A Christmas Hope Of Love And War Series:

Love, War, and Betrayal Margaret McCulloch, 2014-06-25 Ernie Tennyson a southern Georgia farm boy is on the verge of becoming a man a dangerous time for a teenager in 1967 Before he knows it he has been drafted and is on his way to serve his country in Vietnam On his first mission he is brutally stabbed by the Viet Cong and left to die in the jungle where a young woman named Anna Ming finds him and rescues him Despite her best efforts to conceal his presence and their growing love from her father Ernie is captured by the North Vietnamese and imprisoned His time in the camp is so traumatic that he returns home to the United States a profoundly wounded man Stripped of his memory the soldier fights to readjust to civilian life Promised to another man Anna Ming must now conceal another secret the baby she carries Her enraged father sends her to China where she gives birth to a stillborn baby girl When Anna finally reaches Ernie by phone he doesn t know who she is Ernie is further confused when a Vietnamese woman named Laguan shows up and claims she is his wife forming an unwelcome presence in his life After a tragic accident brings his memory back he sends the romantic imposter back to Vietnam and tries to find Anna Shortly after Anna s father tells Ernie that she is dead the old man is murdered With the help of Anna's grandmother can Ernie solve the murder and finally marry the woman he loves **Love & War as Never Before** George Wilson Morin, 2010-11-11 Love Uncle Martin a battalion commander with the Hell on Wheels 2nd Armored Division cousin Pat a company commander with the 7th Armored uncle Tom a Navy lieutenant commander in the Philippines and the boys elusive father John an intelligence officer with the 8th Army Air Corps Their experiences are told through a trove of some four hundred pages of letters found yellowing in a crushed cardboard box in the corner of the fathers garage some fifty The Cold War and Entertainment Television Lori Maguire, 2016-08-17 An essential years after the conflict ended dimension of the Cold War took place in the realm of ideas and culture While much work exists on cinema relatively little research has been conducted on this subject in relation to television despite the latter being a technology and popular cultural form that emerged during this period This book rectifies that absence by examining the impact of the Cold War on entertainment television and underlines the comparative aspect by studying programs from both blocs without forgetting of course the outsize impact of American television Although most of the focus is on the two main protagonists the US and the USSR chapters also consider programming from the UK Czechoslovakia Romania and both East and West Germany This book represents a contribution to the debate about the cultural Cold War through a rigorously comparative analysis of the two blocs For this reason the approach used is thematic The study begins by considering the subject of censorship and then goes on to look at the very particular case of the two Germanys A series of comparative genre studies follow including police and war variety shows and documentaries and docudramas Perhaps surprisingly the similarities are often greater than the differences between television in the two blocs With Faith, Hope, and Love Hiske Forsyth Strong, 2009
