A Christian Theology Of Marriage And Family:

Marriage and Family Natalie Kertes Weaver, 2009 This text builds a foundational knowledge of theology while simultaneously developing major themes around the topics of marriage and family The author speaks from the perspective of the sacramental theology of marriage but is always respectful of other faith traditions and the religiously diverse classroom The book introduces develops and reinforces basic categories for thinking about the contemporary reality of marriage and family as grounded in the scriptural historical theological ecclesial and spiritual traditions of Christianity Sensitive issues such as human sexuality and divorce are treated with a contextually grounded and moderate point of view A meaningful correlation is made between the classical sources of Christianity and the lived experience of marriage Included are discussion questions and a review guide at the end of each chapter Appropriate as a primary text in undergraduate courses on the theology of the family marriage and family and ethics courses with a similar focus **Christian Marriage and Family** Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality **BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved** **A Christian Theology of Marriage and Family** Julie Hanlon Rubio, 2003 What are Christian families called to be and do in contemporary society Weaving together theology social science and her experience as a wife and mother Julie Hanlon Rubio answers this provocative and timely question She explores the marriage liturgy the New Testament and Christian tradition and then reflects on the ways Christian husbands and wives fathers and mothers and children can live out their vocations in changing times She concludes with chapters on divorce and the mission of the family Relevant academically oriented yet popularly written and filling a need by its attention to family issues this book will make an ideal text for courses in marriage family ethics social justice Christian ethics **Marriage and the Family** Andreas J. Köstenberger, David Wayne Jones, 2012 During a time of cultural ferment and crisis with regard to marriage and the family this book provides a timely solution speaking directly to current issues and explaining the Bible's teaching on marriage and family **The Christian Family** Herman Bavinck, 1912 *God, Marriage, and Family (Second Edition)* Andreas J. Köstenberger, David W. Jones, 2010-05-05 The release of the landmark first edition of *God Marriage and Family* provided an integrated biblical treatment of God's purposes for the home Since then explain authors Andreas Köstenberger and David Jones the crisis confronting modern households has only intensified and yet the

solution remains the same obedience to and application of God's Word. In the second edition of *God, Marriage and Family*, Kstenberger and Jones explore the latest controversies, cultural shifts and teachings within both the church and society and further apply Scripture's timeless principles to contemporary issues. This new edition includes an assessment of the family, integrated church movement, discussion of recent debates on corporal punishment, singleness, homosexuality and divorce and remarriage, new sections on the theology of sex and the parenting of teens and updated bibliographies. This book will prove to be a valuable resource for personal and group study, Christian counseling and marriage and family courses. *Family Ethics* Julie Hanlon Rubio, 2010-03-17 How can ordinary Christians find moral guidance for the mundane dilemmas they confront in their daily lives? To answer this question, Julie Hanlon Rubio brings together a rich Catholic theology of marriage and a strong commitment to social justice to focus on the place where the ethics of ordinary life are played out: the family. Sex, money, eating, spirituality and service. According to Rubio, all are areas for practical application of an ethics of the family. In each area, intentional practices can function as acts of resistance to a cultural and middle class conformity that promotes materialism over relationships. These practices forge deep connections within the family and help families live out their calling to be in solidarity with others and participate in social change from below. It is through these everyday moral choices that most Christians can live out their faith and contribute to progress in the world. **Primary Source Readings in Catholic Social Justice** Jerry Windley-Daoust, 2007 God calls each one of us to work for justice in the world. It is a daunting task that we do not face alone. *Primary Source Readings in Catholic Social Justice* presents the living words of the Catholic Church. Each chapter contains an excerpt from relevant Church documents, the writings of a person striving to live the Catholic social justice mission, and a sidebar highlighting the actions of a person or organization working to make the world a better place. This is the perfect resource to supplement any social justice class. *Catholic Theology of Marriage in the Era of HIV and AIDS* Emily Reimer-Barry, 2015-04-09 *Marriage for Life* begins by listening to the lived experiences of Catholic married HIV positive women in order to better understand their struggles. The eight women interviewed in Chicago, Illinois, USA, shared their stories of marriage, family life, church involvement and of living with HIV. Their candid reflections offer a fresh and grounded perspective on the challenges of living with HIV in a US context. After listening to and learning from these women's experiences, Reimer Barry constructs a theology of Christian marriage that is life giving in a world with AIDS. While Catholic teachings have developed and now affirm the equal dignity of women and men, troubling legacies of women's subordination remain embedded in liturgical practices and theological texts. Arguing that self care is an indispensable component of a healthy marriage, Reimer Barry constructs a life affirming theology of marriage that is sensitive to the struggles of her collaborators. She argues that marriage for life must promote the full flourishing of both partners, respect wives as equal partners with their husbands and offer a coherent and empowering sexual ethic. Building on the wisdom of her collaborators' lived experiences, Reimer Barry examines the need for a more adequate Catholic response to HIV and AIDS, arguing that

