The Prophetic Critique of the Priority of the Cult Theresa V. Lafferty, 2012-04-09 When Jesus overturned the carts of the merchants in the temple he was just the latest in a long line of people who decried the activities that took place there To understand his actions better one must go back in history to the eighth century BCE to the first two prophets to criticize the temple cult Amos and Isaiah Their criticism of all worship activities came as a result of the people setting wrong priorities in their lives What happens in the temple should extend into regular everyday activities in the home in the market in business dealings at work and at the city gate Amos and Isaiah present similar oracles that address the prioritization of worship over real life This book looks closely at their oracles comparing and contrasting them and analyzes what they were trying to teach the people *Readers' Guide to Periodical Literature*, 1914 [1 & 2 Chronicles: An Introduction and Study Guide](#) Leslie C. Allen, 2021-07-15 Leslie C Allen introduces students to the 1 & 2 Chronicles in the Old Testament incorporating insights from over two decades of previous scholarship while grounding his analysis in earlier key works A Message for Yehud sums up what has been judged to be a fundamental motivation underlying the whole book a conviction that the obligation to seek the Lord in the light of the Torah and prophetic texts must be laid on the hearts of the community of Yehud in the fourth century BCE To this end using Samuel Kings as a basis Chronicles reviewed pre exilic royal history for positive and negative clues as to how the generation for which it was written might achieve this spiritual ideal In the book Allen shows how this program was communicated all through the book by literary and rhetorical means *Carry the Flame Bible Study Guide plus Streaming Video* Jim Cymbala, 2023-05-23 Do you ever feel like you need to be qualified to effectively share the gospel and help build God's kingdom God is seeking and equipping ordinary men and women whose greatest qualification is that they make themselves available to him In this video Bible study streaming code included bestselling author and long time pastor

Adult Bible Studies Summer 2022 Theme Transform The lessons this quarter begin with a look at the ministry of the Holy Spirit that brings new life to us as members of the body of Christ Jesus tells the disciples in John's Gospel that he must leave so that the Comforter or Holy Spirit could come The Spirit will lead and guide us into all truth and bring gifts and graces to all who will receive them This transforming power prepares us for ministry in the world The Holy Spirit's work in empowering us to be the church and carry out its mission is not limited to time and space The lessons in Unit 2 take us through a series of events in the context of Jewish and Gentile hostility in which we see how the Holy Spirit moved the church forward to serve others The final four lessons in this quarter explore a problem that has plagued humankind throughout the ages violence How do we as the people of God confront and overcome this menace to the faith

Unit 1 The Fruit of the Spirit Paul used the metaphor of fruit to help us understand that our lives are like the firstfruits of offering Through participation in Christ's crucifixion through baptism we have offered our lives to God's service The Holy Spirit then gives us gifts to display

Scriptures Acts 2 1 4 17 21 33 38 39 1 Corinthians 2 10 16 Galatians 5 13 21 Galatians 5 22 26 **Spiritual Practice** Silence

Unit 2 The Work of the Church These lessons take us through a series of events in the Book of Acts in which the activity of the Holy Spirit drives the action forward The lessons in Unit 1 identify the gifts granted to us by the Spirit these lessons look at the path on which the Spirit directs our lives and how the Spirit is already active before we arrive at our destination

Scriptures Acts 4 23 31 Acts 8 26 39 Acts 11 1 18 Acts 15 1 21 Acts 16 25 34 **Spiritual Practice** Service

Unit 3 The Pursuit of the People God's word established a created order that depends on fruitfulness and cultivation rather than violence to maintain it but humanity through its rivalries brings violence into God's created order It is clear from Scripture that God's intent is to reestablish shalom the Hebrew word that means a shared well being and abundance While violence remains a part of the created order God does not quietly sanction the human use of violence and calls us to imitate God's love and work toward shalom

Scriptures 1 Chronicles 22 6 10 17 19 Matthew 5 9 38 48 Ephesians 2 11 22 Matthew 26 47 56 **Spiritual Practice** Remembering

Participants in Old Testament Texts and the Translator Regt, 2018-07-17 In Biblical Hebrew texts individuals and groups are referred to according to specific rules and conventions How are participants introduced into a text and traced further When is this done by means of proper names when by nouns and when by pronominal elements In this book examples from many Biblical passages illustrate the patterns involved These rules help to solve problems of participant reference in controversial passages But it is not enough to know who are the participants one needs to establish why they are referred to the way they are Main characters in a text are referred to differently from others Certain devices of participant reference help to indicate paragraph boundaries Unusual references to participants aim to be noticed and have rhetorical impact Proper names may occur where one would have expected a pronominal element or vice versa Participants may be mentioned in an unexpected order Special attention is given to such unusual reference devices and the rhetorical strategies involved climax suspense and implicit comment In a translation these strategies should still be as

clear as they are in the source text So how have reference devices been handled in ancient and modern translations **A**
