Abba Eban An Autobiography:

Abba Eban: An Autobiography Abba Eban, 2019-07-31 Israel's long time foreign minister recounts in the first person dramatic events in which he was a key participant on the world stage Israel's 1948 war of independence the 1956 Suez campaign the Six day war in 1967 and the Yom Kippur war in 1973 An autobiography that makes compelling reading Eban's words and deeds derive from his commitment to the principle of partition of ancient Palestine Eban's testament is not only elegant but timely James Chace The New York Times A compelling and well written autobiography by the former foreign minister of Israel that dramatizes the debates within the Zionist movement that has characterized the modern history of Israel The New York Times This personal story is an informal and informative history of Israel's diplomacy since before the birth of the state and also includes a mixture of philosophic reflection and views on personalities and politics all presented in Eban's well known felicitous style John C Campbell Foreign Affairs Eban's engrossing autobiography tells us a great deal about both the author and his political activities on behalf of Israel in the world arena Impeccably written Eban's autobiography is an important political document and personal testimonial Kirkus Reviews Abba Eban Abba Solomon Eban, 1977 Abba Eban Abbâ Šelomo Even, 1977 **Abba Eban** Mitchell Krauss, Abba Eban, New York Public Library. Dorot Jewish Division. Oral History Collection, American Jewish Committee. Oral History Library, 1972 A Restless Mind Benjamin Frankel, 2013-11-05 Amos Perlmutter has devoted his academic career to the study of comparative politics international relations and modern authoritarianism He has written 14 books and more than 70 articles in academic journals He has also been a prolific contributor to newspapers in the United States and abroad and offered commentary on TV and radio shows These essays analyse and explain some of his thinking The Diplomats, 1939-1979 Gordon A. Craig, Francis L. Loewenheim, 2019-01-15 This volume offers a unique perspective on a turbulent and dangerous age by focusing on the activities and accomplishments of its diplomats Its twenty three interconnected essays discuss the politics of ambassadors foreign ministers and heads of state from Acheson and Adenauer to Sadat and Gromyko as well as the special problems of the professionals in the foreign offices and the role of the media in modern diplomacy Among its contributors are such distinguished international scholars as Akira Iriye Michael Brecher Stanley Hoffmann W W Rostow and Norman Stone Expanding the field of inquiry covered by its acclaimed predecessor *The Diplomats 1919-1939* which concentrated on Europe and the coming of the Second World War these essays showcase the major diplomatic practitioners of the period against the broader background of the problems and crises that confronted them among others the Polish question at the end of World War II the onset of the Cold War the defeat of EDC in 1954 the Suez crisis Khrushchev's Berlin note in 1958 the Middle East War of 1967 and the oil shock of 1973 the Iranian revolution and the Soviet invasion of Afghanistan This account of the pendular swing from crisis and detente and back again is given a global perspective by careful treatment of the diplomacy of new nations like India Communist China and Israel and the transformation of the Middle East and Japan Among the new

perspectives offered here are Geoffrey Warner's critical view of Ernest Bevin's attitude toward the United States John Lewis Gaddis's judgment of Henry Kissinger's detente policy W W Rostow's analysis of the diplomatic method of Paul Monnet Rena Fonseca's assessment of Nehru's policy of nonalignment Shu Guang Zhang's fresh look at the relationship between Zhou Enlai and Mao and Paul Gordon Lauren's critique of U N crisis management from Trygve Lie to Perez de Cuellar Highly original also are Steven Miner's portrait of Molotov Michael Brecher's pioneering study of the diplomacy of Abba Eban and James McAdams's analysis of German Ostpolitik Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 [The Legality of a Jewish State](#) John Quigley, 2021-12-16 Argues that Britain the USA and the USSR overrode legal rights in Palestine in pursuit of their own self interests **American Arabists in the Cold War Middle East, 1946-75** Teresa Fava Thomas, 2016-07-06 This book examines the careers of 53 area experts in the US State Department's Middle East bureau during the Cold War Known as Arabists or Middle East hands they were very different in background education and policy outlook from their predecessors the Orientalists A highly competitive selection process and rigorous training shaped them into a small corps of diplomatic professionals with top notch linguistic and political reporting skills Case studies shed light on Washington's perceptions of Israel and the Arab world as well as how American leaders came to regard and often disregard the advice of their own expert advisors This study focuses on their transformative role in Middle East diplomacy from the Eisenhower through the Ford administrations *The International Diplomacy of Israel's Founders* John Quigley, 2016-01-14 During the early to mid twentieth century the Zionist Organization secured a series of political victories on the international stage leading to the foundation of a Jewish state and to its ability to expand its territorial control within Palestine The International Diplomacy of Israel's Founders provides a revisionist account of the founding of Israel by exposing the misrepresentations and false assurances of Zionist diplomats during this formative period of Israeli history By comparing diplomatic statements at the United Nations and elsewhere against the historical record it sheds new light on the legacies of such leaders as Chaim Weizmann David Ben Gurion Abba Eban and Shabtai Rosenne Including coverage of little discussed moments in early Israeli history this book offers an important new perspective for anyone interested in the history of the Israeli Palestinian conflict **The Struggle for Peace** Elizabeth Warnock Fernea, Mary Evelyn Hocking, 2014-11-06 The determination of ordinary people to end regional and global conflicts is powerful despite the forces opposing them The Struggle for Peace explores how average citizens on both sides of the Israeli Palestinian conflict worked for peace in the late twentieth century Essays by noted scholars are juxtaposed with profiles of individual Israelis and Palestinians involved in

