of conflicts

remain over land money power economic policy national autonomy and the distribution of resources between classes and communities While the country s political institutions have remained stable the nation has changed its population increasing nearly five fold in five decades But the economic and political elite s struggle for state resources and the exploitation of ethnicity for political purposes still threaten the country s existence Today Kenyans are arguing over many of the issues that divided them 50 years ago The new constitution promulgated in 2010 provides an opportunity for national renewal but it must confront a heavy legacy of history This book reveals that history
