Assessing Learning in the Primary Classroom Sandra Johnson, 2012-03-12 Why is assessment so important in the teaching learning process How should we assess pupils in

the primary classroom Assessing Learning in the Primary Classroom is an accessible introduction to the concepts critical to a professional understanding of this vital aspect of a teacher's role. It comprehensively considers the principles underpinning effective assessment, the different forms it can take and the different purposes it serves both within and beyond the classroom. Linking the latest research and theory with examples of assessment in the classroom, it considers key issues such as: Why we assess; How we assess; How we ensure quality in assessment; validity and reliability; Assessment internal and external to the school; Statutory assessment throughout the primary school; Local, national and international assessment; Using assessment results in pupil, teacher, school and system evaluation. Assessing Learning in the Primary Classroom is for all students undertaking their PGCE, those working at masters level and experienced teachers who wish to broaden their understanding of both the value and pitfalls of educational assessment.

Planning Primary English Kirstie

Hewett, 2024-05-23 Effective lesson planning is a crucial skill for all primary school teachers and is key to fostering engaging and focused learning. So how can new teachers ensure that their plans are motivating and impactful so that their students can make good progress? This book serves as a comprehensive roadmap for planning dynamic and effective English lessons and clearly explains key principles and concepts that underpin effective teaching in all aspects of the primary English curriculum. Covering a wide range of topics, this book discusses how to plan compelling lessons on teaching phonics, comprehension, grammar, spoken language and more, as well as adaptive teaching for an inclusive classroom. It identifies the key decisions new teachers who are planning their own lessons for the first time must consider to execute well-structured lessons and suggests how these can be tailored to meet the needs of all learners. Whether you're on a university-based path, PGCE, BEd, BA with QTS or exploring school-based routes, School Direct, SCITT, Teach First or an Early Career Teacher, this book is essential reading to transform lesson planning from a challenge into a creative and effective teaching tool. Kirstie Hewett is a senior lecturer in primary English at the University of Chichester.
