Exposing Privatization Pat Armstrong,Carol Amaratunga,Jocelyne Bernier,2001-01-01 This book begins with the international context for health care reform and then moves from coast to coast setting out what is known about the reforms in health care privatization that are underway and about their impact on women **Still Renovating** Greg Suttor,2016-11-01 Social housing public non profit or co operative was once a part of Canada s urban success story After years of neglect and many calls for affordable homes and solutions to homelessness housing is once again an important issue In Still Renovating Greg Suttor tells the story of the rise and fall of Canadian social housing policy Focusing on the main turning points through the past seven decades and the forces that shaped policy this volume makes new use of archival sources and interviews pays particular attention to institutional momentum and describes key housing programs The analysis looks at political change social policy trends housing market conditions and game changing decisions that altered the approaches of Canadian governments their provincial partners and the local agencies they supported Reinterpreting accounts written in the social housing heyday Suttor argues that the 1970s shift from low income public housing to community based non profits and co ops was not the most significant change highlighting instead the tenfold expansion of activity in the 1960s and the collapse of social housing as a policy priority in the 1990s As housing and neighbourhood issues continue to flare up in municipal provincial and national politics Still Renovating is a valuable resource on Canada s distinctive legacy in affordable housing Against the People Bryan Evans,Carlo Fanelli,2025-02-13T00:00:00Z The election of the Doug Ford led Progressive Conservatives unleashed an aggressive and undisguised market fundamentalism Ford s government has taken the assault against the social welfare state labour and environmental protections to new and unprecedented heights Maintaining a permanent era of austerity has not only steadily reduced the public sector as a

proportion of the provincial economy but has also reduced the social protections available to Ontarians Ford's deregulatory agenda has explicitly degraded the quality of social provisioning and eroded labour rights to the benefit of business From undermining the fiscal capacity to fund program expenditures adequately to reducing public sector employment and service levels Ford's government has reordered an array of ministries and agencies to boost business and development in general and the resource extraction and investment sectors in particular Tens of billions have been put back into the pockets of the business community often directly out of public coffers Few ministries and programs have been left unscathed Most people have not benefited Against the People is the first book of its kind to provide an in depth look into the devastating policies of the Ford government across a wide range of public policy issues from health care municipal education and judicial restructuring to economics arts labour environmental housing and Indigenous lands Written by on the ground experts and focused on the Progressive Conservatives since coming to power in 1980 this book showcases the politics of dismantling a province

Unnatural Law David R. Boyd, 2011-11-01 While governments assert that Canada is a world leader in sustainability *Unnatural Law* provides extensive evidence to refute this claim A comprehensive assessment of the strengths and weaknesses of Canadian environmental law the book provides a balanced critical examination of Canada's record focusing on laws and policies intended to protect water air land and biodiversity Three decades of environmental laws have produced progress in a number of important areas such as ozone depletion protected areas and some kinds of air and water pollution However Canada's overall record remains poor In this vital and timely study David Boyd explores the reasons why some laws and policies foster progress while others fail He ultimately concludes that the root cause of environmental degradation in industrialized nations is excessive consumption of resources *Unnatural Law* outlines the innovative changes in laws and policies that Canada must implement in order to respond to the ecological imperative of living within the Earth's limits The struggle for a sustainable future is one of the most daunting challenges facing humanity in the 21st century Everyone academics lawyers students policy makers and concerned citizens interested in the health of the Canadian and global environments will find *Unnatural Law* an invaluable source of information and insight For more information on *Unnatural Law* visit David Boyd's site www.unnaturallaw.com

Food and Fuel Andrew Heintzman, Evan Solomon, 2009 Culls top selected essays from *Feeding the Future* and *Fueling the Future* to explore the reasons for food and fuel shortages and what might be done to resolve them in a volume that includes pieces by such thinkers as Thomas Homer Dixon Gordon Laird and Jeremy Rifkin Original [Houses and Homes](#) John Sewell, 1994 In the first comprehensive book on the topic since the 1970s

former Toronto mayor John Sewell considers housing issues in Canada Writing in a style that is accessible and direct Sewell considers public private and social housing He looks at affordability and need discusses definitions of good housing and good neighbourhoods and examines the various approaches that governments have taken since World War II to increase the stock of reasonably priced housing He shows why these approaches have consumed large amounts of public dollars yet have often

failed Indeed homelessness is a larger problem in Canadian cities than ever before In a time of shrinking public expenditures he proposes the kinds of solutions necessary to ensure that all Canadians are well housed As chair of the Metro Toronto Housing Authority in the eighties and more recently as chair of the Commission on Planning and Development Reform in Ontario Sewell has played a unique role in increasing public awareness of housing issues His thought provoking analysis will be of interest to all who believe that Canadians deserve affordable housing *Canada, Statistical Abstract and Record* ,1919
