Adventism Christian Or Cult Or None Of The Above:

Adventism Gordon Kainer, 2015-01-23 Most of us are seekers searching for Biblical truth inspiration and answers to our greatest questions and distressing concerns While the Internet provides on demand access to information on Adventism readers will find a wide array of conflicting information including severe criticism of our church especially the beliefs unique to Adventism This book provides answers to the challenges and responds to key questions such as Why is Adventism labeled a cult by critics and former members Why does faith grow productively in some while fade away in others What aspect of Adventism is most apt to discourage or frustrate its members How does Facebook help us understand the exodus of youth from Adventism Why do one third of Americans known as nones have no religious affiliation What is the greatest theological challenge Adventism faces today What underlying teachings of the Bible do you dismiss when leaving Adventism What is the essential heart of the gospel

God's Solution to the Doubting Dilemma Gordon Kainer, 2016-02-02 Are you facing doubting dilemmas that challenge you doubts you find extremely annoying the kind that are messing up your Christian life Do you want to discover real solutions that are biblical effective and easy to understand If the answer is yes then this book offers the answers you are seeking Readers will discover the reasons why believers in Christ like everyone else have doubting quandaries about such significant topics as God the Bible especially the story of creation In presenting the only effective solution that comes through God's grace this book will unveil the intimate relationship between heaven's rebellion and the creation event It will also reveal why there is such an aggressive present day effort to present the creation story as a myth or parable rather than a literal historical event

Straight Answers to 35 Tough Questions Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowing in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That's one reason we're not only to confront knotty questions but willingly accept God's unraveling answers

Adventism Re-examined: 75 Years of Changes, Challenges and Choices Gordon Kainer, 2019-11-13 My book's objective is to describe the beliefs practices and ventures of the Adventist church that have had or still have a significant impact on my life Looking back I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them For this reason there will be much reminiscing retelling of personal experiences and evaluating church teachings and decisions all in the endeavor to make sense of what has happened That can only take place if we bathe our words and

expressions in grace love and understanding The book endeavors to answer the underlying question what do we mean when we use the term church What are the primary reasons for its existence When you ask Adventists such a question we hope they answer with a reply that is inspiring and practical In presenting my view of Adventism over the past seventy five years it s had a positive effect on my knowing and understanding Jesus and I hope the same goes for you *Why Ask Questions About Islam?: Answers Christians Need to Understand* Gordon Kainer,2016-07-11 Across the world Islam appears in eye catching headlines We may be aware of what is happening but often we don t understand why Most Christians have unanswered questions about Islam don t we Do Muslims and Christians worship the same God Does it matter whether one is a Muslim or a Christian How does Islam view love sin salvation and forgiveness Is a Muslim s view of Jesus different than a Christian s What does Bible prophecy say about Islam How best should a Christian witness to a Muslim This book answers over 100 questions Christians ask about Islam and in so doing reveals Islam s greatest need a saving faith in the gospel of Jesus Christ It is the author s hope that this book provides you with a highly informative perspective as Islam is thoughtfully studied and evaluated within the framework of a biblical worldview *Cain versus Abel: Not an Open and Shut Case* Gordon Kainer,2018-02-04 While this story reads like a short police report Cain and Abel s tragic narrative plays a definitive role in the biblical saga called the great controversy As we review their story we might assume that if we had a chance to meet Cain and Abel just by looking we could easily determine who was the kind Abel and who was the mean spirited Cain Are you sure Would you be surprised to learn Abel was guilty of viewing Cain from a superficial perspective that gave him a misleading impression of his brother As we study their lives it s easy for us to have preconceived ideas because we don t know what was going through Cain s mind until Cain s behavior plainly displays it for all of us to see It s human to be biased But that s not God s way of judging This book dives deeper into the story to reveal God s perspective I invite you to dive in with me as objectively as possible Don t prejudge Be persuaded by biblical evidence wherever it leads you **The Mirror of Christianity, Cults, and the Catholic Church** Richard Bennett,2021-05-13 Are we on the brink of a theological war between Conservative Protestant Christianity and the new Charismatic Protestant Christian movement known as the New Apostolic Reformation NAR Are they as demonic as some well known pastors say A very debated question This is a book that must be read by every ex Catholic that perhaps has second thoughts Reading this book is assurance the decision was right And let us not forget those Prosperity preachers who constantly ask for money This book exposes them even to their very core beliefs which are shocking and unbelievable **The Kingdom of the Cults** Walter Martin,2019-05-21 In an era of rapid growth of false religions worldwide Christians need information they can trust This comprehensive new edition of the leading book on cults will equip you no matter your background to understand and use biblical truth to counter false religions including many that masquerade as mainstream Christianity Reflecting the developments in cults and world religions in recent years this edition updated by expert Jill Martin Rische daughter of Walter Martin gives you the

