**Dangerous Love** Jennifer Leigh Syvertsen, 2022-11 The relationships between female sex workers and their noncommercial male partners are often assumed to be coercive and anchored in risk dismissed as pimp prostitute arrangements by researchers and the general public alike Yet these stereotypes unjustly erase the complexity of lives we imagine to be consumed by social suffering *Dangerous Love* centers a framework of love to rethink sex workers intimate relationships as commitments to collective solidarity and survival in contexts of oppression Combining epidemiological research and ethnographic fieldwork in Tijuana Mexico Jennifer Leigh Syvertsen examines how individuals try to find love and meaning in lives marked by structural violence social marginalization drug addiction and HIV AIDS Linking the political economy of inequalities along the border with emotional lived experience this book explores how intimate relationships become dangerous safe havens that fundamentally shape both partners well being Through these stories we are urged to reimagine the socially transformative power of love to carve new pathways to health equity **Dangerous Love** Chad Ford, 2020-06-23 Chad Ford reminds us that humanity lies within all of us and although conflict is everywhere in today s world we have the tools we need to overcome obstacles and to thrive This is a fantastic timely book that I highly recommend Steve Kerr Head Coach Golden State Warriors Knowing how to transform conflict is critical in both our personal and professional lives Yet by and large we are terrible at it The reason says longtime mediator Chad Ford is fear When conflict comes our instincts are to run or fight To transform conflict Ford says we need to turn toward the people we are in conflict with put down our physical and emotional weapons and really love them with the kind of love that leads us to treat others as fellow human beings not as objects in our way We have to open ourselves up with no guarantee that anyone on the other side will do the same While this can feel even more dangerous than conflict itself it allows us to see the humanity of others so clearly that their needs and desires matter to us as much as our own Ford shows dangerous love in action through examples ranging from his work in the Middle East to a deeply moving story about reconciling with his father He explains why we

disconnect from people at the very time we need to be most connected and the predictable patterns of justification and escalation that ensue Most importantly he gives us a path to practice dangerous love in the conflicts that matter most to us
