Shadow Dance David Richo, 2024-01-02 Discover how to embrace the dark side of your personality or the shadow self as introduced by Carl Jung to live a fuller more authentic life Our shadow is the collection of negative or undesirable traits we keep hidden the things we don't like about ourselves or are afraid to admit egotist non PC proclivities forbidden sexual desires But it also includes our positive untapped potential qualities we may admire in others but disavow in ourselves

Befriending the shadow makes fear an ally and enables us to live more authentically. It also automatically improves our interpersonal relationships because we are freed from the need to project our own negativity onto others and we become more acutely aware when theirs is projected onto us. David Richo looks for where the shadow manifests in personal life, family interaction, religion, relationship, and the world around us. He shows how to use the gentle practice of mindfulness to work with our shadow side and he provides numerous exercises for going deeper. He is remarkably skillful at making the shadow concept not only easy to understand but supremely practical for enhancing the quality of our lives. Shadow Dance Anne Erskine, 2014-05-15. Anne Marie Erskine taught literature for many years but is now retired and lives with her husband Jim in Prescott, Arizona. She has a Master of Arts in the Humanities from The California State University. Through reading, studying, and teaching literature, Anne Marie became interested in composing poetry. For Anne Marie, writing poetry permits people to understand and express what is breathing within us. Each discovery is a new opening to our world. Reading and writing poetry expose doors we never even knew existed.

Shadowrun: Shadow Dance Aaron Rosenberg, 2020-01-24. THE SHADOWS OF A MAN'S PAST ARE LONG. Cole Danvers is a small-time shadowrunner scratching out a living in the dangerous, divided sprawl of Denver, Colorado. But when a lucrative heist to steal an AmerIndian amulet goes terribly wrong, costing him both his teammates and nearly his life, Cole hits the streets intent on only one thing: vengeance. But as he tracks down the Johnson that sent him on this deadly mission, Cole quickly realizes he's stumbled onto a plot much bigger than stealing a piece of jewelry, and that it's somehow connected to his own shadowed past. Soon he's sucked into machinations that involve Native Americans, wily shamans, and, impossibly, himself. And even sooner, Cole realizes he needs help to take down his enemies before he gets killed for real. This time. Assembling a motley crew of shadowrunners, using every bit of guile and charisma he possesses, Cole sets out to solve the mystery of who tried to double-cross him and why, and what, if anything, it has to do with his own murky background. But the answers may do more than just shock him; before it's all over, they may just be the death of him.

Shadow Dance Christine Feehan, 2023-08-22. Tensions and passions rise in the city that never sleeps in this propulsive novel in 1. New York Times bestselling author Christine Feehan's Shadow Riders series. As the head of the New York City Shadow Riders and his branch of the Ferraro family, Geno bears the weight of dual responsibilities on his broad shoulders. There's nothing more important to Geno than protecting his territory and his famiglia. So when his own parents become the latest victims in a string of vicious murders, Geno is ready to go scorched earth. He thinks he has the assassin in his sights, but he's unprepared for the firestorm their connection ignites. Amaranthe Aubert's lithe dancer's body conceals a spine of steel. Even held captive and faced with the threat of lethal interrogation, she's not about to cave under pressure. She had nothing to do with the murders, no matter what the ruthless man in front of her believes. But before Amara knows what's happening, Geno connects to her in the shadows, stripping her bare of all artifice. Now she has no way to hide her true reason for being in New York and nowhere to run from the man whose very presence steals the very breath from her lungs.
