It would be extremely helpful to find someone who is willing to score your essay your teachers or anyone
 who is familiar with the test material If you do ask the person to assign each of your U S and Comparative Part I essays a
 score of 0 to 9 For your Comparative Part II essays use the 0 to 5 scale If you must grade your own essays try to be objective
 In addition you may want to give your essays three different grades For instance if you feel you did well try giving the essay a
 score of 5 6 or 7 to represent the various scores you may receive By underestimating what your score may be you are more
 likely to receive a better score on the actual exam Use the following formulae to determine your raw score for the Free
