## **Abortion Confidential Secrets Of An Abortion Clinic Owner:**

*Abortion Confidential* Norma Goldberger, 2014-11-23 *Abortion Confidential* is one woman's experience of delivering abortion and birth control services in an Ohio community bent on preventing such services. Like the canary in a coal mine, abortion rights in America are a focus of U.S. women's status in society as it fluctuates between that of chattel to full equality. The book can be read as a case study of social change both from a societal perspective and from an individual woman's perspective. It is a study of anti-women discrimination and prejudicial behavior from not only a societal but also from a personal perspective. It also opens an insider's view of the character and upbringing that motivated the author's role in advancing social change and the motivation and tactics used by those who seem to prefer a mediaeval view of society. The daily struggle of dealing with employees, medical service providers, patients, and abortion opponents who all seem to revel in making life difficult punctuates a story that includes actions on the national stage that defined abortion rights through the 1980s. This book personalizes the delivery of abortion services prior to the legalization of abortion during its legalization and then through all the attempts to thwart such services legally and illegally over a span of more than 20 years. It predicts the diminishing ability to provide legal abortions as the pendulum of change swings backwards all in the propagandistic terms of preserving the health of the woman. It is a truth that whatever happens to one person happens to many others in a society. While at least 20% of women have had abortions, few are willing to become a protective political force for other women because, as this book demonstrates, women think their reproductive choices are unique and based on different criteria than those made by their sisters.

**This Common Secret** Susan Wicklund, Alan S. Kesselheim, 2007-12-31 A female physician describes her dedication to helping women through the abortion experience, the dangers she faced as an abortion provider, and her thoughts on the abortion debate.

*I Had A Secret For Seventeen Years* Tori Shaw, 2020-07-15 *I Had A Secret for Seventeen Years* is the redemptive life story of Tori Shaw centered around her abortion as a teenager. She spent years covered by guilt and shame while enduring continual abandonment and rejection. Childhood experiences taught her to hide hardship so she silently dealt with depression, fear, anxiety, self-loathing, and addictions. After hiding her dark secret for seventeen years, Tori shares her story with the world. A woman who once walked in fear and self-doubt is now willing to go wherever God wants her to go. Through Tori's story, God builds a ministry that helps abortion-minded women choose life for their babies and shares God's forgiveness and love with post-abortive women. *I Had a Secret for Seventeen Years* enables the reader to see a post-abortive woman come full circle and embrace the world of possibilities God makes available to those who are willing.

**The Secret Sins of Their Preachers** Peggy Savage Baumgardner, 2014-08-25 Edward and Donald Briceson are identical twins but they could not be more different. Edward excelled in school and was very popular. Donald barely passed and had to live in Edward's shadow. Edward receives a scholarship to the same college that Charles Briceson, his father, also graduated from. He then becomes a very influential minister for one of the largest churches on the east coast.

Donald becomes a career criminal committing his first murder as a teenager The twins lived their lives far apart from each other without as much as a postcard sent between them A crime committed in Edward s church prompts the police to dig up his past as well as Donald s A web of lies and a string of murders and rapes committed is brought to surface threatening to destroy Edward Briceson s family and his spotless image as well as the church he has worked so hard to build Will this shadowy past lead to a dire future for the twins Is the Reverend Edward Briceson a true man of God as everyone thinks that he is Did Donald Briceson actually commit all of the crimes or was Reverend Edward Briceson guilty also

**Happy Abortions** Erica Millar,2017-12-15 A provocative and important book that every pro choice advocate should read Sin ad Kennedy Coalition to Repeal the 8th Amendment When it comes to abortion today s liberal climate has produced a common sense that is both pro choice and anti abortion The public are fed an unchanging version of what the abortion choice entails and how women experience it While it would prove highly unpopular to insist that all pregnant women should carry their pregnancy to term the idea that abortion could or should be a happy experience for women is virtually unspeakable In this careful and intelligent work Erica Millar shows how the emotions of abortion are constructed in sharp contrast to the emotional position occupied by motherhood the unassailable placeholder for women s happiness Through an exposition of the cultural and political forces that continue to influence the decisions women make about their pregnancies forces that are synonymous with the rhetoric of choice Millar argues for a radical reinterpretation of women s freedom

NIV, Real-Life Devotional Bible for Women  
 Zondervan, 2013-03-19 As women we want to fully live up to our God given potential But we fall victim to the messages the world whispers in our ears You need to buy all of this stuff in order to feel complete You'd be a lot happier if you had a different husband If you're not super mom and you can't do it all you aren't good enough The reality is what the world tells us isn't true If we listened to these messages our lives would become harried empty and phony Instead we need to listen to the messages that God gives us in his Word A great place to start is Proverbs 31 The woman described in this passage seems like the ideal woman and she is But even more she is real She is authentic and true with a heart for God a heart for her family and a heart for her community How do you become that woman It's a journey and it happens by the choices you make every day The NIV Real Life Devotional Bible for Women will help you become the woman you want to be With insightful daily devotions from Lysa TerKeurst and the women at Proverbs 31 Ministries this Bible helps you maintain life's balance in spite of today's hectic pace The 365 daily devotions inspire you to live authentically as a woman of God

The Secret Power of Juries  
 Gary Bauslaugh, 2013-09-18 Canadians know that the jurors at a trial decide the defendant's guilt or innocence according to the law of the land What they don't know is how far that right actually goes and what the real power of juries is Sometimes people even jurors wonder if a law or a judgment in a particular case is a just one When the law seems wrong we

are told there is only one solution change the law In fact though in our legal system there is another remedy When jurors decide that to question the fairness of applying the law in the case they are deciding may lead to a manifestly unfair and unjust result they have the right not to apply that law However in Canada it is illegal and completely forbidden for a trial lawyer or even a judge to tell jurors they have this right to nullify the law In the Canadian justice system jurors can hand down a verdict of not guilty even if the facts pointing to guilt are clear even if the accused doesn't deny the facts even if the judge tells the jurors to find the accused guilty This centuries old safeguard which goes along with the principle of jury independence has protected people's rights and freedoms and helped sweep away laws that ordinary citizens think are outdated and unjust This power of juries is known to the legal community but is largely unknown by the general public until now Gary Bauslaugh author of *Robert Latimer A Story of Justice and Mercy* Lorimer 2010 learned the specifics of this matter as a result of his research around the Robert Latimer case In his new book written for non expert readers and citizens who have been summoned for jury duty he tells the story of jury nullification from Quaker leader William Penn to the modern day acquittal of Henry Morgentaler who was charged with conducting abortions Bauslaugh then lays out the arguments that some people make against jury independence and nullification and makes his own argument in favour of these safeguards He offers suggestions for jurors who may find themselves in a situation where their consciences are at odds with the law

American Taboo Lauren Rosewarne, 2013-08-13 America's often unspoken morality codes make many topics taboo in the land of the free This book analyzes hundreds of popular culture examples to expose how the media both avoids and alludes to how we derive pleasure from our bodies Flatulence male nudity abortion masturbation these are just a few of the taboo topics in the United States What do culturally enforced silences about certain subjects say about our society and our latent fears This work provides a broad yet detailed overview of popular culture's most avoided topics to explain why they remain off limits and examines how they are presented in contemporary media or in many cases delicately explored using euphemism and innuendo The author offers fascinating in depth analysis of the meaning behind these portrayals of a variety of both mundane and provocative taboos and identifies how new television programs films and advertising campaigns intentionally violate longstanding cultural taboos to gain an edge in the marketplace **Congressional Record** United States.
