Cases on Informal Learning for Science and Mathematics Education Sun, Li, Lin, Cheng-Yao, 2025-04-17 Many educators face the challenge of engaging students in science and mathematics often struggling to bridge the gap between theoretical concepts taught in classrooms and their real world applications This disconnect can lead to disinterest and disengagement among students hindering their learning outcomes Cases on Informal Learning for Science and Mathematics Education offers a solution to this problem by showcasing how informal learning experiences can significantly enhance students understanding and engagement in these subjects This book demonstrates the potential of informal learning to support and complement formal classroom instruction by presenting a rich collection of case studies It highlights how activities such as cooking budgeting visiting museums and participating in after school math clubs can serve as valuable informal learning experiences that deepen students understanding of science and mathematics concepts The book also addresses the challenge of recognizing the value of informal knowledge in problem solving offering insights and strategies for educators to help students leverage their informal learning experiences

Inspiring Motivation in Children and Youth David A. Bergin, 2022-09-26 Inspiring Motivation in Children and Youth How to Nurture Environments for Learning explores motivation and its crucial role in promoting well being in the classroom and life beyond school It will help all those who work with children and youth to understand and improve their motivation and to create nurturing environments for younger people David Bergin provides a highly accessible exploration of key

research examining the ways children's goals, self-efficacy, self-determination and feelings of being cared for affect their motivation as well as their desire to learn more about themselves and the world. This essential guide also addresses influences of competition, diversity, prejudice and discrimination on motivation. The book provides a comprehensive look at the importance of instilling motivation at this critical age, highlighting the benefits through real-life examples and anecdotes. Illustrated with stories from diverse contexts, the author provides practical advice on how to use goals effectively to help children feel competent, autonomous and like they belong. *Inspiring Motivation in Children and Youth* is for any student looking to excel in a psychological, educational, health or social work setting as well as professionals in the field and parents. It is targeted for people who work or plan to work with children from pre-school to high school and will be useful to teachers, youth leaders, coaches, counselors, social workers and nurses.