peace activism What emerges is a unique perspective on the prospects for peace in this troubled area Coordinated with a documentary film of the same name the book is designed as a tool for the study of conflict resolution generally and the Israeli Palestinian conflict in particular The twelve original essays deal with the issues from different disciplinary perspectives political science Yehoshafat Harkabi A R Norton Muhammad Muslih and Robert Vitalis history Avraham Zilkha and Joel Beinin anthropology Robert Rubinstein sociology Salim Tamari film Steven Talley law Edward Sherman and international peacekeeping Christian Harleman The human side of the struggle is presented through brief biographies and portraits of twenty five ordinary Israelis and Palestinians involved in peace activities in Israel and the West Bank **Voice of Israel**

Abba Eban,2019-08-16 Voice of Israel is a collection of Abba Eban s speeches before the United Nations Security Council and General Assembly at universities and other venues between 1948 and 1968 Eban addresses Israel s position on security in the Middle East the Arab refugee problem Jerusalem and the Holy Places freedom of navigation through the Suez Canal and the Straights of Tiran border clashes American Israel relations and the Six Day War The Ambassador sounds a note of fierce and joyous pride in the achievements of Israel The texts show Mr Eban s equal facility with the majestic phrase the mild word and the blunt rejoinder It need not be insisted that Mr Eban is the oratorical equal of the incomparable Sir Winston Churchill Hal Lehrman The New York Times For almost two generations Abba Eban was Israel s voice its messenger to the high and mighty among the nations as well as to the Jewish people all over the world Since he first appeared at the side of Dr Chaim Weizmann in the late 1940 s during the struggle for Jewish statehood and sovereignty few people could articulate the Zionist and later the Israeli case with comparable eloquence and conviction With his Churchillian prose and almost Shakespearean cadences his mellifluous phrases and sonorous voice carried for decades a message of hope from a people that could have lost all hope and trust in humanity after the horrors of World War II As Ambassador to the United States and the UN and later as Foreign Minister he represented an Israel with which the world s liberal imagination could identify Larger and more powerful nations were envious of so powerful a spokesman and his speeches became textbook models for statesmen and diplomats in distant lands His books which he found time to write despite the hectic demands of diplomacy were a unique combination of enormous erudition and crystalline clarity His scholarly training and rhetorical gifts supplemented each other in a rare fashion Rarely has a small country been represented by a statesman of such world stature only Thomas Masaryk and Jan Smuts come to mind to compare with him He was a true patriot in the old fashioned sense of the word proud of his people but never ethno centric a man of the world but deeply embedded in Jewish cultural heritage focused on the plights and tribulations of the Jewish people but never losing the universal horizon of mankind In short he was a modern Jew in the best sense of the word Shlomo Avineri Foreign Relations of the United States United States. Department of State,1955

The Middle East and the United States, Student Economy Edition David Lesch,2018-10-03 This volume addresses the changes in the Middle East and in the United States as well that has significantly affected the US Middle Eastern

