The last category of material is a voluminous collection of personal papers including academic articles speech notes and opinion pieces written by Field in the decades following the war The breadth of materials is only further enhanced by the benefit of one hundred years hindsight lending itself to a more thorough understanding of many of the momentous events that occurred during those years I Hope This Reaches Youis a tapestry of human experience woven from the narrative threads of love loss loyalty sacrifice triumph and tragedy that will call to any reader of historical memoirs **God** Marty Williamson, Bobby Linkous, 2008-05 Williamson and Linkous present a 40 day theological study on the topic of who God is
