## **Agatha Christie The Disappearing Novelist:**

**Agatha Christie** Andrew Norman,2014 Agatha Christie was the most famous female crime writers of all time and yet in December 1926 when she was 35 years old became the subject of a mystery her disappearance for a period of eleven days Questions arose such as why did she abandon her motorcar on such a bitterly cold winter s night with her fur coat inside it Why did Christie adopt a false name and claim that she originated from Cape Town South Africa Why did she not recognize either a photograph of her own daughter or husband when she was finally reunited with him He accused her of playing a deliberate hoax on the police in an attempt to generate publicity as a crime writer Others declared that this was an attempt to embarrass her unfaithful husband Archie whom she knew was about to leave her and gain sympathy at the same time But was there another far more profound reason for her behavior whereby she became the innocent victim of circumstances completely beyond her control Norman agrees with the Fugue state theory suggesting that she had no conscious knowledge of her actions All this and more can be revealed for the first time in Andrew Norman s gripping *Agatha Christie The Disappearing Novelist* *Agatha Christie* Laura Thompson,2020-04-30 Laura Thompson s outstanding biography is a pretty much perfect capturing of a life Kate Mosse It has been 100 years since Agatha Christie wrote her first novel and created the formidable Hercule Poirot In this biography Laura Thompson describes the Edwardian world in which she grew up explores the relationships she had including those with her two husbands and daughter and investigates the mysteries still surrounding Christie s life including her disappearance in 1926 Agatha Christie is a mystery and writing about her is a detection job in itself But with access to all of Christie s letters papers and writing notebooks as well as interviews with her grandson daughter son in law and their living relations Thompson is able to unravel not only the detailed workings of Christie s detective fiction but the truth behind her private life as well First published in 2007 as *Agatha Christie An English Mystery* this is a fully updated edition with a new introduction by the author *Agatha Christie* Andrew Norman,2009-06-01 Agatha was a quiet and retiring person who shunned publicity and rarely gave interviews and therefore discovering the real Agatha is a challenge almost worthy of her own detectives But vital clues to unravel the mystery of the author including her disappearance in 1926 are to be found in her writings and in particular in the novels which she penned under a pseudonym A true Pitkin guide for her fans and for visitors to her home too **Agatha Christie** Andrew Norman,2017-01-20 *The Disappearance of Mr. Davenheim* Agatha Christie,2020-12-03 Poirot makes a five pound bet with Inspector James Japp that he can solve the mysterious disappearance of a rich banker in a week without getting up from his chair So Japp gives him the facts of the case Mr Davenheim walked away from his home one afternoon and has not been seen since Suspicion falls on a business rival of his that visited the house on the day of his disappearance there is some reason to believe that the rival has done away with Mr Davenheim but if so where is the body Will Poirot solve the case and win the bet **Secrets from the Agatha Christie Archives** Jared Cade,2025-02-05 The untold story of how Agatha Christie conquered the serial market with

[Agatha Christie](#) Lucy Worsley,2022-09-08 A new fascinating account of the life of Agatha Christie from celebrated literary and cultural historian Lucy Worsley Nobody in the world was more inadequate to act the heroine than I was Why did Agatha Christie spend her career pretending that she was just an ordinary housewife when clearly she wasn t Her life is fascinating for its mysteries and its passions and as Lucy Worsley says She was thrillingly scintillatingly modern She went surfing in Hawaii she loved fast cars and she was intrigued by the new science of psychology which helped her through devastating mental illness So why despite all the evidence to the contrary did Agatha present herself as a retiring Edwardian lady of leisure She was born in 1890 into a world that had its own rules about what women could and couldn t do Lucy Worsley s biography is not just of a massively internationally successful writer It s also the story of a person who despite the obstacles of class and gender became an astonishingly successful working woman With access to personal letters and papers that have rarely been seen Lucy Worsley s biography is both authoritative and entertaining and makes us realize what an extraordinary pioneer Agatha Christie was truly a woman who wrote the twentieth century

**The Real Peter Sellers** Andrew Norman,2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been

*The Dinosaurs and their Mysterious Demise* Andrew Norman, 2025-01-16 Explores the captivating history of dinosaurs their reign extinction and presents a new theory on how certain species survived their cataclysmic end The dinosaurs are a source of endless fascination and each new generation is inspired and enchanted by images of these wondrous and awe inspiring creatures that dominated the Earth eons of time ago The smallest was the size of a chicken the largest on record the titanosaur *Argentinosaurus huinculensis* weighed about 95 tons fifteen times as much as an African bull elephant today s largest terrestrial creature Dinosaurs ruled the Earth for no less than 181 million years about 600 times longer than *Homo sapiens* have existed on the planet *Homo sapiens* is defined as the primate species to which modern humans belong the first modern humans having evolved in Africa about 300 000 years ago Today the consensus is that the dinosaurs became extinct when a meteorite impacted with the Earth 66 million years ago covering it with a thick layer of soot and throwing up enormous quantities of dust which caused the sky to darken and photosynthesis on which all terrestrial animals ultimately depend for their survival to cease The unanswered question however is how did mammals reptiles and birds which are the only species of dinosaur to survive escape this holocaust An entirely new theory is put forward for the first time to explain this mysterious and intriguing phenomenon

