he is attracted to the first man he ever slept with and it becomes more unbelievable when he feels that the love is being reciprocated Throughout all the things his lover had to do to keep his job he still supports him even though he has to pick up the pieces in the end But their high paying job has high risks and demands and soon they are getting tired of it to the point of threatening their relationship Will they stay for the money or leave for love Sample 1 A woman not much older than Paul commanded him to spread his legs wide and have his arse facing her Paul was surprised to feel cold gel coat his anal entry before she penetrated him to gasps from the other ladies at the table What Paul didn't know was that Carol had briefed this lady who after a few minutes of fingering Paul stated loud enough for everyone to hear I would love to see the big buck hump this little cutie That is what happened Paul was spread eagled and the two from the morning held his legs well spread and back Delon opened him up very slowly playing with him all the time as well It all looked very erotic and a couple of the ladies couldn't resist stroking Delon's dick and Paul's torso By the time Delon entered him Paul was just about ready to come He whispered it to Delon who whispered back In that case Baby you are going to have more than one orgasm Sample 2 You can do what you like down there lubricant is on the bedside cabinet but know that if you penetrate me that will indicate that the reverse can happen Paul thought about it He had never screwed Delon or anyone else but the thought was there and this was too good a chance to miss He got Damian to straddle him so that he had unfettered access to his anus Simply repeating action that Delon practiced on him Paul soon had four fingers inside Damian and was ready to fornicate He told Damian to roll onto his back spread his legs very wide and bend them He lubed his dick and got between Damian's legs pushing them back more as he slid in close planting the head of his lubricated manhood at the entrance to the arse A little bit of extra pressure and Paul slid over Damian's sphincter