church communities should promote comprehensive sexual education affirm both abstinence and condom use for HIV prevention and actively work to reduce stigmatizing behaviors within church communities She also unpacks the implications of marriage for life for Catholic liturgical practice marriage preparation programs sexual education programs and family ministries Modeling her method on what Pope Francis calls the art of accompaniment Reimer Barry argues that Catholic theology of marriage must be renewed and updated so that all can plainly understand that marriage is for life Marriage, Family and Relationships Thomas A. Noble, Sarah K. Whittle, Philip S. Johnston, 2017-06-15 Family life has undergone revolutionary changes in Western society in the last sixty years posing both theological and ethical challenges for the contemporary church This book responds with wide ranging essays on sexuality marriage family life singleness same sex relationships violence against women anthropology gender and culture These chapters are essential reading for anyone concerned with Christian teaching on marriage and the family They balance a clear loyalty to the church's historic and biblical teaching with a recognition that all doctrine is contextualized There is a growing gap between the ethics of many Christians and those of wider society So Christians have to be counter cultural But the church also has to be self critical differentiating between biblical revelation and cultural development And it must know how to present unchanging Christian convictions to a constantly changing society The contributors are Andy Angel Daniel Block Rosalind Clarke Barry Danylak Andrew Goddard Stephen Holmes David Instone Brewer A T B McGowan Nicholas Moore Onesimus Ngundu Oliver O Donovan Ian Paul Andrew Sloane Katy Smith Elaine Storkey and Sarah Whittle *Christian Marriage & Family Life* Joy Aladetan, 2013-07 The world today is grappling with the consequences of faulty family values practised by past generations God cherishes the family unit but modern civilisation especially in the West has gradually defiled the institution of marriage and encouraged divorce and single parenting This has decreased respect in the home and driven God out of classrooms removing God's word from school curricula The shocking result is a moral vacuum and the breakdown of law and order in many ramifications This unfortunate situation calls for the writing of a book like this to rescue Christian families from a downward slide J O Y Aladetan's book *Christian Marriage and Family Life* addresses a relevant problem gives useful and pragmatic suggestions and provides delightful scriptural information to help married and unmarried persons alike in their desire for instruction about Christian families I pray that this book will serve as a tool to protect the institution of marriage and Christian families and that it will promote and enlarge the kingdom of God Professor Dapo Asaju Department of Religions Lagos State University Lagos Nigeria **Sex, Marriage, and Family in John Calvin's Geneva** Jr. Witte, John, John Witte, Robert M. Kingdon, 2005-10-20 You would not expect this from his dour reputation but John Calvin transformed the Western understanding of sex marriage and family life In this fascinating even sensational volume John Witte and Robert Kingdon treat comprehensively the new theology and law of domestic life that Calvin and his fellow reformers established in sixteenth century Geneva Bringing to light and life hundreds of newly discovered cases and theological texts Witte and

Kingdon trace the subtle historical forms and norms of sex marriage and family life that still shape us today The Family Metaphor in Jesus' Teaching, Second Edition Stephen Finlan, 2013-03-28 Examines the family metaphors for God Father and for believers children brothers that Jesus chose to use Dust jacket Blessed Be the Bond William Everett, 2020-02-18 In this compact study William Johnson Everett brings together in a critical and systematic way differing perspectives from ethics theology and the social and personality sciences to illuminate how people understand marriage and family The chapters describe key changes in marriage and family over the past few generations and then explore four theological symbols sacrament covenant vocation and communion that have been used to guide Christians in these complex relationships The book concludes with a proposal for a contemporary theological perspective on marriage and family grounded in the symbol of communion **The Oxford Handbook of Religious Perspectives on Reproductive Ethics** Davis, 2023 As I write this introduction the third season of the Israeli series Schtisel has arrived on Netflix eagerly awaited by viewers around the world who would never have imagined how caught up they would get by this family drama of four generations of ultra Orthodox Jews living in Jerusalem One episode focuses on Ruchami and Hanina a young couple who have been married for five years but without children It turns out that pregnancy and childbirth would threaten Ruchami's life She is using an IUD but she keeps threatening to have it removed risking her life to become a mother Finally with great reluctance Hanina visits the rebbe the spiritual authority in their community to discuss the possibility of using a surrogate They are says the rebbe caught between two non ideal situations surrogacy normally forbidden is non ideal but so is Ruchami's unhappiness and the possibility that she might go ahead and take the risk which is also forbidden Christianity John Chathanatt, 2024-01-08 Published in the Series Encyclopedia of Indian Religions this volume is devoted to Christianity in India where it has had a long presence going back to the time of the apostles of Jesus Christ It focuses on the history origin organizations and local engagements belief system worship practices Rites Rituals Christian life Contributions Spirituality and a few of the main doctrinal and theological items It further examines the earlier phase of the history of Christianity starting with the traditional belief of the arrival of St Thomas in AD 52 moving to the periods of its association with the Chaldean church the Portuguese the Dutch English and so on This volume highlights the missionary activities of persons like St Francis Xavier the creative contributions made to the inter religious dialogue by such people as Roberto de Nobili 1577 1656 and Swami Abhishiktananda 1910 1973 the linguistic and educational contributions of some of the pioneers like the German Jesuit Johanne Ernst Hanxleden known as Arnos Padiri 1681 1732 Herman Gundert 1814 1893 St Elias Kuriakos Chavara 1805 1871 and a fortiori the enormous contributions in the healthcare area throughout the country Caring for and serving the socio economically marginalized ones the peripheralized people formed an integral part of the Christian activity In India as it is done even today This is highlighted very much in the volume It further explores the contact India had with European Christianity showing that European Christianity proved to have wider influence in the Northern part of India unlike India's

early episodic encounters with Palestinian and Persian forms of Christianity which had deep influence in the Southern part of India The volume also highlights the inner struggle among the followers resulting even in its division originating at the Synod of Diamper in 1599 manifesting by and large the Church state love and hate relationships In fine in spite of the drawbacks of putting the herculean task of two thousand years of history in eight hundred pages or so this volume gives a rather comprehensive view of Christianity in India especially to those who are unfamiliar with its life and dynamics in the Indian context The wide range of photographs 325 of them especially of the churches revealing the architectural beauty and multiplicity along with the ensample of art and paintings and pilgrimage centers adds to the enrichment of the volume
