The Greylands: Volume I Susan Skylark,2013-01-20 A land of shadows of mystery of obfuscated Truth Welcome to the Greylands that strange world within the bounds of Time peopled by mortal men We cannot see truly only as through a glass darkly There are things that move and have their being completely beyond our ability to perceive them There are things beyond our mortal ability to comprehend There are hints and glimmers hidden within the body of revealed Truth but there is much we do not know cannot yet understand and could never dare dream These stories are mere fancy with a seed of Truth at their core They play with the ideas of mortality and Eternity Time and things beyond it and of course the epic battle of Good against Evil Each stands alone and though there are common themes threads names and concepts each story is an entity unto itself and should not be seen as occurring in the same world or mistaken for installments of a series These are random musings not Gospel Truth and should not be taken as such Joy hope and encouragement are hopefully a byproduct but certainly not sound Theology If you would know more of the true world beyond these Greylands one must be a careful student of the Scriptures not of silly stories such as these [Lordship and the Decentralized State in Late Medieval Europe](#)
