Supplement to the American and English Encyclopaedia of Law (second Edition) David Shephard Garland, 1908

Boys Abducted Abdulhamit Arvas, 2025-03-14 In *Boys Abducted* Abdulhamit Arvas explores the history of abducted boys in English and Ottoman literary and visual culture to examine the relationships between homoeroticism race and empire in the early modern period The popular literary trope of the abducted beautiful boy often eroticized as an exotic object of desire intersects with the historical phenomenon of vulnerable youths who were captured and exchanged within the global traffic in bodies Arvas offers a queer historicist analysis of a wide array of Ottoman and English texts and genres ranging from poetry drama and travelogue to chronicles maps and visual arts He shows how the boy in these representations crosses boundaries between nations and empires embodying the tensions and dissonances between the aestheticized eroticism of literary and cultural representations and the violent history of abductions conversions and enslavements In so doing Arvas presents complex parallels and connections between the two societies highlighting the circulation of sexual and racial discourses in imperial imaginings to uncover discursive formations and formulations of sexuality race and empire *A Commentary on the United Nations Convention on the Rights of the Child* Sharon Detrick, 2023-12-18 This book provides a commentary on the United Nations Convention on the Rights of the Child which was adopted by the General Assembly of the United Nations on 20 November 1989 Part One contains a general introduction to the Convention on the Rights of the Child and deals with matters such as the drafting history the contents direct application horizontal effects limitations the Committee on the Rights of the Child and the Convention's final provisions Part Two contains an article by article commentary the aim of which is not to give an interpretation of the precise nature and scope of States parties obligations but rather to identify the materials or sources which provide guidance in that regard In the identification of such materials attention has been paid to the general rules of treaty interpretation as set forth in the Vienna Convention on the Law of Treaties **International Parental Child**

Abduction and the Law Geraldine Carney, 2024-06-13 Japan has faced widespread scrutiny for failing to properly address international parental child abduction involving its citizens This book examines how and why Japan has come to have this tarnished image its response and how it might manage these disputes in the future In particular the book explores how Japan engages with international legal frameworks to manage international parental child abduction and what this means in reality for Japanese people and others who come under its wide umbrella A focus of this examination is how the key international treaty the Hague Convention of 25 October 1980 on the Civil Aspects of International Child Abduction has fared since being

introduced in Japan in 2014 Case studies of parental child abduction involving Japan are used throughout to illustrate the legal and social concepts discussed in the book The struggles of both abducting and left behind parents across fluid international borders reveal seismic social and philosophical shifts in Japan that continue to shape its legal landscape This book will be a useful resource for students of Japanese Studies Sociolegal Studies Comparative Law and International Law

The United Nations Convention on the Rights of the Child Sharon Detrick,2023-11-27 This book serves as a comprehensive guide to the travaux pr paratoires of the United Nations Convention on the Rights of the Child a significant international treaty that outlines the fundamental human rights of children Compiled and edited by Sharon Detrick with contributions from experts such as Jaap Doek and Nigel Cantwell it explores the origins development and implications of the Convention which was adopted by the UN General Assembly in 1989 The book aims to provide a detailed understanding of the Convention s provisions including the rights of children to life equality education and protection from abuse It is intended for policymakers legal professionals and scholars interested in children s rights and international law

Parental Child Abduction to Islamic Law Countries Nazia Yaqub,2022-10-20 As the world becomes smaller family law is becoming truly global giving rise to more and more questions for private international law This book looks at the sensitive and complex question of child abduction with a unique child rights perspective Taking Islamic law as its case study it delves into child abduction in key jurisdictions from Iran to Saudi Arabia and Libya to Pakistan Rigorous doctrinal analysis is enhanced by empirical insights namely interviews with abductees parents and professionals It is an excellent guide to a complicated field

Consent and Coercion to Sex and Marriage in Ancient and Medieval Societies Angeliki E. Laiou,1998 This collection of essays addresses a number of questions regarding the role of consent in marriage and in sexual relations outside of marriage in ancient and medieval societies Ranging from ancient Greece and Rome to the Byzantine Empire and Western Medieval Europe the contributors examine rape seduction and the role of consent in establishing the punishment of one or both parties the issue of marital debt and spousal rape and the central question of what is perceived as coercion and what may be the validity or value of coerced consent Other concepts such as honor and shame are also investigated Because of the wide range in time and place of societies studied the reader is able to see many different approaches to the question of consent and coercion as well as a certain evolution in which Christianity plays an important role

The American and English Encyclopaedia of Law David Shephard Garland,James Cockcroft,Lucius Polk McGehee,Charles Porterfield,1896

Soldier Q: Kidnap the Emperor! Jay Garnett,2013-12-12 In 1975 the Emperor Haile Selassie of Ethiopia recently deposed in a Communist revolution was declared dead In the hands of the brutal army officer Mengistu Haile Mariam the country descended into chaos and bloodshed Then an astonishing truth emerged The Emperor was not dead He had been kept alive in prison by Lieutenant Colonel Mengistu whose objective was to wring from him his massive fortune bullion jewels cash and shares amounting to 2 5 billion lodged in Swiss British and New York banks In London bankers and diplomats were appalled

