

# 9 THINGS TO DO IN YOUR 20s TO BE A MILLIONAIRE BY 30

## 1. Focus on earning.

"In today's economic environment you cannot save your way to millionaire status. The first step is to **focus on increasing your income** in increments and repeating that."

— Grant Cardone

## 2. Save to invest, don't save to save.

"The only reason to save money is to invest it. Put your saved money into secured, sacred (untouchable) accounts. **Never use these accounts for anything**, not even an emergency." — Grant Cardone

## 3. Ask for help.

"Within months I had a lawyer, editor, personal trainer, part-time chef, and other personnel. It cost me a fortune at first, but eventually **helped push me** into the million-dollar mark. Most people won't ask for help because their ego is in the way." — Daniel Ally

## 4. Be decisive.

"Conserve your mental power by making easily reversible decisions **as quickly as possible**. I know what I am wearing to work and eating for breakfast each day next week. Do you?"

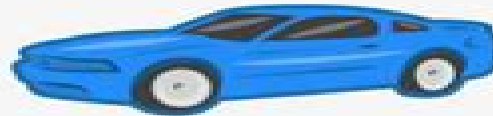

— Tucker Hughes

## 5. Don't show off — show up.

"I was still driving a Toyota Camry when I had become a millionaire. **Be known for your work ethic**, not the trinkets that you buy."

— Grant Cardone

## 6. Know when to take risks and act.

"You'll have to take major leaps in your life, sometimes not even knowing where it will lead. However, **it will pay off** once you get to the other side." — Daniel Ally

## 7. Go for \$10 million, not \$1 million.

"The single biggest financial mistake I've made was **not thinking big enough**. I encourage you to go for more than a million. There is no shortage of money on this planet, only a shortage of people thinking big enough."

— Grant Cardone

## 8. Master soft skills and cooperate.

"In the process of reaching the seven-figure mark, I've learned **dealing with people** is the most important attribute. No one can become a millionaire without knowing how to deal with people assertively." — Daniel Ally

## 9. Invest in yourself.

"The safest investment I've ever made is in my future. Read at least 30 minutes a day, listen to relevant podcasts while driving and seek out mentors vigorously ... **Consume knowledge like air** and put your pursuit of learning above all else." — Tucker Hughes