*The Real T E Lawrence* Andrew Norman, 2025-08-30 Explores the enduring mysteries of Lawrence s postwar obscurity and complex sexuality T E Lawrence soldier and writer the co leader with King Faisal of Saudi Arabia of the Arab Campaign during the First World War became a legend in his own lifetime And yet to this day there is much about him which remains a mystery two aspects of his character being of particular interest This first is why having become a famous figure with the world at his feet did he choose subsequently to live a life of obscurity in the lower ranks of the armed services The second concerns Lawrence s sexuality Some of his biographers have

been accused of bringing sex into their volumes for reasons of sensationalism and publicity To be fair however it was Lawrence himself who first raised the subject by including in his book *Seven Pillars of Wisdom* an account of the Desert Campaign details of how he was captured and raped by the Turks Lawrence who never married is known to have engaged in masochistic rituals So what was the true nature of and explanation for his sexuality This is the challenge of *The Real T E Lawrence* The Creators of Winnie the Pooh Andrew Norman,2025-03-30 In 1962 children s writer Roger Lancelyn Green coined the phrase *The Golden Age of Children s Books* A A Milne s two Winnie the Pooh books published in 1926 and 1928 which were so beautifully illustrated by artist and book illustrator E H Shepard fall into this category Milne was clearly motivated to compose his Winnie the Pooh stories in order to entertain his young son However Christopher Robin came to resent the fact that his father had used his real first names as the names of Pooh s owner in the books Was there a deeper reason why Milne created Winnie the Pooh Possibly yes The author had served as a soldier in the First World War and by creating Pooh and his Hundred Acre Wood he had created a world into which he could withdraw whenever he chose and thereby mitigate the post traumatic stress disorder which all military combatants suffer to a greater or lesser degree The same applied to Shepard who also served in that conflict Having been given the Pooh books as a child I re read them as an adult and laughed just as uproariously as I had done all those years ago Up until then it had never occurred to me to enquire about their author A A Milne and about their illustrator E H Shepard I now decided that it was time to put matters right

one hand had once exhibited great tenderness and kindness to his daughter Svetlana and on the other sent millions including members of his own family to their deaths be explained It is impossible to quantify the total number of deaths attributable to the policies of Stalin but the Excess Mortality i e deaths over and above what would normally have been expected during the period in question gives an approximate figure in excess of 40 million However this is only part of the story of the amount of misery inflicted by the Stalin regime through torture deliberate starvation neglect separation from loved ones cold and hypothermia e g in the prisons of Siberia which is unquantifiable and unimaginable Svetlana confessed that she would never undertake to explain what motivated all my father s actions simply because I do not possess the psychological genius of Russian novelist Dostoevsky who knew how to penetrate into another man s soul and examine it from within *Agatha Christie* Gillian Gill,2016-12-08 In this sensitive and revealing biography of Agatha Christie Gillian Gill probes the mysterious private life and motivations of one of the bestselling authors of all time and discovers a brilliant and eccentric woman whose passionate search for success was balanced by an obsession with privacy The break up of Agatha s first marriage to Archibald Christie and her subsequent ten day disappearance had made headline news Feeling hunted and wounded by the press Christie determined never again to let them into her private life Instead she developed a public persona seemingly tongue tied and dull which ensured the journalists and the public would let her be This successful strategy helped to account for a happy second marriage and family life as well as an astonishing literary productivity Skillfully weaving the details of Christie s life with the plots and characters of her mystery novels Gillian Gill uncovers the flesh and blood woman behind the popular and celebrated Marple like image and establishes Agatha Christie as a unique and determined person whose fictional creations sparked the imagination of millions around the world **Making Sense of Marilyn** Andrew Norman,2018-04-17 The world continues to be fascinated with Marilyn Monroe who dazzled with her beauty and captivated the hearts of millions worldwide with her innocence charm generosity and kindness and yet who died tragically at the age of only 36 Hollywood columnist film critic and author of *The Fifty Year Decline and Fall of Hollywood* Ezra Goodman writing in 1961 the year prior to her death declared The riddle that is Marilyn Monroe has not been solved Aside from the fact that Marilyn s so called autobiography cannot be relied upon making sense of her is certainly problematical not least because in her early years she was insecure and introspective and unable even to make sense of herself There has been much debate in particular about the frame of mind that Marilyn was in when on the night of 5 August 1962 she knowingly or unknowingly took her own life With his medical background the author is in a position to shed new light on the enigmatic character of Marilyn Monroe this fascinating yet deeply troubled former Hollywood icon who is regarded arguably as the world s most famous ever movie star
