Stanley Jones, 2014-10-21 The business of life is to live and to live well But in this day and age we know almost everything about life except how to live it We can dissect life and explain its parts and then fail to put it together again in such a way that it becomes a coordinated harmonious whole Through the vibrant writings of E Stanley Jones discover not only how God desires more for us than we could ever think or imagine but freely gives us that abundant life of body mind and spirit **Abundant Living** the sequel to **Victorious Living** continues the journey toward extraordinary life through trusting God and self surrender Written in 1942 by one of the greatest Christian leaders of the day experience this classic devotional with a new foreword by Leonard Sweet

**Hidden Treasures** Covenant Renewal Ministries, 2018-08-07 Many people are facing life threatening diseases terminal illness and the long term care of elderly parents but have few resources to rely on in these difficult times They often keep their challenges private only to suffer in silence with no real support system This book delivers practical solutions to the problems everyone must deal with when they are experiencing the degradation of the

quality of their life or the potential loss of a loved one Based on experiences derived from 25 years of prayer ministry Bertram s Hidden Treasures provides insight and guidance to equip patients family members and friends to walk through these challenging times with foresight looking for and expecting to see God at work in many miraculous ways It offers sound advice grounded in the truths found in Scripture and the wisdom revealed through real life stories and case studies This book helps those who have ever wondered If God is good why are we going through this What will our family do during this crisis How do we fight the fear that is trying to consume us How can we encourage reconciliation in our family Where can we find peace in the journey What happens when we die Is there life after death What is heaven like Hidden Treasures will inspire motivate and encourage loved ones to begin to walk the road to heaven without the fear and anxiety associated with death and dying They ll discover that the Word of God has answers to the questions that seem to have no answer and that comfort awaits as they begin to view their situation from a heavenly perspective Ultimately it reveals that hope is available death with dignity is possible and there are hidden treasures to embrace along the way *Happiness* Randy Alcorn,2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today s culture the vast majority of Christians are perceived as angry judgmental people who don t seem to derive any joy from life whatsoever So why aren t we happy Unfortunately many Christians are taught early on that God doesn t want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn t mean we can t also experience joy and happiness here on earth In *Happiness* noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere *Victorious Living* E. Stanley Jones,2014-10-21 E Stanley Jones wrote *Victorious Living* in 1936 to respond to inquirers who had come to him morally and spiritually defeated They were inwardly beaten thus outwardly ineffective The book responds with individual and social emphases and goes step by step as if on a ladder to work through the pressing questions of the inner life and how it extends outward How do we achieve a life evidencing the peace that passes understanding even in ourselves let alone passing it on What makes the difference between ordinary living and extraordinary victorious living How can we build a new inner strength that shines through in our outward character and relationships Our own efforts to rise above are ineffective but by applying the power of God s Word we can close the gap between our reality and our beliefs Each daily reading offers essential truths and eternal principles keys to victorious living

in the circumstances we encounter every day Now this vibrant work is making a long deserved comeback with a new foreword by Leonard Sweet      **The Way** E. Stanley Jones, 2015-03-03 If we are to get a sparkle a buoyancy back into life we can get it only as we are sure we are on the Way says E Stanley Jones The Way God's Way is revealed in the life and teachings of Jesus Christ as well as in the structure of reality This practical volume leads step by step through the implications of the Way in every aspect of life It progresses through 52 topics with daily readings Scripture references and prayer A sequel to Victorious Living and Abundant Living The Way offers a positive solution for mental and spiritual confusion and guidance for a life filled with meaning      Alegría Randy Alcorn, 2016 Se supone que nosotros los cristianos debemos de ser seres humanos felices De hecho estamos supuestos a radiar gozo paz y un contentamiento tan inconfundible y tan atractivo que naturalmente el deseo de otras personas sea el acercarse a nosotros con la necesidad de poseer lo que nosotros tenemos Sin embargo en nuestra cultura actual la mayoría de los cristianos son percibidos como personas de ira y juicio hacia otras personas con la falta evidente de gozo y alegría en sus vidas Por qué entonces no son alegres Nosotros tenemos la certeza de que experimentaremos un gozo inimaginable y una inmensa alegría en el Cielo pero entonces por qué no podremos experimentar esta misma alegría y gozo aquí en la tierra también En este libro Alegría el reconocido teólogo Randy Alcorn disipa siglos de conceptos erróneos acerca de la felicidad y la alegría que experimentamos comprobando de manera concreta que Dios no solamente desea que la gente que le conoce personalmente sean felices sino que él nos manda a serlo Este es uno de los estudios más conclusivos acerca del tema de la felicidad hasta la fecha convirtiéndose en un libro que promete cambiar los paradigmas de tal forma que servir como un gran llamado de atención para la Iglesia y todos los cristianos alrededor del mundo Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today's culture the vast majority of Christians are perceived as angry judgmental people who don't seem to derive any joy from life whatsoever So why aren't we happy We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere      *I Giorni Della Felicità* Randy Alcorn, 2019-12-19 Quando parliamo di felicità molti di noi si pongono le stesse domande Posso essere davvero felice sbagliato essere felici in un mondo pieno di dolore e sofferenza La vita cristiana esclude a priori la felicità Molti credenti pensano che ci sia un contrasto tra gioia e felicità mentre altri ritengono che Dio ci voglia santi ma non felici In realtà le due cose vanno a braccetto In questo libro l'autore e teologo Randy Alcorn ci accompagna in un viaggio di sessanta giorni dimostrandoci che Dio non soltanto ci vuole felici godendo della Sua presenza e dei Suoi doni ma ci potenzia e ci guida proprio per raggiungere questo obiettivo      The
