Citizen-Centered Public Policy Making in Turkey Volkan Göçoğlu, Naci Karkin, 2023-08-29 This edited volume discusses direct citizen participation and public policymaking in Turkey Written by a diverse group of scholars and practitioners this book advances the field of public policy by critically examining whether and how direct citizen participation may add value to government business Structurally the book focuses on the core topics of public administration the generation of public services the design and implementation of public policies citizens and networks new business models and local perspectives Using Turkey as a case study this volume fills a gap in the literature and will appeal to researchers interested in public policy in the MENA context      Directory of Family Practice Residency Programs ,1999 Lists medical centers containing residency programs in family practice Data includes director s name location primary hospital year of approval number of graduates positions available remuneration other benefits night call frequency faculty to resident ratio average number of patients seen training time in required rotations and other miscellaneous data      **1994 MOU Regarding Primary Care Physician Training by the University of California** California. Legislature. Senate. Committee on Health, 2005      *Samsung, Media Empire and Family* Chunhyo Kim, 2016-02-26 This book analyses media conglomerates owning multiple media holdings under centralized ownership within and across media markets It argues that Asian capitalists utilize both a market oriented ideology and family connections to build their media empires thereby creating cultural conglomerates that exercise corporate censorship over media markets It focuses on family controlled media conglomerates in Korea specifically the international business giant Samsung and its related media companies Cheil Jedang and JoongAng Ilbo all of which are controlled by the single Lee family Utilizing the theoretical approach of political economy of communication the book examines how and why the Lee family exercise corporate censorship over Korean society Offering an essential take on Asia s political economy of communication in order to understand the workings of Asian media empires this book will appeal to students and scholars of Korean Studies Korean Business and Mass Communications      **Family Medicine** William J. Doherty, Marvin B. Sussman, 1987 This authoritative volume presents a the first major assessment of family medicine and its impact as a discipline in the United States since its founding in 1969 Under the senior editorship of Professor William Doherty a nationally know leader in the field of family medicine and family social science this exciting volume provides An overview by G Gayle Stephens MD one of the founding fathers of family medicine The outsider s critique of family medicine by Edmond Pellegrino MD prominent internist and medical educator Achievements of family medicine and its potential in research reviews by key leaders Culpepper Becker Doherty Baird and Becker Is family medicine a genuine reform movement within medicine and society Or is family medicine practiced by generalists who are out of step with the true specialization needed in today s medicine Top authorities both inside and outside the specialty address the debate surrounding family medicine in the first truly balanced overview of this controversial branch of medicine Family physicians discuss the challenges they face in

family medicine and synthesize the existing theory and empirical knowledge on the topic This valuable update on a growing specialization provides historical background as well as practical recommendations for the its future The best people in the fields family physicians and other medical specialists as well as sociologists anthropologists and family social scientists explore the major issues surrounding family medicine How far has family medicine come in fulfilling its original mission How has its mission changes What are the field s principal achievements Where has family medicine fallen short What are the key challenges now facing the field Among the specific issues discussed are family medicine and the predoctoral medicine curriculum developmental assessment of family practice polarities in the identity of family medicine family medicine as a biopsychosocial discipline family medicine from a consumer s perspective and much more *Summary of Legislation* ,1977
