OAG Travel Planner, Hotel & Motel Redbook ,1998 **Explorer's Guide Erie Canal: A Great Destination: Exploring New York's Great Canals** Deborah Williams,2009-06-01 The Erie Canal Great Destinations is the first comprehensive travel guide to New York State Canals and the communities and attractions found along them Each chapter covers one canal providing historical background as well as information on wineries canal museums restaurants lodging canal cruises and bike paths in all the major cities many of the small towns and villages and the two biggest Finger Lakes The guide offers separate sections on Buffalo Albany Syracuse Utica and Rochester and their outlying areas as well as a chapter on Niagara Falls With coverage of three smaller canals in the region the Oswego Champlain and Cayuga Seneca this is undoubtedly the most extensive guide to the canalways of the state **Country of Exiles** William R. Leach,2011-08-10 In **Country of Exiles** William Leach whose *Land of Desire* was a finalist for the National Book Award explores the troubling effects of our national love affair with mobility He shows us how the impulse to pull up stakes and find a new frontier has always battled with the need to put down roots and how a new cosmopolitanism has seized our national identity Leach takes us across a featureless America where strip malls homogenize a once varied and majestic landscape and where casinos displace the Native American spiritual connection to the land He shows us a culture where everyone from CEOs to office temps abandons the notion of company loyalty and where rootless academics posit a world without borders With compelling vision and insight Leach reveals the profound but often hidden impact of America's disintegrating sense of place on our national and individual psyche **OAG Business Travel Planner** ,2000 **The Praeger Handbook on Contemporary Issues in Native America** Bruce E. Johansen,2007-04-30 Most Americans know very little about Native America For many most of their knowledge comes from an amalgam of three sources a barely remembered required history class in elementary school Hollywood movies and debates in the news media over casinos or sports mascots This two volume set deals with these issues as well as with more important topics of concern to the future of Native Americans including their health their environment their cultural heritage their rights and their economic sustainability This two volume set is one of few guides to Native American revival in our time It includes detailed descriptions of efforts throughout North America regarding recovery of languages trust funds economic base legal infrastructure and agricultural systems The set also includes personal profiles of individuals who have sparked renewal from Sheila Watt Cloutier a leader among the Inuit whose people deal with toxic chemicals and global warming to Ernest Benedict and Ray Fadden who brought pride to Mohawk children long before the idea was popular Also included are descriptions of struggles over Indian mascots establishment of multicultural urban centers and ravages of uranium mining among the Navajo The set ends with a detailed development of contemporary themes in Native humor as a coping mechanism Delving occasionally into historical context this set includes valuable background information on present day controversies that are often neglected by the news media For example the current struggles to

recover Native American trust funds and languages both emerged from a cradle to grave control system developed by the U S and Canadian governments These efforts are part of a much broader Native American effort to recover from pervasive poverty and reassert Native American economic independence Is gambling an answer to poverty the new buffalo as some Native Americans have called it The largest Native American casino to date has been the Pequots Foxwoods near Ledyard Connecticut In other places such as the New York Oneidas lands in Upstate New York gambling has provided an enriched upper class the means to hire police to force anti gambling traditionalists from their homes Among the Mohawks at Akwesasne people have died over the issue This two volume set brings together all of these struggles with the attention to detail they have always deserved and rarely received
