The Gospel of Climate Skepticism Robin Globus Veldman, 2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork The Gospel of Climate Skepticism reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change The Gospel of Climate Skepticism offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative

action to address climate change *Of the Times and Seasons* Kevin Straub, 2017-07-31 Four forty year generations have entirely passed since 1844 Each one has failed to take hold of the high calling of being in possession of the third angel's message the last message of mercy for a dying world The delay in the return of Christ must not be charged to God's account as though He is waiting for some celestial time clock to reach a pre-determined mark Although God knows the day and the hour He has been waiting for us As we look around us at the rapid deterioration of our planet and witness the increasing fulfilment of the signs of His appearing we get a deep sense that we are getting very close to the end perhaps even now entering into the time Jesus spoke of as the beginning of sorrows Are we the first generation of a new cycle of four that generation that will see the close of probation the time of trouble and the return of Christ Are there any Bible and Spirit of Prophecy evidences that point to it Read the first section of this book In the second section we take a panoramic view of the history of the movement giving an understanding of the causes of the long detour into the wilderness travelled by the professed people of God The prophet Joel points to a story that must be told a story of the wasting of four generations Joel 1 2 4 It is important that we hear this story If we do not know our history as it is we will continue to perpetuate its mistakes The message of this book is an alarm clock set to arouse God's people in the final moments of earth's history It is sure to shake the reader Accept it or reject it you won't be able to ignore it **History of Seventh-day Adventist Work with Soyfoods, Vegetarianism, Meat Alternatives, Wheat Gluten, Dietary Fiber and Peanut Butter (1863-2013)** William

Shurtleff, Akiko Aoyagi, 2014-01-06 The most comprehensive book on this subject ever published With 3 638 references

Resources in Education , 1994-10 [Comprehensive Dissertation Index, 1861-1972: Business and economics](#) Xerox University Microfilms, 1973 **Seventh-Day Adventism in Africa** Gabriel Masfa, 2023-06-16 This book examines the complex history of Adventism in Africa situating it within the context of African traditions and culture From a small movement with origins in the United States the Seventh day Adventist Church has grown worldwide It is one of several Christian denominations present in Africa and yet the history of Seventh day Adventism in the global South has been largely unexplored by scholars The book highlights the discrepancies between western traditions exhibited in the missionary enterprise and African religious systems It also explores the intricate relation between colonialism and African Adventism in line with established studies in African Christianity It will be of interest to scholars of religion and theology particularly church history and mission studies as well as African studies **Better Health through Spiritual Practices** Dean D.

VonDras Ph.D., 2017-08-18 An in depth examination of religious practices around the world and the fascinating science behind how they make us healthier Many religious and spiritual beliefs promote wellness through their practices or stated objectives for example focusing on simple living having compassion for others vegetarianism or meditation and mindfulness This refreshing work provides a review of the world's spiritual perspectives and traditions and explores how their guiding principles encourage healthy lifestyle choices An examination of religious and nonreligious perspectives from around the

world from atheism Confucianism and Christianity to Islam Judaism Shamanism and Zoroastrianism reveals how faith beliefs and values influence behavior and inspire healthy living With contributions from leading international scholars the chapters include a discussion of Eastern and Western world religions and their practices such as fasting or the avoidance of alcohol and tobacco and how they may foster healthfulness A contemporary analysis of current research findings suggests possible interventions that individuals and health providers may utilize to enhance healthfulness A final chapter explores the connection between health illness and religious and nonreligious perspectives *The Ellen G. White Encyclopedia* Denis Fortin, Jerry Moon, 2014-04-08 Everything About Ellen G White in One Resource This masterwork brings together hundreds of articles that describe the people and events in the life of Ellen White as well as her stand on numerous topics Doctrine and Theology use of the Apocrypha the holy flesh movement the humanity of Christ justification king of the north latter rain legalism perfection Health and Lifestyle dress reform football hydrotherapy insurance use of humor milk and cheese politics and voting secret vice time management Life Events her conversion General Conference session of 1888 great controversy vision iceberg vision San Francisco earthquake Places Gorham Maine Graysville Tennessee Loma Linda Sanitarium Oakwood Industrial School Pitcairn People Elizabeth Harmon Bangs the twin sister that Ellen worked to bring into the faith Fannie Bolton the literary assistant who was fired a surprising number of times John Byington the militant abolitionist and first General Conference president Sylvester Graham the temperance advocate whose cracker lives on today Moses Hull the evangelist who lost a debate with a spiritualist in more ways than one Everything from the hymns Ellen White loved to the homes she lived in are covered in heavily referenced articles You ll find a detailed chronology of her life and extensive articles on her ministry her theology and her statements in the light of advancing scientific knowledge Whether you re preparing a sermon teaching a class or finding answers to personal questions this single resource has the answers you need

