element in Boyd's novels This critical framework can be used to analyse the postmodernist element in the contemporary Indian novel in English Even going further it can be used to analyse the Postmodernist element in the contemporary Marathi novel A thesis is really acknowledged when it becomes a source material for the future researchers and comparatists Mr Latane's book has that potential I heartily wish a good reception to the book Dr Prakash Deshpande Kejkar Former Professor of English Shivaji University Kolhapur **The Continuum Encyclopedia of Children's Literature** Bernice E.
