1861 and in the American embassy in London during and after the Civil War until 1868 O'Brien then covers a number of topics relevant to Adams's outlook on the South including his residency in that deceptively southern city Washington D.C. his journalism on the Reconstruction era South his biographical or historical works on the Virginians John Randolph Thomas Jefferson and James Madison and his two novels especially *Democracy* Finally O'Brien ponders the vein of southern self criticism exemplified by Wilbur J.