dynamic It provides an objective cross cultural assessment of U S foreign policy in the Middle East **The Presidency of Richard Nixon** Melvin Small,1999 A lively anecdotal account features every facet of Nixon s controversial administration just in time for the 25th anniversary of his history making resignation from the presidency 23 photos *Letter to Israel* R. Dean Hubbard,2006-08 R Dean Hubbard has uncovered numbering schedule that ties today s current events with biblical events or prophecy In *Letter to Israel* from Creation House a division of Strang Communications Hubbard uses this astonishing numbering system to show how the timing of Hitler s rise to prominence the collapse of the Soviet Union and key developments in the Middle East all tie into God s agenda for the Jewish people and the land of Israel And None Shall Make Them Afraid Rick Richman,2023-03-07 This is the story of how Zionism supported by Americanism created a modern miracle told through the little known stories of eight individuals who collectively changed history *And None Shall Make Them Afraid* presents eight historic figures four from Europe Theodor Herzl Chaim Weizmann Vladimir Jabotinsky and Abba Eban and four from America Louis D Brandeis Golda Meir Ben Hecht and Ron Dermer who reflect the intellectual and social revolutions that Zionism and Americanism brought to the world In some cases the stories have been forgotten in other cases misrepresented in still others not yet given their full due But they are central to the miraculous recovery of the Jewish people in the twentieth century Taken together they recount both a people s return to its place among the nations and the impact on history that a single individual can make More than a century ago after studying the early Zionist texts Brandeis concluded that Jews were the trustees of their history charged to carry forward what others in the past have borne so well The stories in this book recording the extraordinary efforts of extraordinary individuals that created the modern state of Israel and then sustained it reinforce Brandeis s observation for our own time The story of Zionism and its interaction with Americanism is a continuing one This book is not only about the past but the present and future as well **American Presidents, Religion, and Israel** Paul Merkley,2004-07-30 Shortly after the end of the Second World War President Harry S Truman declared his support for the creation and maintenance of the modern state of Israel basing that support on religious and theological grounds This is the first book to explore the connection between the religious backgrounds and beliefs of U S presidents in relation to their policies toward Israel From Truman to Ford U S presidents relied in part on their religious and moral commitments to support their policies and views toward Israel Beginning with Carter however presidents have abandoned the role of champions of Israel to become champion of the Peace Process stressing peace and a secular approach that rises above the religious and theological fray And yet even in the context of this attempted fair mindedness U S presidents reveal their personal religious and moral beliefs in their responses to the issue of Israel Today George W Bush one of the most vocally religious presidents seems poised to take up the tradition once again of relying on his religious convictions to justify his positions toward the Arab Israeli conflict Here Merkley argues that while faith alone does not determine action or that it even has a controlling influence religious belief does play a role in the policies that U S presidents and the nation adopt

toward Israel When Truman declared I am Cyrus he was emphatically grounding his support of the modern state of Israel in his belief in the Bible Referring to the Persian king who allowed the Jews to return to Israel and to build the Second Temple Truman revealed his religious commitments and supported his policies on biblical grounds Bringing to the fore neglected evidence of the role of religious belief in policies toward Israel Merkley explores an overlooked aspect of presidential decision making suggesting that religion while not the only factor is at least among the influences that determine a president's view of the Arab Israeli conflict From Truman to Ford policies often reflected the Evangelical traditions that dictated unyielding support of Israel but with Carter's commitment to the peace process above all else the trend turned toward moral absolutes and more general religious beliefs that could sustain arguments for a negotiated peace George W Bush thus far however has clearly demonstrated his personal religious beliefs and may in the end reclaim the mantle of Cyrus

The United States and the State of Israel David Schoenbaum, 1993 Schoenbaum's book is a history of one of the most remarkable liaisons in international experience a portrait of the special relationship between the last remaining superpower and the tiny Jewish state between the Jordan and the Mediterranean and a study of how that relationship grew and works From Truman to Bush the United States has assured Israel's existence while providing billions in military and economic support Over the same period no U S president has ever submitted a formal treaty of alliance to the Senate or even moved the American embassy from Tel Aviv to Jerusalem In fact cross purposes and mutual doubts have always coexisted with shared values complementary interests great expectations and real achievements Schoenbaum's book traces Israeli American relations from their roots in both American and Jewish experience to the risks and opportunities of the current peace process It also examines the relationship in the perspective of two world wars the Cold War the Gulf War European colonialism and Middle Eastern nationalisms global policy and domestic politics in both countries The result is the story of one of history's oddest international couples hard pressed to live together but unable to live apart

Searching for Heaven on Earth David Jeremiah, 2004 The beautifully designed color interior and padded hardcover make this an attractive impulse item A companion journal is available to help readers apply the important revolutionary message of The One Thing to their daily lives

Raising Standards in History Education Alaric Keith Dickinson, Peter Gordon, Peter John Lee, 2001 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company

Eventually, you will entirely discover a further experience and success by spending more cash. still when? get you recognize that you require to acquire those all needs considering having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more roughly the globe, experience, some places, taking into consideration history, amusement, and a lot more?

It is your unconditionally own period to pretend reviewing habit. in the middle of guides you could enjoy now is **Abba Eban An Autobiography** below.