The banks could not contemplate the loss of such a huge sum The British and American governments would not tolerate a ruthless Communist regime s acquisition of wealth it would destabilise the Middle East and all East Africa There was only one answer kidnap the Emperor And there was only one organisation capable of mounting the operation the legendary Special Air Service the SAS Three men Peter Halloran Michael Rourke and Richard Collins were selected for this hazardous mission which was like nothing the regiment had ever tackled before to penetrate a remote desert fortress and then to escape through arid highlands with a frail old man in tow Only extraordinary duplicity would get them in Only acute tactical expertise and merciless improvisation would get them out And if anything went wrong it would be as if they had never existed *The American and English Encyclopædia of Law* David Shephard Garland, Lucius Polk McGehee, James

Cockcroft, 1896 **Truth-Seeking by Abduction** Ilkka Niiniluoto, 2018-10-24 This book examines the philosophical conception of abductive reasoning as developed by Charles S Peirce the founder of American pragmatism It explores the historical and systematic connections of Peirce s original ideas and debates about their interpretations Abduction is understood in a broad sense which covers the discovery and pursuit of hypotheses and inference to the best explanation The analysis presents fresh insights into this notion of reasoning which derives from effects to causes or from surprising observations to explanatory theories The author outlines some logical and AI approaches to abduction as well as studies various kinds of inverse problems in astronomy physics medicine biology and human sciences to provide examples of retroductions and abductions The discussion covers also everyday examples with the implication of this notion in detective stories one of Peirce s own favorite themes The author uses Bayesian probabilities to argue that explanatory abduction is a method of confirmation He uses his own account of truth approximation to reformulate abduction as inference which leads to the truthlikeness of its conclusion This allows a powerful abductive defense of scientific realism This up to date survey and defense of the Peircean view of abduction may very well help researchers students and philosophers better understand the logic of truth seeking **Translating For Singing** Ronnie Apter, Mark Herman, 2016-05-19

Translating for Singing discusses the art and craft of translating singable lyrics a topic of interest in a wide range of fields including translation music creative writing cultural studies performance studies and semiotics Previously such translation has most often been discussed by music critics many of whom had neither training nor experience in this area Written by two internationally known translators the book focusses mainly on practical techniques for creating translations meant to be sung to pre existing music with suggested solutions to such linguistic problems as those associated with rhythm syllable count vocal burden rhyme repetition and sound Translation theory and translations of lyrics for other purposes such as surtitles are also covered The book can serve as a primary text in courses on translating lyrics and as a reference and supplementary text for other courses and for professionals in the fields mentioned Beyond academia the book is of interest to professional translators and to librettists singers conductors stage directors and audience members **A New English Dictionary on Historical**

Principles James Augustus Henry Murray, Sir William Alexander Craigie, Charles Talbut Onions, 1901 **Catalogue** Cadmus Book Shop, 1919 **Colombian Abduction** Gerald E. Jones, 6th, Gerald E. Jones, 2006-04 Gerald Jones had befriended a Colombian model through the Internet After six months of correspondence the model persuades Gerald into travelling to Bogota to spend time away from his problems Once in Bogota Gerald is forced to either work inside the Internet pornographic ring or remain trapped in Bogota His only hope is a former model The Hague Child Abduction Convention Rhona Schuz, 2014-07-04 International child abduction is one of the most emotionally charged and fascinating areas of family law practice The 1980 Hague Convention on the Civil Aspects of International Child Abduction was the response of the international community to the increase in the phenomenon of parental child abduction However behind the widely acclaimed success of this Convention which has now been ratified by more than 90 states lie personal tragedies academic controversy and diplomatic tensions The continuing steady flow of case law from the various Member States has resulted in the emergence of different approaches to the interpretation of key concepts in the Convention In addition over the years other global and regional legal instruments and the recommendations of the Special Commissions have had an impact on the implementation of the Convention This book brings together all these strands and provides an up to date clear and highly readable discussion of the international operation of the Abduction Convention together with in depth critical academic analysis in light of the objectives of the Convention and other relevant legal norms such as the 1989 UN Convention on the Rights of the Child Throughout the book examples are brought from case law in many jurisdictions and reference is made to relevant legal and social science literature and empirical research Over the past decade increasing focus has been placed on what might be seen as procedural issues such as separate representation for children undertakings judicial liaison and mediation The book analyses the significance of these developments and the extent to which they can help resolve the continuing tension between some of the objectives of the Convention and the interests of individual children This book will be essential reading for judges practitioners researchers students policy makers and others who are seeking a critical and informed analysis of the latest developments in international abduction law and practice From the Foreword by Brenda Hale Justice of the Supreme Court of the United Kingdom This book is as far as I am aware the first scholarly monograph to study the interpretation and application of the Convention across the whole legal space which it occupies and to critically assess these in light of the object and purposes of the Convention and other relevant legal norms Cases are drawn from many jurisdictions to discuss how different countries interpret the Convention and links are made with relevant statistical social and psychological research in a thoughtful discussion of the significance of such material both to judicial decision making and to policy development a study which deserves to be read by anyone with an interest in the modern phenomenon of international child abduction whether judge practitioner policy maker parent researcher or scholar There is plenty for us all to think about *A New English Dictionary on Historical Principles: part 1.
