*Africans and Europeans Are the True Israelites* Embaye Melekin,2020-05-26 Here is wisdom Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six 666 Revelation 13 18 I was born on 06 16 1956 666 I am destined ordained blessed and bestowed by the Lord to reveal the truth and to be an instrument in restoring the ancient Kingdom of Israel to its past glories as God s covenanted people The Kingdom of Israel had always existed in our midst but was lost and concealed from our knowledge for many centuries while we multiplied in various regions of the world It is now the time for the Lord to restore the Kingdom of Israel as his precious and anointed people of God God shall ultimately graft back all the Israelites worldwide to their original tree and they shall all identify themselves as the covenanted people and heirs to the blessings of God This book is a testament of God and I wrote it with the aspiration and revelation of the Lord The Lord and his blessed Son Jesus Christ shall be worshipped and revered by the entire Israelites all over the world when they come to the knowledge of the truth and to the knowledge of themselves I have proven that Africans and Europeans are indeed the descendants of Abraham Isaac and Jacob and are the covenanted people of God Both blacks and whites shall rise and grow together and they shall both be the blessed people of God from henceforward This is the end of time when the whole world shall be renewed and would be led by an entirely new perception as the authenticated Israelites This book has established that task It is the era when Satan shall be tied down for a thousand years      **From Mythology to Reality: Moving Beyond Rastafari** Seon M. Lewis,2012-11-21 The main thesis of this book is based on the Rastafarian Movement This book presents information about this movement in one place that is largely not

know by the many adherents of the faith Moreover this book presents a unique view of the Movement a view embedded in a Grenadian Caribbean experience This view however is not narrowly placed but is argued within a wider world context and thus explains whether the Rastafarian movement can be a force for good both within the black community and the world at large Editor and author Norm R Allen Jr said that This well researched book expertly demolishes the ridiculous notion among Rastafarians that Emperor Haile Selassie of Ethiopia is God Moreover Lewis offers many excellent critiques of theism the Bible Rastafarianism Afrocentric thought and religion in general This book is informative to everyone **Africa Must Deal with Blats for Its True Decolonisation** Nkwazi Nkuzi Mhango,2023-04-12 Africa has always blamed external colonisation for its Catch 22s such as violent ethnic conflicts for the struggle for resource control perpetual exploitation poverty and general underdevelopment all tacked to its past which is a fact logical and the right to pour out vials of ire based perpetual victimhood it has clung to and maintained and lost a golden chance of addressing another type of colonialism specifically internal colonisation presided over by black traitors or black betrayers or blats or blabes Basically internalised internal colonisation is but a mimesis of Africas nemesis namely external colonisation as another major side of the jigsaw cum story all those supposed to either clinically address or take it on have by far never done so for their perpetual peril In addressing internal colonisation this corpus explores and interrogates the narratives and nuances of the terms it uses The untold story of Africa is about internal colonisation that has alluded to many for many years up until now simply because it made Africans wrongly believe that it is only external colonisation their big and only enemy *African Americans and the Bible* Vincent L. Wimbush,2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible *African Americans and the Bible* is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meaning s of the Bible than about the Bible and meaning s less about the world s of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus *African Americans and the Bible* provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed Decolonizing African Biblical Studies David Tuesday Adamo,2004 *Africa Study Bible, NLT* John Jusu,2017 The Africa

**Religion, Thesis** Dr. Everett C Borders Jr.,2017-07-11 A forward truth real truth is never offensive except for the blinders of personal perspectives of latent benign ambiguities of realities and historical perceptions Without positive cognitive change something sleeps inside us all and seldom awakens This sleeper began to awaken in the mid 1950s and has stayed awake ever since as many and all have eyes but cannot fully or truly see as an eye for an eye will always leave you blind

**The Palgrave Handbook of Christianity in Africa from Apostolic Times to the Present** Andrew Eugene Barnes,Toyin Falola,2024-03-07 This comprehensive Handbook provides chapter length surveys of the history of

Christian missions and Christian churches on the African continent since the time of Christ Africa is rapidly becoming the most Christianized region of the world While common narratives about Christianity tend to present Christianity as a set of ideas and beliefs imposed on Africa from the outside such narratives hold little meaning for African Christians or for those seeking to understand Christianity in Africa as an indigenous faith The aim of the Handbook is to propose a set of scholarly starting points for a new set of narratives The chapters collected here communicate an idea of Christianity as it has been embraced among African peoples at particular historical moments It therefore grants voice to the various strands of African Christianity on their own terms and offers scholarly study of what these voices teach us about how the world's most adhered to religion is practiced and understood on the continent of Africa

**Anatomy of the Qur'an** Moshay G.J.O.,2011 The Muslim Students Association at the University of California says on their website Prophet Muhammad saas was the final Messenger of Allah to humanity and therefore the Qur'an is the last Message which Allah has sent to us Its predecessors such as the Torah Psalms and Gospels have all been superseded It is an obligation and blessing for all who hear of the Qur'an and Islam to investigate it and evaluate it for themselves Allah has guaranteed that He will protect the Qur'an from human tampering and today's readers can find exact copies of it all over the world The Qur'an of today is the same as the Qur'an revealed to Muhammad saas Emphasis mine Are Muslims ready for such an investigation and evaluation of the Qur'an It is a challenge we must take up Author G J O Moshay approaches this investigation with level headed gentleness but nonetheless holds nothing back He shows that the Qur'an does not stand up under such scrutiny His logic is both quiet and irresistible He quotes what the Qur'an says about itself and then asks questions that simply cannot be answered He goes on to list many of the surprising contradictions found in the Qur'an He shows how the Qur'an claims that Allah can say one thing today and then change it tomorrow Is Allah error free Of interest are the statements in the Qur'an which clearly connect people who even secular history reveal lived over 1 000 years apart Make no doubt Moshay is writing from a Christian perspective What makes him unique is his in depth knowledge of the Qur'an and its problems