authoritative information you need to know As our culture becomes less and less outwardly Christian awareness of the belief systems of those around us has never been more vital Readable and reliable for everyone whether you re a teacher a pastor or a regular church attender The Kingdom of the Cults remains the go to reference book on this crucial topic **Following the Cloud - A Vision of the Convergence of Science and the Church** Harold Curtis,2006-09-21 Following the footsteps of The Elijah Task and The Eternal Church Following the Cloud presents a prophetic vision of the convergence of Science the World and the Church which reveals the Hand of God in all Creation Page 4 of cover approximately mid page The World Factbook ,2003 World Factbook Central Intelligence Agency,2011 In general information available as of January 1 2011 was used in the preparation of this edition Provides brief information on the geography people government economy communications and defense of countries and regions around the world Contains information on international organizations Designed to meet the specific requirements of United States Government Officials in style format coverage and content Includes 3 unattached maps dated June 2011 The World Factbook 2008 Central Intelligence Agency, Office of Public Affairs, In general information available as of January 1 2008 was used in the preparation of this edition Provides brief information on the geography people government economy communications and defense of countries and regions around the world Contains information on international organizations Designed to meet the specific requirements of United States Government Officials in style format coverage and content Includes 3 unattached maps Cover title reads The 2008 World Factbook Item 856 A 07 **Exposing Seventh-day Adventism** Russell Kelly Ph. D.,Russell Earl Kelly,2005 Seventh day Adventism entices members into it using trickery and half truths They tell the unenlightened public one thing and insiders yet another Dr Kelly explains how he was tricked into joining He then refutes the theological fiasco called the Investigative Judgment which created the sect Much of the book looks at the Sabbath with fresh insight The final part reveals the mysterious realms of Sheol and Hades in order to expose SDA error about the soul Russell Kelly is also the author of Should the Church Teach Tithing A Theologian s Conclusions about a Taboo Doctrine a best seller on Amazon com under Tithing since 2001 **Counterfeit Christianity** Harold Lerch,2025-08-18 This book is intended to provide a review of mainstream Christianity and to point out the perils of cults groups we call Counterfeit Christianity As we are a Christian ministry we also describe Christian cults with a bias against their dangerous teachings Cults generally have twisted definition of God According to the Internet A cult is a group with extreme often unorthodox beliefs and practices usually led by a charismatic figure who exerts strong influence over members Cults often involve excessive devotion to a person idea or object and may isolate members from mainstream society Cults accept non traditional interpretations of scripture They are founded by the false prophets the Bible warns us about They distort scriptures to fit their purposes and do not represent the ministry of Jesus and the apostles **The Truth about Seventh-Day Adventism** Walter Martin,1960 The historical background of Seventh day Adventism Psychological factors The heart of Adventist theology Ellen G White and the spirit of prophecy The

sleep of the soul and the destruction of the wicked The Sabbath the Lord s Day and the mark of the beast The sanctuary the investigative judgment and the scapegoat Law grace and salvation The remnant church The problem of fellowship a great controversy *Christianity, Cults and Religions Leader Guide* Rose Publishing,2013-12-10 Teach about cults and religions without being an expert This is the Leader Guide that goes with the 6 session DVD for small groups that wish to know more about the differences between various religions and cult groups from a Christian perspective **Fast Facts on Jehovah's Witnesses** John Ankerberg,John Weldon,2012-01-10 From blood transfusions to salvation by works John Ankerberg and John Weldon expose the unorthodox doctrines that put Jehovah s Witnesses at risk physically and spiritually With its easy to follow question and answer format this book allows readers to quickly discover Who founded Jehovah s Witnesses and why why medical care essential to life is refused why few Jehovah s Witnesses look forward to eternal life in God s presence how many Jehovah s Witnesses prophecies have failed and why how Jehovah s Witnesses view and interpret God s Word Whether looking for specific teachings or an overall understanding of Jehovah s Witness beliefs and practices readers will find this guide delivers the information in a concise practical manner *Twentieth-century Christianity* Frank Ballard,1927 **DID WE CREATE GOD?** JOACHIM ONYEAKOR,2012 The author believes that the religious arena has turned into a market place hence anyone can buy God and religious institutions can also canvass for membership to increase their sales He expresses his dismay at most religions of the world and their levels of hypocrisy particularly within the Pentecostal Christian community that is fragmenting into untold numbers and has turned into a tool of fraud and deceit selling God selling salvation selling false dreams and false hopes deploying stage managed miracles as catch tools and also as tools of mind slavery He is not comfortable with suicide bombers within the Islamic community who erroneously claim that such extreme level of ugliness will lead them into heaven He says that the ways religious institutions are conducting themselves lately we no longer know who created who whether God created Man or Man created him for a purpose According to the Christian Bible Christ did say do unto others as you will have them do unto you love one another hence the Author begs to know whether others and one another according to Christ mean all races and religious faiths since those golden rules are not being applied by those who told us about Christ In the name of Capitalism and Materialism Man has almost turned into a base animal hence making this earth look like a jungle where no rules apply and where conscience and love no more have a place We live in times when Man create diseases and create their cures The author believes that since most people especially Africans believe in the Bible information and Bible stories and the Bible has it that the Pharaohs of Africa did enslave the Israelites in the past then colonialism and slavery may be human nature and a form of revenge which one must also strive to resist Colonialism seems to be a form of ugliness just like Apartheid forceful dominance slavery and other forms of Man s oppressions and inhumanity against fellow Man which happens from time to time in human history which humanity must also fight to outlive The author disagrees with the notion that God chooses some people to rule over others hence he believes that

people choose themselves According to the Christian Bible Christ did say to his disciples that greater things shall they do in his name hence it is time that the so called Christian anointed men of God who are performing miracles only on church stages also walk on water for all to see Unfortunately the continent of Africa where it is said that civilization began has more churches than factories yet the continent has failed to develop
