A Case Of The Funkies:

A Case of the Funkies Jeanette Starin, 2014-11-10 Fox tries to cheer herself up but to no avail until an unexpected visitor shows up **The Invasion of the Funky Pastors** Harry N. Agina, 2010 When I left Nigeria as a boy for the USA in search of the proverbial greener pastures there was Christianity and there was the African Culture in Nigeria both of which I had grown up in Christianity fed me with the word of God while my African Culture made me desirably and proudly different from a white man an Indian Mexican or Asian That was many years ago in the mid 1900s Today when I visit my little remote African village to enjoy some of the cultural values that I have missed so much while in the western world my brethren in the village tell me that the culture is no more Indeed the entire Christian community of Nigeria seems to be heading towards the notion that the African Culture is suddenly out of fashion The people's excuse is that they have seen the light in their new wave Christianity Some traditionalists are not taking the culture abuse lying down and with their fire for fire response to the Christian zealots there is truly a war of cultures in Nigeria I am right in the middle of it and this is my story I must prepare my reader's mind for my general hardnosed criticism of Nigerian Commercial Church in this story I lament that too many Christians are willfully making mischief and a whole lot of money all in the name of God I am a devout Christian and would never advertently say one bad word against Christianity or any religion for that matter My grouse is with the growing number of mischievous funky pastors their zombie like followers their gross misinterpretation of the Holy Bible and the war that they have declared against the African Culture One might even say that my criticism is venomous but I call it brutally frank or frankly brutal Funky Foods Trisha Swindle, 2013-05 Kids with food allergies should still be able to enjoy their food At least that's what Trisha Swindle thought She did her research and discovered a dearth of allergy friendly recipes so she decided to create her own These allergy friendly recipes can be tailored to different allergy needs The recipes are simple because life is too short to spend two hours stirring a pot And the dishes are delicious and fun because kids with allergies want to be able to eat the same types of foods as everyone else Funky Foods is full of allergy friendly recipes for every meal complete with fun and funky suggestions and substitutions for other types of allergies and for the rest of the family Trisha also includes a diet rotation chart for easy and creative meal planning Page 4 of cover *Funky Nassau* Timothy Rommen, 2011-05-19 Timothy Rommen has done it again After the success of his earlier award winning study of gospel music in Trinidad and the ethics of style Rommen turns his attention to the complex and conflicted history of music in the Bahamas Drawing upon extensive ethnographic and historical research Rommen explores the interrelationships between rake n scrape goombay and Junkanoo performance and shows how such local musics are implicated in Bahamian understandings of national identity In *Funky Nassau* Timothy Rommen confirms his status as one of the best scholars of Caribbean music today Michael Largey author of *Vodou Nation* Haitian Art Music and Cultural Nationalism This sensitive bittersweet account of music making in the Bahamas shows how a small fragmented country that has been buffeted by powerful currents emanating

from both the United States and the Caribbean has managed to produce a vibrant popular music of its own. Rommen carefully maps the political and cultural economies that are integral to this story but he keeps the musicians themselves, their aesthetics and strategies at the center where they belong. The result is a vivid and finely nuanced portrait of a unique musical culture that deserves to be better known. Kenneth Bilby, Center for Black Music Research, Columbia College Chicago

Following the Flame Greg Lautenslager, 2005-11 Jonny Langenfelter will do whatever it takes to make the Olympics. He will run 150 miles per week through duststorms or snowstorms, endure the torment of crazed coaches and bizarre teammates, flip burgers, wash dishes, and live in a van or a basement or with the two people who tell him he is wasting his time. His parents follow Jonny on a whirlwind journey that will take you around the world and into the locker rooms, hotels, stadiums, bars, and training grounds of some great and not so great athletes, and inside the mind of a high spirited runner who battles to stay on the straight path no matter what temptation or tragedy threatens to keep him from reaching his goal. *Alan's Funky Beats* Alex Butler, Alan is no ordinary boy. He's a shy bass guitarist with a secret rhythm and an even bigger secret. By night he becomes the Groove Guardian, a music powered superhero who battles chaos, solves mysteries, and rescues kittens and occasionally maracas using the power of funk, friendship, and a killer bassline. From the warm hum of Harmony House to the echoing halls of city museums and community parks, Alan learns that true strength isn't about flashy solos or loud performances. It's about empathy, harmony, and the quiet courage to be yourself. Packed with musical mischief, heartfelt heroism, and toe tapping adventures, Alan's Funky Beats is a vibrant tale for dreamers, rhythm lovers, and anyone who's ever felt a little out of tune with the world but found their groove anyway. Wise Guy and Other Fables John Francis

King, 2008-10-09 Wise Guy the story of international life coaches Guy and Funky. They change your life, you change theirs. Enjoy the journey. **Funky Lily's MIND CANDY & SOUL FOOD** Lilian Marton, 2014-03 Born and raised in Switzerland, Lilian Marton immigrated to Canada as a teenager and later graduated cum laude from Concordia University in Montreal with a degree in journalism and minor in cinematography. Now living in Toronto with her husband, in her middle years she created her exuberant clown persona Funky Lily but always kept the written words flowing. After years of writing for the university or the Ontario government or corporations, she now specializes in short stories and essays, even free verse.

Un-Funk Yourself Emily Hampton Morash, 2025-03-17 Is your leadership a little funkyed up? We all know what Bad Bosses look like. But most leaders who feel challenged in their roles aren't actually Bad Bosses. They're just a little funky. Relatable, irreverent, and raw, *Un-funk Yourself* is a new kind of leadership book for executives and managers who are tired of vague theories and surface level tactics that don't create meaningful change for them, their teams, and company culture. With laugh out loud stories, pointed observations, and science backed practices, Morash takes you on a journey into your own psyche and helps you get a handle not only on your day to day leadership and communication but also the assumptions, beliefs, and identity factors that are getting in the way of your success as a leader. In this book you can expect to encounter Why, mindless
