A Billion Ways To Die:

A Million Ways to Die Rick James, 2010-10-01 We talk a lot about resurrection What about the death that must come first Through story and biblical insight Rick James reminds us that when Jesus tells us to deny ourselves take up our cross and follow him he is describing a path of death not a path to death Giving up our own plans in order to meet someone else s needs Allowing God to shape our dreams even as we lose a relationship a job a hoped for future Being alert to these daily opportunities to die to ourselves is how we discover that every act of dying done in faith leads to spiritual growth As we learn to embrace the little deaths of everyday existence we lose our taste for lifeless religiosity Our appetite for a thriving vibrant life in Christ grows and our own experience motivates others to live out their extraordinary mission on earth In truth death is not an ending It is the only way to experience abundant life
