The Affordable City Shane Phillips,2020-09-15 From Los Angeles to Boston and Chicago to Miami US cities are struggling to address the twin crises of high housing costs and household instability Debates over the appropriate course of action have been defined by two poles building more housing or enacting stronger tenant protections These options are often treated as mutually exclusive with support for one implying opposition to the other Shane Phillips believes that effectively tackling the housing crisis requires that cities support both tenant protections and housing abundance He offers readers more than 50 policy recommendations beginning with a set of principles and general recommendations that should apply to all housing policy The remaining recommendations are organized by what he calls the Three S s of Supply Stability and Subsidy Phillips makes a moral and economic case for why each is essential and recommendations for making them work together There is no single solution to the housing crisis it will require a comprehensive approach backed by strong diverse coalitions The Affordable City is an essential tool for professionals and advocates working to improve affordability and increase community resilience through local action

Airbnb, Short-Term Rentals and the Future of Housing Lily M. Hoffman,Barbara Schmitter Heisler,2020-11-03 How do Airbnb and short term rentals affect housing and communities Locating the origins and success of Airbnb in the conditions wrought by the 2008 financial crisis the authors bring together a diverse body of literature and construct case studies of cities in the US Australia and Germany to examine the struggles of local authorities to protect their housing and neighborhoods from the increasing professionalization and commercialization of Airbnb The book argues that the most disruptive impact of Airbnb and short term rentals has been on housing and neighborhoods in urban centers where housing markets are stressed Despite its claims Airbnb has revealed itself as platform capitalism incentivizing speculation in residential housing At the heart of this trajectory is its business model and control over access to data In a first narrative the authors discuss how Airbnb has institutionalized short term rentals consequently removing long term rentals contributing to rising rents and changing neighborhood milieus as visitors replace long term residents In a second narrative the authors trace the transformation of short term rentals into a multibillion dollar hybrid real estate sector promoting a variety of flexible tenure models While these models provide more options for owners and investors they have the potential to undermine housing security and exacerbate housing inequality While the overall effects have been similar across countries and cities depending on housing systems local response has varied from less restrictive in Australia to increasingly restrictive in the United States and most restrictive in Germany Although Airbnb has made some concessions

it has not given any city the data needed to efficiently enforce regulations making for costly externalities Written in a clear and direct style this volume will appeal to students and scholars in Urban Studies Urban Planning Housing and Tourism Studies **The Affordable Housing Reader** Elizabeth Mueller,J. Rosie Tighe,2022-07-14 This second edition of The Affordable Housing Reader provides context for current discussions surrounding housing policy emphasizing the values and assumptions underlying debates over strategies for ameliorating housing problems experienced by low income residents and communities of color The authors highlighted in this updated volume address themes central to housing as an area of social policy and to understanding its particular meaning in the United States These include the long history of racial exclusion and the role that public policy has played in racializing access to decent housing and well serviced neighborhoods the tension between the economic and social goals of housing policy and the role that housing plays in various aspects of the lives of low and moderate income residents Scholarship and the COVID 19 pandemic are raising awareness of the link between access to adequate housing and other rights and opportunities This timely reader focuses attention on the results of past efforts and on the urgency of reframing the conversation It is both an exciting time to teach students about the evolution of United States housing policy and a challenging time to discuss what policymakers or practitioners can do to effect positive change This reader is aimed at students professors researchers and professionals of housing policy public policy and city planning

Priced Out Rachael A. Woldoff,Lisa M. Morrison,Michael R. Glass,2016-03-15 On an average morning in Manhattan s Stuyvesant Town housing development birds chirp as early risers dash off to work elderly residents enjoy a peaceful morning stroll and flocks of parents usher their children to school It seems an unlikely location for conflict and strife yet this eighteen block area initailly planned as middle class affordable housing is the site of an ongoing struggle between long term rent regulated residents and newer market rate tenants Priced Out takes readers into this heated battle as a transitioning neighborhood wrestles with contemporary capitalist strategies and the struggle to preserve renters rights Attempting to replace longtime residents with younger more affluent tenants Stuyvesant Town s owners have disrupted native residents sense of place community and perceived quality of life Through interviews with residents the authors offer an intimate view into the lives of different groups of tenants involved in this struggle for prime real estate in New York from students experiencing the city for the first time to baby boomers hanging on to the vestiges of middle class urban life to older residents who have lived in Stuyvestant Town since it opened in 1947 A complelling account of changing urban landscapes and the struggle for security Priced Out offers a comprehensive perspective of a community that to some is becoming unrecognizable as it is upgraded and altered Page 4 of cover *Dual Cities* Karakusevic Paul,Althorpe Mike,2025-07-01 Growing up in tandem and maturing as urban democracies during the 19th and 20th centuries London and New York have both influenced the shape and form of cities around the world There is much that connects the two global ambitions post industrial economies and international demographics As both cities grapple with a housing crisis fuelled by escalating prices

Nightshift NYC Russell Leigh Sharman, Cheryl Harris

Sharman, 2008-11-10 New York is the city that never sleeps This luminous book peels back the cover of darkness over the city as it hums along in the night revealing a hidden world populated by the thousands of women and men who work and live the nightshift Written with beauty and grace Nightshift NYC weaves together cultural critique vivid reportage and arresting photographs to trace the inverted logic of the city at night Russell Leigh Sharman and Cheryl Harris Sharman spent a year interviewing and shadowing fry cooks and coffee jockeys train conductors cab hacks and dozens of others who keep the city running when the sun goes down Investigating familiar places such as diners and delis they explore some less familiar ones as well taking us on a walking tour of homelessness in Manhattan onto a fishing boat out of Brooklyn and into other little known corners of the night Traveling past the threshold of voyeurism into the lives of real people they depict a social space entirely apart one that is highly structured and inherently subversive Together these stories open a compelling view on contemporary urban life and along the way reveal the soul of the city itself

Affordable Apartments For Rent Nyc Introduction

In today's digital age, the availability of Affordable Apartments For Rent Nyc books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Affordable Apartments For Rent Nyc books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Affordable Apartments For Rent Nyc books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Affordable Apartments For Rent Nyc versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Affordable Apartments For Rent Nyc books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Affordable Apartments For Rent Nyc books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Affordable Apartments For Rent Nyc books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Affordable Apartments For Rent Nyc books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
