**The Advocate** ,2003-08-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Blowin' Hot and Cool* John Gennari, 2010-09-15 In the illustrious and richly documented history of American jazz no figure has been more controversial than the jazz critic Jazz critics can be revered or reviled often both but they should not be ignored And while the tradition of jazz has been covered from seemingly every angle nobody has ever turned the pen back on itself to chronicle the many writers who have helped define how we listen to and how we understand jazz That is of course until now In *Blowin' Hot and Cool* John Gennari provides a definitive history of jazz criticism from the 1920s to the present The music itself is prominent in his account as are the musicians from Louis Armstrong and Duke Ellington to Charlie Parker John Coltrane Roscoe Mitchell and beyond But the work takes its shape from fascinating stories of the tradition s key critics

Leonard Feather Martin Williams Whitney Balliett Dan Morgenstern Gary Giddins and Stanley Crouch among many others Gennari is the first to show the many ways these critics have mediated the relationship between the musicians and the audience not merely as writers but in many cases as producers broadcasters concert organizers and public intellectuals as well For Gennari the jazz tradition is not so much a collection of recordings and performances as it is a rancorous debate the dissonant noise clamoring in response to the sounds of jazz Against the backdrop of racial strife class and gender issues war and protest that has defined the past seventy five years in America *Blowin' Hot and Cool* brings to the fore jazz's most vital critics and the role they have played not only in defining the history of jazz but also in shaping jazz's significance in American culture and life

**Radio Free Dixie** Timothy B. Tyson, 2009-11-15 This book tells the remarkable story of Robert F Williams one of the most influential black activists of the generation that toppled Jim Crow and forever altered the arc of American history In the late 1950s as president of the Monroe North Carolina branch of the NAACP Williams and his followers used machine guns dynamite and Molotov cocktails to confront Klan terrorists Advocating armed self reliance by blacks Williams challenged not only white supremacists but also Martin Luther King Jr and the civil rights establishment Forced to flee during the 1960s to Cuba where he broadcast Radio Free Dixie a program of

black politics and music that could be heard as far away as Los Angeles and New York City and then China Williams remained a controversial figure for the rest of his life Historians have customarily portrayed the civil rights movement as a nonviolent call on America s conscience and the subsequent rise of Black Power as a violent repudiation of the civil rights dream But Radio Free Dixie reveals that both movements grew out of the same soil confronted the same predicaments and reflected the same quest for African American freedom As Robert Williams s story demonstrates independent black political action black cultural pride and armed self reliance operated in the South in tension and in tandem with legal efforts and nonviolent protest