Social Issues Surrounding Harassment and Assault: Breakthroughs in Research and Practice Management Association, Information Resources, 2018-09-07 Violent behavior is an unavoidable aspect of human nature and as such it has become deeply integrated into modern society Examining violence through a critical academic and social perspective can lead to a better understanding of its foundations and implications Social Issues Surrounding Harassment and Assault Breakthroughs in Research and Practice explores the social and cultural influences of harassment and assault on human life and activity Highlighting a range of pertinent topics such as child abuse and neglect support services and sexual harassment this book is an ideal reference source for clinicians sociologists practitioners researchers and graduate level students interested in all aspects of social issues related to harassment and assault *Dialect Contact* Víctor Fernández-Mallat, Jennifer Nycz, 2025 Editors Jennifer Nycz and Victor Fernández Mallat argue that to expand our understanding of language use we must look at what happens when languages and versions of the same language come in contact with one another Over time two perspectives on dialect contact have emerged changes to individual speakers and

changes to a community of speakers In this book a set of international contributors from both perspectives examines what happens when speakers of one language variety interact with speakers of another language variety and how each perspective can contribute to the other In *Dialect Contact* language contact in five continents and multiple languages is examined The research presented both validates existing linguistic understanding and shares dynamics that are unique to particular groups of speakers *Dialect Contact* highlights the importance of contact dynamics in larger linguistic studies and shows the importance of disentangling their effects from data sets in order to consider the specific communities and individuals being studied This book will be a must have for sociolinguistics scholars and students **Events Tourism** Violet V. Cuffy, Fiona Bakas, Willem J. L. Coetzee, 2020-10-29 This book presents critical insights and contemporary perspectives for exploring current trends concerns and prospects of events tourism It examines modern day global issues facing the events and tourism industry policymakers researchers and academics to advance understanding of practice and development of theory Organised in four parts this book examines how events tourism is designed planned and delivered The first part engages with the core fundamental concepts of events tourism which establish a basic understanding of the field The second part addresses contemporary issues related to visitor attractions music festivals small and user generated events wanderlust and entrepreneurship The third part focuses on meetings and challenges in the conference industry after disasters the economic impact and other dilemmas of mega events and city and destination concerns The fourth and final part provides a peek into the future of events tourism vis vis reshaping cities music festivals and critical dilemmas of the 21st century With an international appeal because of cross national contributions this book will interest events and tourism practitioners academics students researchers policymakers and business and investment sector professionals across the globe

Surviving Your Dissertation Kjell Erik Rudestam, Rae R. Newton, 2014-05-28 Perfect for graduate students as well as behavioral and social scientists who supervise and conduct research In the fully updated Fourth Edition of their best selling guide *Surviving Your Dissertation* Kjell Erik Rudestam and Rae R Newton answer questions concerning every stage of the dissertation process including selecting a suitable topic conducting a literature review developing a research question understanding the role of theory selecting an appropriate methodology and research design analyzing data and interpreting and presenting results In addition this must have guide covers topics that other dissertation guides often miss such as the many types of quantitative and qualitative research models available the principles of good scholarly writing how to work with committees how to meet IRB and ethical standards and how to overcome task and emotional blocks With plenty of current examples the new edition features an expanded discussion of online research data collection and analysis and the use of data archives as well as expanded coverage of qualitative methods and added information on mixed methods *Ellen Harmon White* Terrie Dopp Aamodt, Gary Land, Ronald L. Numbers, 2014 In America as in Britain the Victorian era enjoyed a long life stretching from the 1830s to the 1910s It marked the transition from a pre modern to a modern way of life Ellen

