

1/20 SCALE AMERICAN CAR SERIES

All the different models of the Mustang are nearly in design and colored, but the Mach-1 is the sharpest. The hood is made as flat as possible with large air scoops on both sides. The fast back seat resembles a Ford racing car. The structure continues to the car end of the box. The Mach-1 and Boss 302 are equipped with a 5-cylinder 4.1 l. engine. The other models are equipped with a 3.0 l. engine, while the newest models use a 2.3 l. and a different form of 3.0 l. engines. The Mach-1, with a different engine variation, is a model that assures the highest performance. The 1000cc 300hp cubic air ram air engine can also be used optionally, in which case, an air scoop is mounted on top of the engine hood. The Mach-1 model has a race stripe along the side of the body and an air scoop on the rear deck.
