316 Mining Corp In Indonesia People:

Land and Development in Indonesia John F. McCarthy, Kathryn Robinson, 2016-05-18 Indonesia was founded on the ideal of the Sovereignty of the People which suggests the pre eminence of people s rights to access use and control land to support their livelihoods Yet many questions remain unresolved How can the state ensure access to land for agriculture and housing while also supporting land acquisition for investment in industry and infrastructure What is to be done about indigenous rights Do registration and titling provide solutions Is the land reform agenda legislated but never implemented still relevant How should the land questions affecting Indonesia s disappearing forests be resolved The contributors to this volume assess progress on these issues through case studies from across the archipelago from large scale land acquisitions in Papua to asset ownership in the villages of Sulawesi and Java to tenure conflicts associated with the oil palm and mining booms in Kalimantan Sulawesi and Sumatra What are the prospects for the people s sovereignty in regard to land

The History of Mining Michael Coulson, 2012-11-12 THE INDUSTRY THAT FORGED THE MODERN WORLD Throughout history metals and raw materials have underpinned human activity So it is that the industry responsible for extracting these materials from the ground mining has been ever present throughout the history of civilisation from the ancient world of the Egyptians and Romans to the industrial revolution and the British Empire and through to the present day with mining firms well represented on the world s most important stock indexes including the FTSE100 This book traces the history of mining from those early moments when man first started using tools to the present day where metals continue to underpin economic activity in the post industrial age In doing so the history of mining methods important events technological developments the important firms and the sparkling personalities that built the industry are examined in detail At every stage as the history of mining is traced from 40 000BC to the present day the level of detail increases in accordance with the greater social and industrial developments that have played out as time has progressed This means that a particular focus is given to the period since the industrial revolution and especially the 20th century A look is also taken into the future in an effort to chart the direction this great industry might take in years to come Many books have been written about mining the majority have focused on a particular metal geographical area mining event or mining personality but The History of Mining has a broader scope and covers all of these essential and fascinating areas in one definitive volume

The Encyclopedia of Indonesia in the Pacific War, 2009-12-14 An obvious hiatus amidst the abundance of Pacific War studies is the story of Indonesia during that period The Encyclopedia of Indonesia in the Pacific War edited under the aegis of the Netherlands Institute for War Documentation now fills that gap This state of the art work reflects the different experiences and historiographic traditions of Indonesians Japanese and Dutch The aim is to present the developments in the Indonesian archipelago in as much a rational and dispassionate way as possible taking into account regional and social variations and interpreting them within the international context of pre and post war trends With due acknowledgement of different perspectives ambiguities unresolved

issues and conflicting views it sets out to enhance mutual understanding and academic dialogue *Against Colonization and Rural Dispossession* Dip Kapoor, 2017-08-15 Under the guise of development a globalizing capitalism has continued to cause poverty through dispossession and the exploitation of labour across the Global South This process has been met with varied forms of rural resistance by local movements of displaced farm workers small and landless women peasants and indigenous peoples in South and East Asia the Pacific and Africa who are resisting the forced appropriation of their land the exploitation of labour and the destruction of their ecosystems and ways of life In this provocative new collection engaged scholars and activists combine grounded case studies with both Marxist and anti colonial analyses suggesting that the developmental project is a continuation of the colonial project The authors then demonstrate the ways in which these local struggles have attempted to resist colonization and dispossession in the rural belt thereby contributing essential movement relevant knowledge on these experiences in the Global South A vital addition to the fields of critical development studies political sociology agrarian studies and the anthropology of resistance this book addresses academics and analysts who have either minimized or overlooked local resistances to colonial capital especially in the Asia Pacific and Africa regions *National Geographic People of the World* Catherine Herbert Howell, K.