Ellen Harmon White Terrie Dopp Aamodt, Gary Land, Ronald L. Numbers, 2014 In America as in Britain the Victorian era enjoyed a long life stretching from the 1830s to the 1910s It marked the transition from a pre modern to a modern way of life Ellen

White's life 1827-1915 spanned those years and then some but the last three months of a single year 1844 served as the pivot for everything else. When the Lord failed to return on October 22 as she and other followers of William Miller had predicted, White did not lose heart. Fired by a vision she experienced, White played the principal role in transforming a remnant minority of Millerites into the sturdy sect that soon came to be known as the Seventh-day Adventists. She and a small group of fellow believers emphasized a Saturday Sabbath and an imminent Advent. Today that flourishing denomination posts twenty million adherents globally and one of the largest education, hospital, publishing, and missionary outreach programs in the world. Over the course of her life, White generated 50,000 manuscript pages and letters and produced 40 books that have enjoyed extremely wide circulation. She ranks as one of the most gifted and influential religious leaders in American history. Ellen Harmon White tells her story in a new and remarkably informative way. Some of the contributors identify with the Adventist tradition, some with other Christian denominations, and some with no religious tradition at all. Taken together, their essays call for White to be seen as a significant figure in American religious history and for her to be understood within the context of her times.

Dr. John Harvey Kellogg and the Religion of Biologic Living Brian C. Wilson, 2014-09-18. A biography of the physician and health guru examining his views on science and medicine as he evolved religiously. Purveyors of spiritualized medicine have been legion in American religious history, but few have achieved the superstar status of Dr. John Harvey Kellogg and his Battle Creek Sanitarium. In its heyday, the San was a combination spa and Mayo Clinic. Founded in 1866 under the auspices of the Seventh-day Adventist Church and presided over by the charismatic Dr. Kellogg, it catered to many well-heeled health seekers, including Henry Ford, John D. Rockefeller, and Presidents Taft and Harding. It also supported a hospital, research facilities, a medical school, a nursing school, several health food companies, and a publishing house dedicated to producing materials on health and wellness. Rather than focusing on Kellogg as the eccentric creator of corn flakes or a megalomaniacal quack, Brian C. Wilson takes his role as a physician and a theological innovator seriously and places his religion of Biologic Living in an ongoing tradition of sacred health and wellness. With the fascinating and unlikely story of the San as a backdrop, Wilson traces the development of this theology of physiology from its roots in antebellum health reform and Seventh-day Adventism to its ultimate accommodation of genetics and eugenics in the Progressive Era. A well-researched biography that seeks to restore the reputation of the doctor satirized in T. C. Boyle's novel *The Road to Wellville* and in the film of the same name, Wilson has done much more than provide a sympathetic biography of the man who headed the once famous Battle Creek Sanitarium. There's much here to interest both adherents and skeptics of today's alternative and holistic medicines, as well as fans of American history, especially the history of religions. Kirkus Reviews. While he may look like a certain Kentucky Fried Colonel, Kellogg was an early advocate of a vegan diet, and the intriguing figure behind the famous Battle Creek Sanitarium that paved the way for many contemporary ideas of holistic health and wellness. Wilson's lively and accessible writing introduces readers to spiritualism, millennialism, the temperance, and social purity.

movements Swedenborgians and Mormons A thought provoking portrait of a charismatic intelligent medical doctor who never stopped absorbing new information and honing his theories even when he was faced with disfellowship from his church and ostracism by friends and colleagues ForeWord Reviews Wilson does an admirable job of portraying how the doctor s beliefs shifted and adapted over time Readers with a keen interest in religious history particularly as it relates to health care will enjoy this biography the most Library Journal **American Universities and Colleges** ,2014-10-08 No detailed description available for American Universities and Colleges **Encyclopedia of Medical Organizations and Agencies** ,1999

2quarter Sda Study Guides 2014 Book Review: Unveiling the Magic of Language
